## TRISTEN TRISTIAN

*The Secrets of the Everlasting Kingdom*  
SGM Publishing

Do you get angry at your children easily? Do you often feel like giving up and throwing in the towel? You DO NOT have to feel or react like this anymore! It is difficult to watch your children do things "their way," especially when it looks like it is totally the opposite of God's way. You want to shout, "Stop!" because you clearly see the danger ahead. Mary Hudson shows you how as a parent you can look past your hurt and love your children despite their actions. "Joyful Parent = Happy Home" will encourage you to love your way into your kids' world. Loving your children unconditionally is the primary ingredient to becoming a Joyful Parent. Once you figure out what is stealing your joy, you have won half the battle. The enemy is the one that is stealing your JOY not your children. This is a spiritual battle. The enemy's most effective weapon is deception. And if you fall for his lie that your child is never going to change and will always live a certain way, you have been duped by one of the devil's oldest tricks. You will be surprised you will get a brand-new view of parenting when you appropriate a brand-new attitude toward your children. We have to encourage our children with a vision for their future, with the plans that the Lord has for them. We need to remind them that the world will use and abuse them, but God will never fail them. Start speaking life to your children no matter what they are up to or what they are up against. Then, you will start to see life arise in them!

[Blood on the Altar](#) Wipf and Stock Publishers

My family and I have experienced many challenges throughout our lives. Nevertheless, we trusted in Jesus, our refuge and strength in the times of our troubles. Regardless of the challenges or fiery darts that Satan threw at us, we never gave up. We encouraged ourselves and trust in God knowing that the battle is not ours but the Lord's. We stood on God's

word and exercised great faith knowing that if we believe on his word all things are possible. This book tells about the many challenges we encountered and how we apply God's word to our struggles. In this book are testimonies of wondrous miracles that the Lord bestowed upon our family. We did not allow the enemy to consume us instead we rose up and conquer every devil that stood in our way. If you are experiencing any forms of trials and tribulations in your life whether sickness, death, divorce or others, this book will inspire and empower you to overcome with faith in God. Your faith will increase beyond measures. No matter what the situations are, remember, You can Make it Through the Storm. There is no need to sit there and die. Trials come to make you stronger, trust in Jesus. I trust and pray that as you read this book it will be a blessing to you.

*Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954* Canterbury Press

"Dr. David Bridges examines and explains the core beliefs of the Jehovah's Witnesses and their origins. This book offers a detailed essay of the teachings of the Watchtower Society from their own viewpoint, and a comparative mainstream Christian theology is then offered for consideration. The information in this book will prepare householders, lay ministers, and clergy to discuss their faith with Jehovah's Witnesses in an informed manner."--Back cover.

**Kingdom Come** Crossway  
Biblical theology and doctrines of Jehovah's Witnesses.

**The Building News and Engineering Journal** Wipf and Stock Publishers  
History and teachings of Jehovah's Witnesses organization.

**The Standard** John Wiley & Sons  
Nearly 2000 years ago, the Good News of the Kingdom began to be preached throughout the Mediterranean by a carpenter's son, Jesus of Nazareth. His teachings restored dignity and religious freedom to all who heeded his message of hope. However, within 400 years, Christianity had lost its way and reverted back to the old ways of clergy/laity distinctions. Ecclesiastical authority

brought divisions and sects, and pitted Christian against Christian. The individual disciple lost his spiritual autonomy and was relegated to a position of servitude to a church rather than as a dynamic free son of God. As a result, the Good News as Jesus conceived it has to a large extent been submerged under so much dogma. Christianity today languishes for lack of a new vision of Jesus life and the religion that he practiced. Modern man will refuse to accept a religion which is inconsistent with known facts and out of harmony with his highest conceptions of truth, beauty, and goodness. He will not acquiesce to a religion based on supers-titious bondage and religious fear. Therefore, what is needed is a new revelation of Jesus life illuminated with a new understanding of his Good News of eternal salvation. The purpose of this book is to reintroduce Jesus to mankind. The world needs new leaders, spiritual men and women who will dare to depend solely on Jesus and his incomparable teachings. Until then, worldwide harmony will continue to be the illusive dream of a hopeful minority instead of the tangible reality of a God-knowing human race. And when this Good News is preached in all the inhabited earth, the end of wickedness, sorrow, distress, and anguish will come. (Matthew 24:14)

*He Calls Me Friend* AuthorHouse

What are the true kingdom principles that Jesus Christ taught? Why are so many churches failing our communities and the world? If you are searching for the answer to these questions, this book has them. Many churches have abandoned the true principles of the Kingdom. So many religious leaders today have become lovers of money, the world and of themselves, rather than of the people that they are supposed to be helping. Because of this, people have lost faith in the Church. This book was written to address and to correct those issues. It teaches the true principles of the Kingdom of God, while exposing the error, ignorance, and many false teachings of the Church. It reveals the truth about what the Lord's will is concerning his true Church and your life. This book highlights many issues that

the Church has created by not teaching the truth to the people, while giving you the keys to living a full and blessed life. God's Kingdom Principles are what the world needs—not more scandals, not more church politics, not more organizations, and certainly not more traditions. God knows what He's doing. So if you apply His principles to your life, they will work. And He will show you exactly what Kingdom Living is all about. It doesn't matter if you worship God in a building or in your home. What matters is what He sees when He looks into your heart! And that is what this book is designed to do: change your heart! But it will also change your life. For you shall know the truth and the truth will set you free.

