*The Triumphant Marriage* Penguin

In the deft hands of Neil Gaiman, magic is no mere illusion . . . and anything is possible. In *Smoke and Mirrors*, Gaiman's imagination and supreme artistry transform a mundane world into a place of terrible wonders—where an old woman can purchase the Holy Grail at a thrift store, where assassins advertise their services in the Yellow Pages under "Pest Control," and where a frightened young boy must barter for his life with a mean-spirited troll living beneath a bridge by the railroad tracks. Explore a new reality, obscured by smoke and darkness yet brilliantly tangible, in this extraordinary collection of short works by a master prestidigitator. It will dazzle your senses, touch your heart, and haunt your dreams.

*Neil Patrick Harris* Amherst Media

It has only been a couple of weeks since the events of *Exit Zero*, yet in the Garden State, life goes on as usual—except it's with zombies. The state is still sealed off from the rest of the nation, but those trapped inside have learned to adapt and overcome. President Callahan and the Post Conflict Restoration Corp are firmly in charge at the new Cape May, New Jersey based White House. A new mutation has emerged targeting those that have survived infection of the Skell virus without reducing them to the whole flesh eating, brain melting, stomach transforming into a brain thing. The Virus Infected Non-Necrotic Individuals (VINNI's) appear as if they are just a more physically fit version of you or me, but they are now biologically different and for unknown reasons are highly sought after by Post Conflict Restoration Corp. The remainder of the Sullivan brothers are trying to find their own way in this new world. The prepper Ivan and his assassin wife Marifi are on the run and Gary Ragu is taking action to head the Jersey mafia. Dr. Woody has found new allies in his efforts to right the wrongs caused by his Modified Embryonic Animal Tissue (M.E.A.T), but can he trust them? Welcome to Nuke Jersey, the future of America and possibly the world.

The iPhone is revolutionizing photography. Never before has a camera been so portable yet powerful, so versatile and ubiquitous. Yet, as this book shows, this amazing device has untapped potential for taking jaw-droppingly detailed, sharp, professional-quality images. In this book, commercial photographer Robert Morrissey investigates the photographic capabilities of the iPhone, right out of the box, then moves to advanced uses that will surprise even seasoned photographers. Starting with the basics, Morrissey teaches readers critical strategies for taking great pictures—from how to properly hold your phone, to how and why to use the flash. You'll learn simple ideas for improving your photos—from crafting a strong composition to posing subjects for flattering results. Next, you'll learn to use the iPhone's panoramic and HDR features to take your imaging to the next level. You'll also get some great insights into how to photograph action, scenes with non-average tones, landscapes, and much more—with natural light and flash.

The classic that revolutionized the way Americans see marriage. Sold more than 35 million copies and translated into 14 languages.

**A Homeland Dell** iUniverse

When a young girl ventures through a hidden door, she finds another life with shocking similarities to her own. Coraline has moved to a new house with her parents and she is fascinated by the fact that their 'house' is in fact only half a house! Divided into flats years before, there is a brick wall behind a door where once there was a corridor. One day it is a corridor again and the intrepid Coraline wanders down it. And so a nightmare-ish mystery begins that takes Coraline into the arms of counterfeit parents and a life that isn't quite right. Can Coraline get out? Can she find her real parents? Will life ever be the same again?

*Nuke Jersey* Crown

From #1 New York Times bestselling author Neil Gaiman, an ingenious and captivating reimagining of Rudyard Kipling's adventure *The Jungle Book* that is a glorious meditation on love, loss, survival, sacrifice, and what it means to truly be alive—one of ten classic Gaiman works repackaged with elegant original watercolor art by acclaimed artist Henry Sene Yee Nobody Owens, known to his friends as Bod, is a normal boy. He would have been completely normal if he didn't live in a sprawling graveyard, being raised and educated by ghosts, with a solitary guardian who

