**Pink Floyd - Acoustic Guitar Collection** 1st Impression Publishing  
Beyond its elucidation and critique of traditional 'notation-centric' musicology, this book's primary emphasis is on the negotiation and construction of meaning within the extended musical multimedia works of the classic British group Pink Floyd. Encompassing the concept albums that the group released from 1973 to 1983, during Roger Waters' final period with the band, chapters are devoted to *Dark Side of the Moon* (1973), *Wish You Were Here* (1975), *Animals* (1977), *The Wall* (1979) and *The Final Cut* (1983), along with Waters' third solo album *Amused to Death* (1993). This book's analysis of album covers, lyrics, music and film makes use of techniques of literary and film criticism, while employing the combined lenses of musical hermeneutics and discourse analysis, so as to illustrate how sonic and musical information contribute to listeners' interpretations of the discerning messages of these monumental musical artifacts. Ultimately, it demonstrates how their words, sounds, and images work together in order to communicate one fundamental concern, which—to paraphrase the music journalist Karl Dallas—is to affirm human values against everything in life that should conspire against them.

*Pink Floyd's The Wall* Hal Leonard Corporation  
(Music Sales America). Matching piano/vocal/guitar songbook to the blockbuster album. Songs include: Another Brick in the Wall \* Don't Leave Me Now \* Comfortably Numb \* Goodbye Cruel World \* Is Anybody Out There \* and more.

**Pink Floyd** Hal Leonard Corporation  
Pink Floyd's extraordinary career has now spanned four decades, from their early days pushing the cutting edge of British psychedelic pop to their massive successes with moody, conceptual masterpieces like *Dark Side of the Moon*, *Wish You Were Here* and *The Wall*, to their acrimonious split with Roger Waters and finally, the immense stadium tours that followed. Throughout, Pink Floyd has influenced everyone from David Bowie to Nine Inch Nails to Radiohead, and their albums continue to have timeless appeal. Now, premier interview journalist Alan di Perna and the editors of *Guitar World* have collected penetrating interviews and insights into Roger Waters, David Gilmour, Nick Mason, and Rick Wright to create a vivid portrait of a notoriously reclusive band.

**Reinventing Pink Floyd** Alfred Publishing Company  
(Fake Book). This super collection gathers 100 Beatles classics for beginners to play. The arrangements are in the key of C, and the engravings are all new and larger than most fake book notation. Includes the chart-topper *Another Brick in the Wall (Part 2)* and the concert favorite *Comfortably Numb*.

**Comfortably Numb** Avon Books  
In celebration of the 45th anniversary of *The Dark Side of the Moon*, Bill Kopp explores the ingenuity with which Pink Floyd rebranded itself following the 1968 departure of Syd Barrett. Not only did the band survive Barrett's departure, but it went on to release landmark albums that continue to influence generations of musicians and fans. Reinventing Pink Floyd follows the path taken by the remaining band members to establish a musical identity, develop a songwriting style, and create a new template for the manner in which albums are made and even enjoyed by listeners. As veteran music journalist Bill Kopp illustrates, that path was filled with failed experiments, creative blind alleys, one-off musical excursions, abortive collaborations, general restlessness, and—most importantly—a dedicated search for a distinctive musical personality. This exciting guide to the works of 1968 through 1973 highlights key innovations and musical breakthroughs of lasting influence. Kopp places Pink Floyd in its historical, cultural, and musical contexts while celebrating the test of fire that took the band from the brink of demise to enduring superstardom.

**Pink Floyd Songbook** Warner Bros Publications  
Photographs combine with the lyrics of songs by the rock and roll band, Pink Floyd, to vividly portray the alienation and disillusionment of a young boy  
*Pink Floyd: In the Flesh* Hal Leonard Corporation

**Pink Floyd the Wall** Hal Leonard Corporation  
DIVWith a music career spanning nearly half a century, Pink Floyd is one of the most successful rock bands in history. With more than 250 million album sales to their credit, the band remains hugely popular worldwide. Both Rolling Stone and VH1 have named Floyd one of "The 100 Greatest Artists of All Time," and they continue to attract new legions of fans every single year. They were inducted in the Rock and Roll Hall of Fame in 1996 and the UK Music Hall of Fame in 2005. Their 2011 "immersion" box sets for their classic *Dark Side of the Moon* and *Wish You Were Here* albums were met with unanimous critical acclaim and prolific press. *The Wall Live* concert tour featuring Roger Waters was the second highest grossing concert tour in North America in 2010 (over \$89.5 million dollars) and the sixth highest in the world. /divDIVIn this, the first complete illustrated history of Pink Floyd from 1965 through today, author and journalist Hugh Fielder gets "behind the wall" and recounts the band's entire history, analyzes their recordings, and provides a complete discography. Readers will discover stories behind the band's formation, recordings, and tours, as well as the bitter disputes, both public and private. Complemented with more than 250 images, including live performance and candid off-stage photographs, as well as rare memorabilia like gig posters, concert tees, picture sleeves, backstage passes, buttons, and ticket stubs, this is the book that every Floyd fan will want on their shelf. /div *Pink Floyd - Acoustic Guitar Collection* Hal Leonard Corporation  
(Guitar Recorded Versions). Shred your axe and trash your big

hair through the air with this jam-packed collection of metal faves in note-for-note guitar transcriptions with tab. Songs include: Ace of Spades \* Bark at the Moon \* Breaking the Law \* Crazy Train \* Dying in Your Arms \* Enter Sandman \* Hail to the King \* Iron Man \* Master of Puppets \* No More Tears \* Painkiller \* Redneck \* Symphony of Destruction \* Toxicity \* War Pigs (Interpolating Luke's Wall) \* Your Betrayal \* and more.

