This annual helps to guide children in schools and religious education in a daily service of communal prayer that follows the pattern of the Church's Morning Prayer. Scripture readings from the evangelist for the year have been selected to help children become familiar with important Scripture stories and themes. In addition there are prayers for before meals and at the end of the day, as well as prayer services for the liturgical seasons and special feasts, and reproducible prayer services for children to take home to their families to celebrate occasions when they are not in school.

What is there to see in Glacier National Park after the sun goes down? As writer and photographer John Ashley reveals in his newest book, some of Glacier's most awe-inspiring sights are found high above the mountaintops. Readers will marvel at Ashley's spectacular color photographs of favorite Glacier landmarks such as Chief Mountain and St. Mary Lake lit by the Milky Way, northern lights, and a universe of wonders. These

images complement Ashley's text, which includes clear explanations of astronomical phenomena, traditional Blackfoot stories, Glacier National Park geology and history, and entertaining tales of his own run-ins with curious critters and park rangers. Ashley rallies readers to combat light pollution, a problem that has begun to erode the ancient beauty of one of the last truly dark places in the country.

The Soviet Union is a multinational state, with about half of the country's population being ethnically Russian. The advent of glasnost, and moves toward democratization and decentralization has unleashed the expression of national sentiments and interests in the USSR. This collection of Soviet materials surveys the many ramifications of the "nationality question" in the USSR in the 1980s. The topics covered include ideology, state organization, party recruitment, inter-republican economic relations, demographic factors, education, bilingualism, cultural institutions, religious traditions, military service, and disputes over republican prerogatives (in the Baltic) and over territory (the case of Nagorno-Karabakh). Each topical section includes a detailed introduction by the editor. This anthology provides coverage of the past decade, up to and including the current unrest and the impact of the Gorbachev reforms.

Click flashlights, light lanterns, and get ready to turn electric lights out to celebrate Earth Hour! Wherever you are, you can help our planet. Kids around the world use electric energy to do all kinds of things--adults do, too! From cleaning the clothes we play in, to lighting up our dinner tables, to keeping us warm and toasty when the weather is cold, electricity is a huge part of our lives. Unfortunately, it can also have a big impact on our planet. Earth Hour--a worldwide movement in support of energy conservation and sustainability--takes place each March and is sponsored by the World Wildlife Fund for Nature (WWF). During Earth Hour, individuals, communities, and businesses in more than 7,000 cities turn off nonessential electric lights for one hour. Across each continent--from the Eiffel Tower to the Great Wall of China to the Statue of Liberty--one small act reminds all of us of our enormous impact on planet Earth.

Joseph M. Marshall's thoughtful, illuminating account of how the spiritual beliefs of the Lakota people can help us all lead more meaningful, ethical lives. Rich with storytelling, history, and folklore, *The Lakota Way* expresses the heart of Native American philosophy and reveals the path to a fulfilling and meaningful life. Joseph Marshall is a member of the Sicunga Lakota Sioux and has dedicated his entire life to the wisdom he learned from his elders. Here he focuses on the twelve core qualities that are crucial to the Lakota way of life--bravery, fortitude, generosity, wisdom, respect, honor, perseverance, love, humility, sacrifice, truth, and compassion. Whether teaching a lesson on respect imparted by the mythical Deer Woman or the humility embodied by the legendary Lakota leader Crazy Horse, *The Lakota Way* offers a fresh outlook on spirituality and ethical living.

“The narrative is fast paced, bursting with action, and obviously

based on an intimate grasp of the region, its peoples, their tradition and age-old ways of life.”—John Barkham Reviews Leon Uris returns to the land of his acclaimed best-seller Exodus for an epic story of hate and love, vengeance and forgiveness and forgiveness. The Middle East is the powerful setting for this sweeping tale of a land where revenge is sacred and hatred noble. Where an Arab ruler tries to save his people from destruction but cannot save them from themselves. When violence spreads like a plague across the lands of Palestine—this is the time of The Haj.

Built by James Everell Henry, the East Branch & Lincoln Railroad (EB&L) is considered to be the grandest and largest logging railroad operation ever built in New England. In 1892, the mountain town of Lincoln, New Hampshire, was transformed from a struggling wilderness enclave to a thriving mill town when Henry moved his logging operation from Zealand. He built houses, a company store, sawmills, and a railroad into the East Branch of the Pemigewasset River watershed to harvest virgin spruce. Despite the departure of the last EB&L log train from Lincoln Woods by 1948, the industry’s cut-and-run practices forever changed the future of land conservation in the region, prompting legislation like the Weeks Act of 1911 and the Wilderness Act of 1964. Today, nearly every trail in the Pemigewasset Wilderness follows or utilizes portions of the old EB&L Railroad bed.

This is a reprint of the original Dick and Jane book published in 1930 as one of the Elson-Gray Readers. This book was published by William H. Elson (1856-1935) and William S. Gray (1885-1960). It was a revised version of the series of Elson Readers that were being published by 1909. Before the Elston Readers there were the McGuffey Readers starting in 1881. The McGuffey Readers showed a picture of a cat chasing a rat with the sentence "The Cat and the Rat Ran." These readers were used universally in schools for 40 years. The Elston Readers starting in 1909 had more of a story line and avoided unpleasant but realistic pictures of cats eating rats. It had a short list of repeatable words. This was a series of readers with different stories for different grade levels. Dick and Jane were just two of the characters but they were the ones who seemed to catch on. However, other stories

became famous such as "The Little Engine that Could."

One of the world's first tree-top scientists, Meg Lowman is both a pioneer in her field - she invented one of the first treetop walkways - and a tireless advocate for the planet. In a voice as infectious in its enthusiasm as in its practical optimism, *The Arbornaut* chronicles her irresistible story. From climbing solo hundreds of feet into Australia's rainforests to measuring tree growth in the northeastern United States, from searching the redwoods of the Pacific coast for new life to studying leaf-eaters in Scotland's Highlands, from a bioblitz in Malaysia to conservation planning in India to collaborating with priests in Ethiopia's last forests, Lowman launches us into the life and work of a scientist and ecologist. She also offers hope, specific plans and recommendations for action; despite devastation across the world, we can still make an immediate and lasting impact against climate change.

Learn how to sit, stay, and roll over with this fully illustrated, "delightful" guide to yoga starring man's best friend (*Shutterbug* magazine). Inspired by a friend's mastiff who would imitate his master's morning yoga routine, photographer Dan Borris created

Yoga Dogs, a full-color collection of forty-five different dogs and puppies doing human yoga poses. Don't worry: No animals were harmed during the making of these images; their extreme flexibility is the result of clever digital trickery. The curious, humorous, and distinctly original pictures are paired with useful

information about the poses, as well as some funny canine meditations. "A fresh and highly entertaining visual treat," Yoga Dogs is perfect for any yogi of the two or four-legged variety (Shutterbug magazine).