belongs to neither the world of the living nor of the dead. There are dangers and adventures in the graveyard for a boy—an ancient Indigo Man beneath the hill, a gateway to a desert leading to an abandoned city of ghouls, the strange and terrible menace of the Sleer. But if Bod leaves the graveyard, then he will come under attack from the man Jack—who has already killed Bod's family. . . . By turns macabre, uplifting, sinister, and heartwarming, Neil Gaiman's #1 national bestseller is an ingenious reimagining of Rudyard Kipling's classic adventure *The Jungle Book*. Called a "novel of wonder . . . a tale of unforgettable enchantment" by the *New York Times Book Review*, *The Graveyard Book* has captivated readers of all ages with its timeless meditation on love, loss, survival, and sacrifice . . . and what it means to truly be alive.

Your marriage is in crisis, and you've read countless books on how to make it work, but to no avail. You haven't seen sustainable change in your relationship, and you're ready to give up hope that counseling will be effective. You're weary of striving, and you may have even considered having an affair, doing violence to yourself or to your partner, or indulging in an addiction. Perhaps you already have. You cannot stomach another false promise or simplistic solution to the complex problems in your marriage, and you wonder, is there any other way? *Grounds for Marriage* speaks into the wreckage of broken covenants with a fresh perspective on relationship, refusing to apply flimsy bandages to fractured relationships and insisting that the core brokenness be addressed and genuinely repaired. This material helps couples and their counselors to honestly evaluate troubled marriages, providing a much-needed compassionate, sensible, hopeful, sound, and sometimes unexpected understanding of the scriptures and of relationship. Synchronizing personal story, anecdotes from her work as a Licensed Professional Counselor, and a review of literature in psychology and theology, Jade G. Stone helps couples in crisis to: --study the scriptures to determine what they say constitutes a marriage covenant --recognize how both partners contribute to failure in their marriage --heal from old wounds so they can be in covenantal relationship with God and with a covenant companion With no-nonsense directness and high-definition clarity, Stone helps you envision how human covenantal commitments must function in order to mirror intimacy with God. She presents the criteria of wholehearted covenant as a measuring stick for relational intimacy (grounds for marriage), without which you cannot determine what comprises broken intimacy (grounds for divorce). From a covenantal/relational perspective, you can maintain scriptural integrity, understanding, and wisdom as you evaluate a marriage in crisis. *Grounds for Marriage* includes a study guide to help readers personalize the concepts presented.

*Hedwig and the Angry Inch* HarperCollins

"In my hair Gorillas leap, Tigers stalk, And ground sloths sleep. Prides of lions Make their lair Somewhere in my crazy hair."

*American Gods* Macmillan

During his distinguished career as a journalist, Mark Manning has seen it all—riots, murder, political corruption, and every manifestation of the dark heart of the human species. But even his proven emotional resources will be stretched when the home he shares with his lover, architect Neil Waite, and his ward and nephew, Thad Quatrain, becomes the site of one of the most daunting, taxing, and potentially dangerous of all human rituals—a wedding. Roxanne Exner, best friend to both Mark and Neil, is having her nuptial ceremony at their house in the normally bucolic Dumont, Wisconsin, partly because Carl Creighton, her husband to be, is in the final weeks of his campaign for lieutenant governor of Illinois. For Roxanne, Dumont will afford some needed distance from the campaign, and for the city of Dumont, it will be the social event of the season. The wedding, despite everyone's fears, comes off with nary a hitch. The reception, however, takes a disastrous turn when a local matron, who happens to be a major donor to the campaign of Creighton's rival, is killed in what appears to be a freak electrical mishap. Authorities soon discover that the electrocution was no accident. Then another shocker—Roxanne herself becomes the prime suspect. If Roxanne is ever to enjoy her honeymoon, and if Carl and his running mate are to stand a chance of election, Mark finds himself in a race against the clock to solve a most perplexing murder.

