Tuttle Publishing

Did you ever want to teach your kids the basics of Japanese Hiragana ? Learning Japanese Hiragana can be fun with this picture book. In this book you will find the following features: Japanese Hiragana Alphabets Japanese Hiragana Words English Translations

Let's Learn Katakana Tuttle Publishing

My First Japanese Kanji Book is an inventive and unique introduction to kanji for children. Written by the mother-daughter team of Eriko and Anna Sato, this lovely book introduces 109 kanji characters to children with poems and illustrations. It includes all the Japanese Government-specified first grade level kanji characters and a sprinkling of simple second to sixth grade characters. The kanji are introduced in the context of 36 colorful paintings and poems by 14-year-old Anna Sato, herself a kanji learner. Each of the poems is presented in both Japanese and English, and all kanji are accompanied by furigana (small hiragana letters), stroke-order diagrams,

sample vocabulary and boxes for writing practice. A charming and educational volume, My First Japanese Kanji Book can be used as a self-study text, a supplementary material in Japanese language schools or a gift book for family or friends. An MP3 audio CD reinforces learning and ensures correct pronunciation.

My First Japanese Kanji Book McGraw-Hill Education

A fun and helpful resource for anyone interested in learning some Japanese—whether you're 5 or 100! This picture dictionary covers the 1,500 most useful Japanese words and phrases. Each word and sentence is given in Japanese script—with a Romanized version to help you pronounce it correctly—along with the English meaning. The words are grouped into 40 different themes or topics, including basics like meeting someone new and using public transportation to culture-specific topics like celebrating Japanese holidays and eating Japanese food. This colorful picture dictionary includes: Hundreds of color photographs 1,500 Japanese words and phrases 40 different topics—from social media and WiFi to paying and counting Example sentences showing

how the words are used Companion online audio recordings by native Japanese speakers of all the vocabulary and sentences An introduction to Japanese pronunciation and grammar An index to allow you to quickly look up words Japanese Picture Dictionary makes language learning more fun than traditional phrasebooks. This resource is perfect for beginners of all ages—curious kids, visual learners and future travelers to Japan.

*The Giving Tree* Chronicle Books

In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, ant biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives, select our leaders, run our companies, and think about our world.

The Little Barbarian Lonely Planet

From the Booker Prize-winning author of *The Remains of the Day* and *When We Were Orphans*, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingly tender and morally courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little

contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it's only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. *Never Let Me Go* breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date.

An Open Book: What and How Young Children Learn From Picture and Story Books Tuttle Publishing

An ideal selection of first word books for parents and teachers who want to encourage second language acquisition.

*All About Japan* Anchor

Looking at and listening to picture and story books is a ubiquitous activity, frequently enjoyed by many young

children and their parents. Well before children can read for themselves they are able to learn from books. Looking at and listening to books increases children's general knowledge, understanding about the world and promotes language acquisition. This collection of papers demonstrates the breadth of information pre-reading children learn from books and increases our understanding of the social and cognitive mechanisms that support this learning. Our hope is that this Research Topic/eBook will be useful for researchers as well as educational practitioners and parents who are interested in optimizing children's learning.

*Let's Learn Japanese: First Words for Everyone (Learn Japanese for Kids, Learn Japanese for Adults, Japanese Learning Books)* McGraw-Hill Education

learn basic words and concepts. Handy Japanese language collection pairs words and characters with whimsical illustrations. Accessible and educational Japanese language primer Easy to carry travel companion language book Books for kids ages 4-8

*Fluent in 3 Months* Anchor

There are three types of Japanese script--katakana, hiragana, and kanji. It is possible to read Japanese knowing only a limited number of kanji, but it is not possible with only a limited number of katakana or hiragana--one must know all of them. Let's Learn Katakana, and its companion volume Let's Learn Hiragana, is a textbook that introduces the learner to the basics of one of these fundamental Japanese scripts. Being a workbook, it contains all the exercises that allow the student to master katakana by the time the book has been finished. Let's Learn Katakana is a classic in the field, and the huge number of students that have used it successfully is a sign of its preeminence as a self-study guide.

*Let's Learn Japanese Ebook* Chronicle Books

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, Fluent In 3 Months. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

A Little Life McGraw-Hill Education

A great story can lead a reader on a journey of discovery--especially if it's presented in two languages! Beautifully illustrated in a traditional style, Japanese Stories for Language Learners offers five compelling stories with English and Japanese language versions appearing on facing pages. Taking learners on an exciting cultural and linguistic journey, each story is followed by detailed translator's notes, Japanese vocabulary lists, and grammar points along with a set of discussion questions and exercises. The first two stories are very famous traditional Japanese folktales: Urashima Taro (Tale of a Fisherman) and Yuki Onna (The Snow Woman). These are followed by three short stories by notable 20th century authors: Kumo no Ito (The Spider's Thread) by Akutagawa Ryunosuke (1892-1927) Oborekaketa Kyodai (The Siblings Who Almost Drowned) by Arishima Takeo (1878-1923) Serohiki no Goshu (Gauche the Cellist) by Miyazawa Kenji (1896-1933) Reading these stories in the original Japanese script--and hearing native-speakers read them aloud in the accompanying free audio recording--helps students at every level deepen their comprehension of the beauty and subtlety of the Japanese language. Learn Japanese the fun way--through the country's rich literary history.
