Como fazer e manter amigos para sempre
Clube de Autores

Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical

information, essential to both beginners and experienced lovers. 'It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner

Twenty Thousand Leagues Under the Sea
Vintage

Dr. Reilly Stanton, eighth Marquis of Stillworth, must mend his injured pride by proving himself a hero -- and not a drunken wastrel, as his former fiancée claimed. Against all sane advice, the

Londoner takes a medical post in a tiny fishing village on the remote Isle of Skye -- and is convinced that he can cope with the primitive conditions, horrendous Highland weather, and rampant illness. But Miss Brenna Donnegan is another matter entirely.... Try as he might, Reilly cannot ignore the toweringly tall lady with flaming chestnut locks and an equally fiery will. She has filled her father's former role as the local physician, and is more than annoyed to find the urbane Dr. Stanton taking over her work and her father's cottage. By fair means or foul, she will give the usurper his comeuppance. But what begins as a sparking tug-of-war between two proud hearts soon flames to a passionate fire... Critically acclaimed author Patricia Cabot delivers an

exquisitely warm and witty novel of love set against the dramatic backdrop of Scotland's magnificent Isle of Skye.

The Hero with a Thousand Faces Center Street

Outstanding selection of great letters from ancient times to the 21st century, touching on power, love, art, sex, faith, and war. *Written in History: Letters that Changed the World* celebrates the great letters of world history, and cultural and personal life. Bestselling, prizewinning historian Simon Sebag Montefiore selects letters that have changed the course of global events or touched a timeless emotion—whether passion, rage, humor—from ancient times to the twenty-first century. Some are noble and inspiring, some despicable and unsettling, some are exquisite works of literature, others brutal, coarse, and frankly outrageous, many are erotic, others heartbreaking. It is a surprising and eclectic selection, from the four corners of the world, filled with extraordinary women and men, from ancient times to now. Truly a choice of letters for our own times encompassing love letters to calls for liberation to declarations of war to

reflections on life and death. The writers vary from Elizabeth I and Catherine the Great to Mandela, Stalin and Picasso, Fanny Burney and Emily Pankhurst to Ada Lovelace and Rosa Parks, Oscar Wilde, Chekhov and Pushkin to Balzac, Mozart and Michelangelo, Hitler, Rameses the Great and Alexander Hamilton to Augustus and Churchill, Lincoln, Donald Trump and Suleiman the Magnificent. In a book that is a perfect gift, here is a window on astonishing characters, seminal events, and unforgettable words. In the colorful, accessible style of a master storyteller, Montefiore shows why these letters are essential reading and how they can unveil and enlighten the past—and enrich the way we live now.

Jimmy Page is still recognized as one of the most influential guitarists of all time and one of the most important rock composers worldwide. And Page's relationship with Brazil is old: in addition to having starred in many meetings with national music stars, the Led Zeppelin guitarist spent seasons in Bahia and inaugurated Casa Jimmy to house homeless youth in the capital of Rio de Janeiro – which earns him

the title of Honorary Citizen of Rio de Janeiro. This intense story is the theme of *Jimmy Page in Brazil*, a bilingual book (Portuguese / English) by journalist and musician Leandro Souto Maior. The book has a preface by Ed Motta, one of the greatest collectors and connoisseurs of Led Zeppelin's work in Brazil, and postscript by young guitarist Sebastião Reis, the son of musician Nando Reis, what confirms that the band has crossed generations. The layout and cover bear the signature of Tomás Paoni, the artistic director of the project. The cover photo is by Marcos Hermes, a great photographer in the Brazilian music market. The edition is signed by Chris Fuscaldo, director of Garota FM Books.

Lullaby Universo dos Livros Editora
A major study of modern culture, Dialectic of Enlightenment for many years led an underground existence among the homeless Left of the German Federal Republic until its definitive publication in West Germany in 1969. Originally composed by its two distinguished authors during their Californian exile in 1944, the book can stand as a monument of classic German progressive social theory in the twentieth century.>

O Dilema Do Porco-espinho John Benjamins Publishing
What is to be understood by 'rational legal argument'? To what extent can legal reasoning be rational? Is the demand for rationality in legal affairs justified? And what are the criteria of rationality in legal reasoning? The answer to these questions is not only of interest to legal theorists and

philosophers of law. They are pressing issues for practicing lawyers, and a matter of concern for every citizen active in the public arena. Not only the standing of academic law as a scientific discipline, but also the legitimacy of judicial decisions depends on the possibility of rational legal argumentation. A theory of legal reasoning which tries to answer these questions presupposes a theory of general practical reasoning. This theory is the subject matter of the first two parts of the book. The result is a theory of general practical discourse which rests on insights of both Anglo-Saxon and German philosophy. It forms the basis of the theory of rational legal discourse, which is developed in the third part of this book.