*Millionaire Cop & Mom-To-Be* Permuted Press

How many times has the instant that a wedding turned magical taken you by surprise? Was it the disarmingly accurate rehearsal dinner toast or the brides knowing glance during the exchange of rings? Was it the vow that could only have been written by that particular man about this special woman or the significance of the

song playing as they take the floor for their first dance as husband and wife? Whether staged with black tie formality in a candle-lit chateau or with bare feet under a summer oak tree, the perfect wedding is only perfect to the extent that it's personal. When you've decided to say yes, *In Style Weddings* is the one book you'll need to create your unique expression of this timeless ritual. So that when the time comes to say I do, you'll be in the moment and loving it. Here's a world of inspiring options shown in exquisite detail: invitations, dresses, flowers, music, cakes and tips from today's top wedding planners on how to make it all come together in a way that's personal, meaningful, and just right. *In Style Weddings* takes you inside the entire planning process, from choosing the right ring for you to honeymoon ideas that add the perfect blush from high adventure to serious serenity. Stylish concepts, tips, and tricks come from top experts, the caterers, planners, florists, and dress designers behind the most memorable celebrity weddings of the past decade, from Mira Sorvino's hilltop ceremony in Italy to Matt LeBlanc's beachfront wedding in Hawaii. Clear, succinct advice allows you to pick and choose what's useful to you. With its expertly curated photography, *In Style Weddings* takes cues from the world of deluxe fine art volumes. Big, luxurious photos, many shot documentary style at A-list weddings by leading photojournalists, play up the beauty of settings, costume, and lighting conveying beautiful portraits of the joy, romance, and ritual unique to weddings. Want an extraordinary ring? Kevin Costner proposed with a vintage ring from Neil Lane and you can have a style just as stunning. Are you a traditional girl at heart? Well, tell you which flowers are perfect for your classic ceremony. What about the party favors? Consider a breakfast bag (and maybe some aspirin) for your guests to wake up to the next day. Add polish to your wedding plans with what amounts to free consults from the ultimate team of pros. Each chapter is divided into two sections: *Looks We Love* and *Access Your Style*. In *Looks We Love*, *In Style Weddings* shows brides all of the options available whether it's a Vera Wang gown or a vintage flapper frock. *Access Your Style* explains how to make the look all your own: where to find it and how to make it authentic for you and your groom. Throughout each chapter, *In Style Weddings* includes details from celebrity nuptials: How Kate Beckinsale fell in love with her strapless Vera Wang gown; the flowers that Debra Messing carried, and the cake that Catherine Zeta-Jones and Michael Douglas picked for their wedding. *In Style Weddings* makes the perfect gift and is the essential book for every bride.

**Psst! Bride... Here's How To DITCH YOUR DJ** Penguin

*SCRAMBLED* exemplifies the struggles faced by many individuals with learning disabilities. Its main character - Matt Walsh - is a twenty-something adult whose learning disability is the root cause of persistent angst, frustration and turmoil as he tries desperately to achieve, to succeed both in his career - and in his personal life. The novel attempts to describe Matt's inner-most thoughts as he works to better himself and overcome his skill deficits. His anxiety - and life's common distractions - often get the better of him as he strives to move up the ladder toward career security. In addition to coping with his work-related issues, Matt has fallen in love with Sarah - a beautiful and talented woman with a budding medical career. She is fully aware of Matt's learning issues, loves him for his perseverance and his innate talents, and supports his desire and efforts at improvement. But, Matt's love for Sarah causes him additional anxiety. He needlessly worries that he can't meet her expectations. And he fears moving forward with her until he can provide financially for her and the family they both want. The pages of *SCRAMBLED* will show you how Matt perseverates on his difficulties. You'll meet individuals who play a role in Matt's life, realize the opportunities they present, and learn how Matt reacts to them. You'll see how his strength of will helps him succeed and how his fears almost undo all of his hard work. And you'll see how his intense love for Sarah both energizes and nearly paralyzes him. In the end, does Matt truly succeed? Is he able to gain control over his learning, his career, his personal life? These questions, and more, are all answered in "*SCRAMBLED*."