*Tithing to Giving to Kingdom Living*  
Practical Christianity Foundation

This volume provides a study of the current UK nuclear program and related issues that reflect the complexity of the Trident weapons system and the changing nature of deterrence. Presenting the political, cultural, technical, and strategic aspects of Trident it provides a thoughtful overview of the UK's complex relationship with nuclear weapons.

Kingdom Family NavPress

Dr. James Brewton has described in detail here a process or progression in spiritual maturity, from salvation to discipleship to leadership. Anyone who has ever served on a sports team, a corporate team, or in the military, knows that teamwork requires discipline, focused effort, humility, honor, respect for authority and character development. It is no different in living life as a Christian. It's time to become the army of God and the bride of Christ, not just the body of Christ. Make yourself ready Church. You are God's answer and solution and wisdom to the world's woes. It's time to shine even brighter as the darkness increases. It's not too late Church! Both the world and the Kingdom of God need and deserve your best. Jesus set the example, and modeled transformation for us. He purchased our freedom and redemption and victory and inheritance with His own blood, and His own life. He gave His best; we can do no less. The Church is God's only plan for the earth; there is no Plan B. We have everything we need to get the job done, so it's time to stop making excuses and feeling sorry for ourselves. As warriors and championship-winning teams know, the best defense is a good offense. It's time the Church plays offense again.

A Brief Political and Geographic History of Asia (Where Are Saigon, Kampuchea, and Burma?) WestBow Press

And Jesus said unto them, I am the bread of life: he that cometh to me shall never hunger; and he that believeth on me shall never thirst. —John 6:35 Have you ever wished you had a recipe for the Christian life you could whip up with results pleasing to God? You know, one of those “step one ... step two ... now add to ...” recipes? Well, there is! The Lord has, through the apostle Peter in his letters to the church, given to each person a step-by-step recipe; He even supplies the key ingredients. Jesus offers you the Bread of Life and the gift of faith to receive it. That gift of salvation and faith starts you off on the right track and keeps you there if you remember to stir it (2 Tim. 1:6). In *He Calls Me Friend*, I draw on the custom of offering friendship bread to new neighbors to explain the spiritual truths found in 2 Peter 1. Just as in the physical recipe of friendship bread, the starter—a key ingredient supplied by the potential friend—is vital; you cannot go any further without it. The apostle Peter outlines three things Jesus gives to each new Christian: grace, faith, and precious promises. These make up the starter for the spiritual recipe. Peter encourages you the believer to add to this virtue, knowledge, temperance, patience, godliness, brotherly kindness, and last but not least, charity. These seven ingredients make up the rest of the recipe. New believers will benefit from this step-by-step outline of what being a true friend of Christ involves. The book will also encourage women of any age group who are established in the faith to grow spiritually stronger. Following the recipe with care, they will be able to not only serve the sweet bread of heaven in their own home but have enough to share with neighbors they meet along the way. Does Torture Prevention Work? Lulu.com

Saigon, Kampuchea, and Burma. These names of places in Asia are like many that once existed but now officially do not. As the times have changed, so have the names, but many of the old labels still live on. To forget them would be to forget the people and events that made those places what they are today. Readers will find accounts of one city, three countries, and four empires. Unfortunately, much of the history of these places is extremely bloody. Stories of wars, mass killings, executions, and uprisings fill these pages. However, readers will also find tales of people who stood tall in the middle of all that chaos, destruction, and horror. They may not have always won their battles, but with great courage, they always held out hope for a better future.

**The Good Soldier** Prometheus Books

This important book poses a challenging

question: what are the aims of mission and are they being achieved through Fresh Expressions? A range of contributors argue that mission is equally about social transformation or, in biblical terms, building the kingdom of God, as well as building the church.

