Once a thriving, multiracial community, the Sophiatown suburb of Johannesburg was home to many famous artists, musicians, and poets. It was also a place where residential apartheid was first put into practice with forced removals, buildings bulldozed, and the construction of new, cheap housing for white public employees. David Thelen and Karie L. Morgan facilitate conversations among today's Sophiatown residents about how they share spaces, experiences, and values to raise and educate their children, earn a living, overcome crime, and shape their community for the good

of all. As residents reflect on the past and the challenges they face in the future, they begin to work together to create a rich, diverse, safe, and welcoming post-Mandela South Africa.

Born in Slaton, Texas, Bobby Keys has lived the kind of life that qualifies as a rock 'n' roll folktale. In his early teens, Keys bribed his way into Buddy Holly's garage band rehearsals. He took up the saxophone because it was the only instrument left unclaimed in the school band, and he convinced his grandfather to sign his guardianship over to Crickets drummer J.I. Allison so that he could go on tour as a teenager. Keys spent years on the road during the early days of rock 'n' roll with hitmakers like Bobby Vee and the various acts on Dick Clark's Caravan of Stars Tour, followed by decades as top touring and session sax man for the likes of Mad Dogs and Englishmen, George Harrison, John Lennon, and onto his gig with The Rolling Stone from 1970 onward. Every Night's a Saturday Night finds Keys setting down the many tales of an over-the-top rock 'n' roll life in his own inimitable voice. Augmented by exclusive contributions with famous friends like Keith Richards, Joe Crocker, and Jim Keltner, Every Night's a Saturday Night paints a unique picture of the coming-of-age of rock 'n' roll.

Storm over South Africa follows the lives and tribulations of a diverse group of characters through the Second Anglo-Boer War from 1899 to 1902 in South Africa. They belonged to different levels of the opposing societies, and the story follows their actual life-and-death experiences in this conflict. The characters include the seventeen-year-old son of a Boer president, a young shipbuilding dock worker and his military nurse girlfriend from the industrial northeast of England, and a young Canadian soldier who volunteered for Canadas first campaign outside its borders. Involved too are such illustrious British participants as Winston Churchill, Field Marshal Frederick Roberts, and the generals Kitchener, Ian Hamilton, and Robert Baden-Powell, among others. Boer leaders involved include the generals Christiaan de Wet, Louis Botha, Koos de la Rey, and Jan Smuts. The reader is guided through the various twists and turns of the first major British conflict of the twentieth century from its beginning through to its end. The naivety and excitement of combatants in the lead-up to and beginning of the Second Anglo-Boer War was contagious. It pulled many naive young men into the maelstrom of combat. The failures, frustrations, disappointments, disillusionments, and suffering soon emerged. It is a tale of imperial arrogance, determination, stubbornness, innocence, love, and loss experienced in a rugged and alluring land far from the heart of the British Empire.