The perfect gift for music lovers and Neil Young fans, telling the story behind Neil Young's legendary career and his iconic, beloved songs. "I think I will have to use my time wisely and keep my thoughts straight if I am to succeed and deliver the cargo I so carefully have carried thus far to the outer reaches."—Neil Young, from *Waging Heavy Peace* Legendary singer and songwriter Neil Young's storied career has spanned over forty years and yielded some of the modern era's most enduring music. Now for the first time ever, Young reflects upon his life—from his Canadian childhood, to his part in the sixties rock explosion with Buffalo Springfield and Crosby, Stills, Nash & Young, through his later career with Crazy Horse and numerous private challenges. An instant classic, *Waging Heavy Peace* is as uncompromising and unforgettable as the man himself.

**The Graveyard Book** InStyle

Jesus is back. It is 2012 and Las Vegas magicians nightly perform miracles. Social media networking dominates and the Son of God is having a hard time getting the Word out until, that is, he decides to rob a bank with Neil's help. Two billion people on Earth call themselves Christians. A foundation belief among Christians is that Jesus, the Son of God, will again appear in bodily form amongst us. If He returned in this age of consumption, technology, and self-indulgence, what would Jesus need to do to get our attention? What could he do to draw our focus away from reality TV, the internet, and another trip to the shopping mall? That is precisely Jesus's challenge in this remarkable new novel, *Hollon's Ninth*. After months of being dismissed as another mentally ill street-preacher who is ridiculed, arrested, and ignored, Jesus robs a bank and ends up on the front page of *The New York Times* as the "Jesus-Bandit."

days of their lives. Beautifully finished with foil accents, *Style Your Wedding with Neil Lane* makes the perfect gift for you, or for any couple dreaming of their walk down the aisle.

**Modern Wedding** Alpha

The definitive, compulsively readable story of the greatest era of the most iconic league in college basketball history—the Big East "This book, full of long-standing rivalries, unmatched moments in the lives of coaches and players, and juicy insider gossip, is, like the game of basketball, a ton of fun."—Philadelphia magazine The names need no introduction: Thompson and Patrick, Boeheim and the Pearl, and of course Gavitt. And the moments are part of college basketball lore: the Sweater Game, Villanova Beats Georgetown, and Six Overtimes. But this is the story of the Big East Conference that you haven't heard before—of how the Northeast, once an afterthought, became the epicenter of college basketball. Before the league's founding, East Coast basketball had crowned just three national champions in forty years, and none since 1954. But in the Big East's first ten years, five of its teams played for a national championship. The league didn't merely inherit good teams; it created them. But how did this unlikely group of schools come to dominate college basketball so quickly and completely? Including interviews with more than sixty of the key figures in the conference's history, *The Big East* charts the league's daring beginnings and its incredible rise. It transports fans inside packed arenas to epic wars fought between transcendent players, and behind locker-room doors where combustible coaches battled even more fiercely for a leg up. Started on a handshake and a prayer, the Big East carved an improbable arc in sports history, an ensemble of Catholic schools banding together to not only improve their own stations but rewrite the geographic boundaries of basketball. As former UConn coach Jim Calhoun eloquently put it, "It was Camelot. Camelot with bad language."

**How to Photograph Weddings** Timber Press

THE MILLIONAIRE COP Meet Neil Logan, the bane of my existence ever since we were this high. Not exactly your average guy—how many "average" millionaires do you know who choose to carry a badge?—but then, he never was... THE MOM-TO-BE That's me, Katie Jonas. My life's been a bit complicated lately—I just got left at the altar, alone and pregnant—and it isn't getting any simpler! THE "MARRIAGE" You see, Neil's asked me to marry him—for the baby's sake. But now that I'm really getting to know the strong, enticing man my childhood nemesis has become, I'm not sure I can settle for anything less than the real thing...