**The Church at Home and Abroad**

WestBow Press

*The Good Soldier: Running on the Road of Hope* is the life story of author Elie Hasbani. Born in Lebanon, Elie, as the firstborn son, held a position of privilege and entitlement, dictated by the cultural tradition within which he was raised. He could do no wrong from his family's perspective and was given anything he wanted. With the position of first son, however, also came responsibilities and expectations that Elie found difficult to fulfill. He wanted the privileges, but not always the responsibilities; and so, he began at a young age to run, not away, but through the questions with which he continually wrestled. Elie's protected world was turned upside down when war broke out in Lebanon. As a young man, he stepped in to defend his beloved Lebanon and became embroiled in the twists and turns of a complicated political and military situation. Within this chaos, God began to work in Elie's life to answer some of the questions that plagued him; through what most would view as a tragic event, God would change Elie's life forever.

*The Tangible Kingdom* Church House Publishing

Repentance. From Jesus's own adoption of repentance at his baptism and the opening word of his preaching, the theme winds its way through his ministry and into our lives. We see Peter, the exemplar of repentance, and the unfortunate Judas, caught up in remorse. We look at sins both personal and collective, and at God forgiving and healing. Above all we see Jesus taking on the sin of the whole world and bringing the kingdom of God so very close, this kingdom of love which brings us to our knees in adoration. This book tellingly brings home the wonderful, humble love of God to be found in Jesus. *Official Journal* Xlibris Corporation

For four decades, the Rev. Dr. Jonathan R. Wilson has cultivated an imagination for “kingdom realism” as a pastor, teacher, theologian, and friend. To celebrate his seventieth birthday, Kingdom Come has gathered reflections from fellow theologians, popular authors, poets, and practitioners to mark both the range of Wilson's influence on the Christian church and the consistency of his prayer and work for God's kingdom to come here on earth as it is in heaven.

The Good News of the Kingdom for a Modern World Destiny Image Publishers  
Written for those who are trying to nurture authentic faith communities and for those who have struggled to retain their faith, *The Tangible Kingdom* offers theological answers and real-life stories that demonstrate how the best ancient church practices can re-emerge in today's culture, through any church of any size. In this remarkable book, Hugh Halter and Matt Smay "two missional leaders and church planters" outline an innovative model for creating thriving grass-roots faith communities.

**Luke: Jesus Christ, Savior for the Nations** Rowman & Littlefield

The chasm between evangelism and social action needs to be bridged. Chester convincingly argues that the truth of the gospel is best understood and embraced in the context of loving action and gospel-centered community.

*The United Kingdom and the Future of Nuclear Weapons* Liverpool University Press

The first systematic analysis of the effectiveness of torture prevention.

**Fresh Expressions of Church and the Kingdom of God** Mitchell Lane Publishers, Inc.

More kids are dying right now in obedience to the Jehovah's Witness ban on blood transfusions than perished in the fire at Waco, Texas, says former Witness elder David A. Reed. How can a major sect with headquarters in New York City and twelve million attending its religious services

worldwide quietly lead victims to early deaths without public outcry? Reed cites dozens of well-documented cases and media reports naming victims, doctors, and hospitals issuing their death certificates as he blows the whistle on a deadly cult that secretly instructs members to kidnap children from hospital beds and teaches children to resist doctors violently and give false testimony in court. This former minister, now widely recognized as an authority on the sect, explains his own role in bringing new members under mind control. With captivating anecdotes he details an enforcement apparatus that reaches even into clinics and hospitals. He brings to light secret instructions for hospital employees to turn over confidential patient records to the church, and tells how the hierarchy conducts bedside trials of members who accept forbidden medical treatment. Reed joined the sect as a naive young adult and rose through the ranks until he learned how the secretive leadership operated. Realizing that his friends were dying for beliefs supposedly channeled from God, but actually fabricated by the church hierarchy. After leaving the sect, he spent years researching its history and activities resulting in evidence revealed here for the first time. Reed's warning cannot be ignored. For anyone with a family member involved with Jehovah's Witnesses, this book is a vital resource. It will also provide some fun questions to ask the local Watchtower salesman next time he appears on the doorstep. -Atheist Coalition One of the most lucid exposures

of a religious sect I have ever read. . .the equivalent of a years worth of '60 Minutes' programs. Reed and the publisher deserve the thanks of millions of Americans for exposing the dangers of a multi-billion dollar book distributing sect. Truly an amazing study. One of the finest works ever published in this genre. . . . Must reading for health care professionals along with teachers, clergy, psychologists, and media professionals. This text gets my strongest, my very highest recommendation. -

The King's Highway Whitaker House

There is a lot of talk these days about how churches need to become more "missional" and "Kingdom-focused"--but what about the families that make up our churches and often reflect the surrounding culture more than the Kingdom of God? Christian families know that God has a better purpose for marriage and family but often don't have the slightest idea how to get there. And while many books on Christian marriage and family are inwardly focused on simply getting along "better," this book addresses the cultural influences that have taken our focus away from God's intended purpose for marriage and family and, through analysis and practical suggestions, recalls marriages and families to the purpose for which God intended them in the first place--namely, to serve God's Kingdom as witnesses to a world desperately seeking deeper purpose and authenticity.
