Sulla collina delle iene. Storie prima della storia Touring Editore
From the creator of the all-time classic VERY HUNGRY CATERPILLAR comes a sweetly resonant story about the power of friendship--now available for little hands When a best friend moves away, it can be painful for the child who is left behind. But the spunky boy in this upbeat story makes up his mind to find his missing playmate. Friends tells a story alive with love and perseverance, brightened with vibrant art and Eric Carle's trademark fostering of imagination. Praise for Friends: "This story of love and determination is illustrated with Carle's extraordinary signature artwork. For anyone who would cross rivers and scale mountains for a beloved friend, this warmhearted story will create an emotional response. Young readers will learn the value of friendship and its many challenges." --School Library Journal "Often dynamic and quite beautiful . . . A picture-book tribute to the strength of childhood friendships." --Booklist

"A sunny, smart, tongue-in-cheek tale." --The New York Times Book Review "Sweet and affirming." --Kirkus Reviews When the local Pet Club won't admit a boy's tiny pet elephant, he finds a solution--one that involves all kinds of unusual animals in this sweet and adorable picture book. Today is Pet Club day. There will be cats and dogs and fish, but strictly no elephants are allowed. The Pet Club doesn't understand that pets come in all shapes and sizes, just like friends. Now it is time for a boy and his tiny pet elephant to show them what it means to be a true friend. Imaginative and lyrical, this sweet story captures the magic of friendship and the joy of having a pet.

The Storm Whale in Winter Simon and Schuster

A wordless picture book that shows a little girl's first experiences at the beach, as she goes from being afraid of the roaring waves to playing on the shore while gulls soar overhead.

A fascinating discovery, Kawabata's unfinished final novel Dandelions is a great master's last word A fascinating discovery, Dandelions is Kawabata's final novel, left incomplete when he committed suicide in 1972. Beautifully spare and deeply strange, Dandelions explores love and madness and consists almost entirely conversations between a woman identified only as Ineko's mother, and Kuno, a young man who loves Ineko and wants to marry her. The two have left Ineko at the Ikuta Clinic, a mental hospital, which she has entered for treatment of somagnosia, a condition that might be called "seizures of body blindness." Although her vision as a whole is unaffected, she periodically becomes unable to see her lover Kuno. Whether this condition actually constitutes madness is a topic of heated discussion between Kuno and Ineko's mother: Kuno believes Ineko's blindness is actually an expression of her love for him, as it is only he, the beloved, she cannot see. In this tantalizing book, Kawabata explores the incommunicability of desire and carries the art of the novel, where he always suggested more than he

stated, into mysterious and strange new realms. Dandelions is the final word of a truly great master, the first Japanese winner of the Nobel Prize.

Little Goose's Autumn is a second stunning story from an exciting picture book pairing and the uplifting tale of a lively young goose finding her place in the world. As summer fades to autumn, a lively young goose feels a change in the air and senses she has something important to do - but what? The beavers are chopping wood, the squirrels are storing nuts in the ground and the bears are busy building a den. The plucky little goose tries to join in, but without great success. She realizes her wings weren't built for chopping wood, or burying food, or building a den, but they were built for something magnificent - they were built for flight . . . A beautiful, lyrical and hopeful story about finding your wings and your place in the world. Written by star picture book author, Elli Woollard with wonderful illustrations by rising talent, Briony May Smith, whose artwork brings an autumnal landscape of mountains and forests to life with truly breathtaking beauty.

The Kamishibai man used to ride his bicycle into town where he would tell stories to the children and sell them candy, but gradually, fewer and fewer children came running at the sound of his clappers. They were all watching their new televisions instead. Finally, only one boy remained, and he had no money for candy. Years later, the Kamishibai man and his wife made another batch of candy, and he pedaled into town to tell one more story--his own. When he comes out of the reverie of his memories, he looks around to see he is surrounded by familiar faces--the children he used to entertain have returned, all grown up and more eager than ever to listen to his delightful tales. Using two very different yet remarkable styles of art, Allen Say tells a tale within a tale, transporting readers seamlessly to the Japan of his memories.

Ci troviamo immersi nel cuore del Mediterraneo in luoghi alla portata di tutti, lungo un percorso fatto a più riprese nel corso di cinque anni, da un velista-viaggiatore che un giorno decide di lasciare il proprio ormeggio che occupava da anni, per fare prua verso est regalandosi il tempo necessario per conoscere e assaporare appieno il fascino unico del Mediterraneo. «La decisione di lasciare un porto simpatico e sicuro della Liguria e di vagabondare per il Mediterraneo si è rivelata una scelta vincente, che ha rinvigorito la mia passione per la barca a vela. Anche perché sono convinto che il Mediterraneo è il più bel mare del mondo, un mare che non finisce mai di stupire.» Il libro non ha l'obiettivo di essere una guida nautica, bensì traccia svariate rotte interessanti, soprattutto tra le isole della Grecia e della Turchia, che sono descritte attraverso l'occhio curioso e indagatore di un giornalista-viaggiatore che ama farsi raccontare i posti da persone native del luogo e dai personaggi che popolano il mare, figure spesso atipiche, che attraverso il loro passato spiegano il loro presente e le loro aspettative. Il solitario Alain Capon, i vagabondi Jackie e David, lo scultore Skevos Vrontos, il padre dei marina turchi Hasan Kacmaz sono solo alcuni dei personaggi che animano le pagine di questo libro. «L'aspetto di gran lunga più importante di questo modo di andar per mare, al di là di immergersi nella bellezza e nelle peculiarità dei luoghi, al di là del piacere di navigare, è però un altro. Si tratta del sentirsi più aperti al rapporto con gli altri, di una particolare predisposizione ad incontrare persone con le quali vivere brevi ma intensi rapporti umani.» L'autore ci porta anche a conoscere i luoghi al di là del porto e del suo lungomare per inoltrarsi nel suo entroterra, salire su colline e montagne e godersi lo spettacolo dall'alto attraverso stupendi itinerari naturalistici. Lo spirito di questo velista curioso trova piena realizzazione anche in un importante apparato fotografico di 72 pagine, che traducono in colori e immagini i personaggi incontrati e i luoghi visitati. Questa non è un'impresa, ma semplicemente un gran bel viaggio per mare, che ha regalato momenti ed emozioni indimenticabili

all'autore e al suo equipaggio.

From Benji Davies, the award-winning creator of The Storm Whale and illustrator of the Goodnight Already! series, comes a heartwarming and tender tale about courage and growth, featuring a special tadpole named Tad. Tad is small. In fact, she is the smallest almost-a-frog in the whole, wide pond. That makes it hard for her to do big things like follow her tadsiblings who swim to other parts of the pond when they outgrow the nest. As her tadbrothers and tadsisters swim up, up, up, they leave poor Tad by her lonesome. That's until...Big Blub shows up! He's not only bigger than Tad, but Big Blub isn't exactly what a tadpole would consider friendly. Swimming at her own pace, Tad soon learns how to be bigger than her fears. Benji Davies creates a memorable and timeless tale that proves sometimes the mightiest creature comes in the smallest package.

"A joyous spirit pervades this picture book and its fallible yet lovable protagonist." — Booklist (starred review) "I win! I'm the best!" Dog boasts. He can run faster than Mole, dig better than Goose, swim faster than Donkey, and he's much bigger than Ladybug. He wins! Unfortunately, Dog's nonstop bragging is starting to make his friends feel kind of sad. But what if they mixed things up and looked at them differently? Could they teach Dog a lesson — and remind him of what it means to be a best friend?