Medal of Freedom Recipient Kahneman's work with Amos Tversky is the subject of Michael Lewis's *The Undoing Project: A Friendship That Changed Our Minds* In the international bestseller, *Thinking, Fast and Slow*, Daniel Kahneman, the renowned psychologist and winner of the Nobel Prize in Economics, takes us on a groundbreaking tour of the mind and explains the two systems that drive the way we think. System 1 is fast, intuitive, and emotional; System 2 is slower, more deliberative, and more logical. The impact of overconfidence on corporate strategies, the difficulties of predicting what will make us happy in the future, the profound effect of cognitive biases on everything from playing the stock market to planning our next vacation—each of these can be understood only by knowing how the two systems shape our judgments and decisions. Engaging the reader in a lively conversation about how we think, Kahneman reveals where we can and cannot trust our intuitions and how we can tap into the benefits of slow thinking. He offers practical and enlightening insights into how choices are made in both our business and our personal lives—and how

we can use different techniques to guard against the mental glitches that often get us into trouble. Winner of the National Academy of Sciences Best Book Award and the Los Angeles Times Book Prize and selected by The New York Times Book Review as one of the ten best books of 2011, *Thinking, Fast and Slow* is destined to be a classic.

Welcome to a master class in mindfulness. Jon Kabat-Zinn is regarded as "one of the finest teachers of mindfulness you'll ever encounter" (Jack Kornfield). He has been teaching the tangible benefits of meditation in the mainstream for decades. Today, millions of people around the world have taken up a formal mindfulness meditation practice as part of their everyday lives. But what is meditation anyway? And why might it be worth trying? Or nurturing further if you already have practice? *Meditation Is Not What You Think* answers those questions. Originally published in 2005 as part of a larger book

entitled *Coming to Our Senses*, it has been updated with a new foreword by the author and is even more relevant today. If you're curious as to why meditation is not for the "faint-hearted," how taking some time each day to drop into awareness can actually be a radical act of love, and why paying attention is so supremely important, consider this book an invitation to learn more -- from one of the pioneers of the worldwide mindfulness movement.

The Self-sabotage Cycle Aakar Books
A companion to *On Writing* and *On Cats*: A raw and tender poetry collection that captures the Dirty Old Man of American letters at his fiercest and most vulnerable, on a subject that hits home with all of us. Charles Bukowski was a man of intense emotions, someone an editor once called a "passionate madman." In *On Love*, we see Bukowski reckoning with the complications and exaltations of love, lust, and desire. Alternating between tough and gentle, sensitive and gritty, Bukowski lays bare the myriad facets of love—its selfishness and its narcissism, its randomness, its mystery and its misery, and, ultimately, its true joyfulness, endurance, and redemptive power. Bukowski is brilliant on

love—often amusing, sometimes playful, and fleetingly sweet. *On Love* offers deep insight into Bukowski the man and the artist; whether writing about his daughter, his lover, his friends, or his work, he is piercingly honest and poignantly reflective, using love as a prism to see the world in all its beauty and cruelty, and his own fragile place in it. "My love is a hummingbird sitting that quiet moment on the bough," he writes, "as the same cat crouches." Brutally honest, flecked with humor and pathos, *On Love* reveals Bukowski at his most candid and affecting. *Humor in Interaction* Open Road Media
Entender a ciência por trás das conexões é a chave para construir relacionamentos duradouros em um mundo cada vez mais fragmentado. Fazer novos amigos, bem como aprofundar relacionamentos de longa data, é possível em qualquer idade – na verdade, é essencial. A boa notícia é que existem maneiras específicas e fundamentadas em estudos para melhorar a quantidade e a qualidade de suas conexões – usando os insights da teoria do apego e as pesquisas científicas mais recentes sobre relacionamentos. Este guia prático fornece a direção para estabelecer

conexões fortes e duradouras com os outros – e para nos tornarmos mais felizes e realizados nesse processo.

Watkins Masters of Wisdom: Osho
EDIPUCRS

O poeta Vinicius de Moraes cantava "que é melhor se sofrer junto, que viver feliz sozinho". Será? O historiador Leandro Karnal, um dos intelectuais brasileiros que, através de seus livros, palestras e vídeos, nos ajuda a pensar o mundo contemporâneo, discute uma questão presente na vida de todos: a solidão. A partir de referências de filósofos e da própria Bíblia, de fatos históricos e de romances, ele faz uma reflexão sobre a natureza de viver só - por pouco ou muito tempo, estando ou não acompanhado. Apresenta como a solidão é encarada no cinema, na literatura, na música, nas artes. Mostra que ela pode ser iluminadora e como Deus se revela aos solitários. O mesmo Deus que, segundo Gênesis, teria dito: "Não é bom que o homem esteja só; farei para ele alguém que o auxilie e corresponda." E expõe como se desenvolveu a tradição judaico-cristã da solidão. Em O dilema do porco-espinho, Karnal viaja pela modernidade líquida e

analisa a solidão no mundo virtual e o isolamento. Discute dos amigos imaginários criados pelas crianças aos pensamentos de alguns filósofos, como Aristóteles, que dizia que a solidão criava deuses e bestas. Como a solidão é um tema que sempre o acompanhou e, segundo revela o próprio Karnal, tem crescido na maturidade, o autor escreve este livro como um ensaio pessoal. Ao dividir suas meditações, o autor convida o leitor, durante o ato da leitura, a deixar a solidão de lado e compartilhar seus pensamentos também.