*The Beatles Complete Chord Songbook* Hal Leonard Publishing Corporation  
*Comfortably Numb-A History of 'The Wall': Pink Floyd 1978-1981* is an inside look at one of the most unusual rock and roll stories of all time. *The Wall* is the tale of a rock star, Pink, and his battle to cope in a world filled with tragedy and hardship. Unable to deal with reality, Pink isolates himself by creating a psychological wall between himself and the world that has caused him so much pain. But even Pink cannot escape from the forces that surround him. He is forced to confront his fears and tear down his wall. *The Wall* is certainly one of the most intriguing rock concept pieces ever written. Conceived by Roger Waters, and released as an album in 1979 by Pink Floyd, *The Wall* is the best selling double album of all time. It also spawned the number 1 single, "Another Brick in the Wall, part 2." But *The Wall* became more than a best selling album. It was developed into an elaborate stage presentation which, in 1980 and 1981, thrilled audiences by combining superb musical performances by Pink Floyd with a theatrical presentation that featured giant puppets, animation, and a giant wall across the stage. Pink's story amazed audiences who witnessed first hand the building of the wall, Pink's isolation behind the wall, and, at the end of the show, the destruction of the wall as it crumbled before their very eyes. *The Wall* stage shows have become legendary, and to this day remain one of the most amazing stage spectacles ever presented by a rock band. Every aspect of *The Wall* is examined in this book in detail, including *The Wall* story, its recording history, the Pink Floyd album, the development of the stage show, insights into how it was staged, and a look back at every single performance of *The Wall* throughout the world. To compliment the text, this book is lavishly illustrated with over 400 pictures from the *Wall* era, including numerous rare and previously unpublished photos from the personal collections of the people who were involved in creating *The Wall* album and stage shows, as well as hundreds of pieces of *Wall* memorabilia from the Pink Floyd Archives collection. No other book has covered the inside details of rock's conceptual masterpiece, both in story and pictures, in the way that this book does. Fans of Pink Floyd, contemporary music, and rock & roll theater will find this a truly unique and fascinating book.

**Pink Floyd: Deluxe Guitar Play-Along** Hal Leonard Corporation  
Pink Floyd's *The Wall* is one of the most iconic and imaginative albums in the history of rock music, spawning one of the most ambitious stage show productions ever conceived, and a film that instantly became a cult classic. All three were created in close collaboration with renowned cartoonist and illustrator Gerald Scarfe. Here, for the first time, Scarfe shares his experiences with the band and reveals the inside story behind *The Wall*'s development in the studio, on the stage, in front of the camera, and for the 2010 tour. Beautifully illustrated, *The Making of Pink Floyd: The Wall* contains hundreds of unseen photos as well as exclusive interviews with Roger Waters, David Gilmour, Nick Mason, and more. The result is a book Waters calls "brilliant" and "absolutely amazing."

**Quicklet on The Best Pink Floyd Songs: Lyrics and Analysis** Race Point Publishing

ABOUT THE BOOK Pink Floyd's progressive and psychedelic rock sound, most famously featured on concept albums like *The Dark Side of the Moon*, *Wish You Were Here* and *The Wall*, have given them astounding critical and commercial success. When lead songwriter Syd Barrett succumbed to drugs and mental illness and left the band, the subsequent power struggle between artistically controlling frontman Roger Waters and guitarist David Gilmour led to one of the most famous feuds in rock-n-roll history. The band was originally composed of Roger Waters (bass), Nick Mason (drums) and Richard Wright (piano/keyboard), who all met while studying at Regent Street Polytechnic in London. 17-year-

old Roger Syd Barrett, a childhood friend of Waters, joined the group in 1964. Barrett named the group Pink Floyd by combining the names of two blues musicians, Pink Anderson and Floyd Council. MEET THE AUTHOR Sarah Bruhns graduated from San Francisco State University with a degree in Creative Writing. She is a long-time volunteer at 826 Valencia, where she designed a comic book creation class, a magical realism workshop, and lessons for the English Language Learners Summer Series. Her favorite activities include hiking around the city, uncovering new eating experiences, and cooking with wine. She can be found at Borderlands Cafe in San Francisco, drinking way too much coffee. EXCERPT FROM THE BOOK *The Wall* is a sprawling rock opera that explores abandonment, conformity, isolation and emotional numbness. The album's lyrics are cyclical as a reflection of

inevitability a sentence (Isn't this where ) begins at the very end of the album, and is finished (we came in?) at the very beginning. The story is arranged around a character named Pink, who loses his father in war, is tormented at school, and eventually as a rock star, builds a literal and figurative wall to protect himself from the outside world. During stage shows, the band played behind a gradually constructed wall, and giant inflatable pigs floated above the stadium. The band performed *The Wall* only 29 times in New York, Los Angeles and London.