São Paulo Noir Penguin

Fifteen-year-old high school sophomore Marisa, who has an anxiety disorder, decides that this is the year she will get what she wants--a boyfriend and a social life--but things do not turn out exactly the way she expects them to.

Casanova in Bolzano Penguin

Have you ever seen a pink tree? What about a flying dog? They don't exist in real life, but in Corina's drawings, they do. Corina draws things as she sees them. For grownups, her drawings are but a girl's absurdities. For Corina, they are real expressions of how colorful, beautiful, and

amusing the world can be. Be ready to get acquainted with a very creative little girl who looks at the world through the eyes of her imagination.

Thinking, Fast and Slow Vintage

Nobel Prize winner Peter Handke offers a wry and entertaining take on history's most famous seducer as he takes a respite from his stressful existence Don Juan's story—"his own version"—is filtered through the consciousness of an anonymous narrator, a failed innkeeper and chef, into whose solitude Don Juan bursts one day. On each day of the week that follows, Don Juan describes the adventures he experienced on that same day a week earlier. The adventures are erotic, but Handke's Don Juan is more pursued than pursuer. What makes his accounts riveting are the remarkable evocations of places and people, and the nature of his narration. Don Juan: His Own Version is, above all, a book about storytelling and its ability to burst the ordinary boundaries of time and space. In this brief and wry volume, Peter Handke conjures images and depicts the subtleties of human interaction with an unforgettable vividness. Along the way, he offers a sharp

commentary on many features of contemporary life.

O Efeito Porco-Espinho Anchor

Another rediscovered masterpiece from the Hungarian novelist whose *Embers* became an international bestseller—a sensuous, suspenseful, aphoristic novel about the world’s most notorious seducer and the encounter that changes him forever. In 1756 Giacomo Casanova escapes from a Venetian prison and resurfaces in the Italian village of Bolzano. Here he receives an unwelcome visitor: the aging but still fearsome Duke of Parma, who years before had defeated Casanova in a duel over a ravishing girl named Francesca and spared his life on condition that he never see her again. Now the duke has taken Francesca as his wife—and intercepted a love letter from her to his old rival. Rather than kill Casanova on the spot, he makes him a startling offer, one that is logical, perverse, and irresistible. Turning an historical episode into a dazzling fictional exploration of the clasp of desire and death, Casanova in Bolzano is further proof that Sándor Márai is one of the most distinctive voices of the twentieth century.

Founding Gardeners Watkins Media Limited

In this compelling and influential work, Joseph Campbell scours the myths of the world to reveal the characteristics common to heroes from all cultures and periods.

Dialectic of Enlightenment Akashic Books

Harper only wanted a safe, normal life. But when her younger sister Gemma runs off with a dangerous clique of beautiful girls, Penn, Thea, and Lexi, everything changes. Vowing to get her sister back no matter what the cost, Harper must face dangers unlike any she's ever experienced. Fortunately, she has Daniel by her side, a gorgeous guy who's devoted to helping her find her sister—and who's immune to the girls' dark powers. While Harper searches for her sister, Gemma struggles to adjust to her new life. Gemma's powers are growing by the day, and the longer she lives with her new "sisters," the harder it is to resist entering their magical world. It's a realm both dark and beautiful, and where she's plagued by strange hungers and unspeakable needs. Just as she's drifting far away from her old life, Harper

and Daniel find her...but no one can deny how much she's changed. All she wants is to return to her family and the mortal world, but how can she do that when she's become something else entirely—and will they still love her once they learn the truth? Prepare to fall under the spell of *Lullaby*, the second book in the *Watersong* series from New York Times bestselling author Amanda Hocking.

Viver é Verbo Prabhat Prakashan

This anthology of noir fiction set in São Paulo, Brazil, “might be the strongest entry yet in the long-running and globe-spanning Akashic Noir series” (San Francisco Book Review). Once known as the Land of Mist, São Paulo is now a dense, diverse, and globalized metropolis. It is the most populous city in the Americas, the Portuguese-speaking world, and the southern hemisphere—with some of the worst traffic on the planet. From its gleaming skyscrapers to its historic downtown and its rough, drug-infested outskirts, this unique anthology explores a truly unique city with “a timely feel, giving noir a host of feminine faces” (Kirkus). São Paulo Noir includes fourteen brand-new stories by Tony Bellotto, Olivia Maia,

Marcelino Freire, Beatriz Bracher & Maria
S. Carvalhosa, Fernando Bonassi, Marcelo

Rubens Paiva, Marçal Aquino, Jô Soares,

Mario Prata, Ferréz, Vanessa Barbara,
Ilana Casoy, and Drauzio Varella.
