This book is packed with ways to use rubber bands to make bracelets, belts, desk organizers, toys, musical instruments, art projects, and much more. Peppered through the pages are fun and

interesting facts and trivia about rubber bands.

Loom Bracelets U of Nebraska Press

We published Friendship Bracelets in 1996.

Thirteen years and 2.3 million copies later, it has clearly established itself as a Klutz classic. A best-selling classic, in fact. It's a hard act to follow -- only a fool would even attempt it. So, of course, we couldn't resist.

Introducing Fancy Friendship Bracelets, the original Friendship Bracelet's new best friend. We started with

super-simple instructions for a flock of all-new bracelet designs. We added five different colors of cord and more than 200 sparkling beads. Then we threw in some stylish charms for good measure. The result is even better than we hoped. Fans of the first book will love this new one. With the how-to know-how of Anne Akers Johnson, the sparkle of beads and charms, and the novelty of all-new bracelet designs, *Fancy Friendship Bracelets* compliments the original book without duplicating

it. So we're keeping both books in print. This is the start of a beautiful friendship.

Each Wild Idea
Cambridge University Press
Find the sticker, peel the sticker, place the sticker. And sticker by sticker, a koala appears! Or an elephant, frog, red panda, puffin, peacock, snake, giraffe, tiger, or gorilla. (And no mess to clean up!) Designed for children ages 5 and up, *Paint by Sticker Kids: Zoo Animals* uses low-poly art—a computer style that

renders 3-D images out of polygon shapes—and removable color stickers so that kids can create 10 vibrant works of art. The stickers are larger, as befits the younger audience, and the card stock pages are perforated for easy removal, making them suitable for displaying.

The Book of Buried Treasure
Random House
For readers ready to learn a new art form, loom crafts are fun projects for creative crafters of all ages. Readers will use this easily accessible guide to

master the art of making bracelets, flower charms, and coasters. The book also includes instructions for making a colorful circular rug for the reader's bedroom. Colorful images allow readers to visualize each step in the creative process, while direct and clear instructions guide them through the project from beginning to end. There's no limit on the number of decorations and accessories readers can make using their loom!

Anguish of Snails

University Press of Colorado
The story of twenty-four-year-old Susannah Cahalan and the life-saving discovery of the autoimmune disorder that nearly killed her -- and that could perhaps be the root of "demonic possessions" throughout history.

[The Loomatic's Interactive Guide to the Rainbow Loom](#) The Rosen Publishing Group, Inc
After a career working and living with American Indians and studying their traditions, Barre Toelken

has written this sweeping study of Native American folklore in the West. Within a framework of performance theory, cultural worldview, and collaborative research, he examines Native American visual arts, dance, oral tradition (story and song), humor, and patterns of thinking and discovery to demonstrate what can be gleaned from Indian traditions by Natives and non-Natives alike. In the process he considers popular distortions of Indian beliefs, demystifies

many traditions by showing how they can be comprehended within their cultural contexts, considers why some aspects of Native American life are not meant to be understood by or shared with outsiders, and emphasizes how much can be learned through sensitivity to and awareness of cultural values. Winner of the 2004 Chicago Folklore Prize, *The Anguish of Snails* is an essential work for the collection of any serious reader in folklore

or Native American studies. [Red Ted Art](#) Page Street Publishing Rubber band crafts are the latest craze —from the school yard and slumber parties to craft rooms and beyond, everyone can join in the fun. Using a small and inexpensive plastic loom or by tying by hand, it's possible to create an infinite array of bright and colorful rings, bracelets, accessories, and gifts from nothing more than simple rubber bands. It's the quick, easy and

accessible craft that's taking the world by storm. Loom Band It provides step-by-step instructions for 60 original projects, using every color in the rainbow. Make a ring to match every outfit, swap bracelets with your friends and customize your handbags with bespoke rubber band straps. There's even tutorials for super cool sandals and an eye-catching cell phone sleeve, too. What could be more rewarding than presenting friends, family and neighbors with a

custom-made fun and funky rubber band gift. Looms have never been so popular and these tutorials give you all you need to make your own elaborate patterns and designs, as well as providing inspiration for customizing your crafts. Ping through these loom ideas, stretch your imagination, and you'll become an accomplished loomineer in no time! While you wait for your book to arrive, enjoy these links to begin your looming fun! Univ of California Press
50 seasonal projects to make with kids
Highlighting the best of each month of the year, *Make and Takes for Kids* offers 50 projects to make with kids, each centered around an upcoming holiday or season. The ideas are unique and simple to produce, and each project is

thoughtfully constructed and designed to create an ideal environment and setting for crafting. Each craft requires little preparation, few supplies, and almost everything can be readily found at home or at a local craft supply store. Crafting isn't just playtime; there's a purpose to all the gluing, cutting, and coloring. Children are learning hand-eye coordination, fine motor skills, problem solving, math, teamwork, and individual expression. They are exercising creativity and building

their imaginations. *Make and Takes for Kids* highlights the learning objectives and skills that children will attain as they complete each craft. Parents learn the benefits of spending time to create and craft with their children, and see the growth and creativity that children can experience while crafting. 50 projects to make crafts and food with kids, from a Marshmallow Graham Cracker Snowman and Flower Garden Cupcakes to an Egg Carton Octopus and Rainbow Ring Bottle

Toss Ten activities are included that can be crafted with recycled materials, making the crafts easy to produce as well as budget-friendly. Projects demonstrate that you don't have to buy expensive supplies or make elaborate activities to have fun crafting and creating. If you're a mom, teacher, or caregiver looking to enhance the time and quality spent with young children, *Make and Takes For Kids* makes it easy to have fun crafting with kids. *Navajo-English Dictionary*

Fox Chapel Publishing Traditional knot and interlace patterns, combined to form uniquely striking contemporary designs. Ever since her groundbreaking book *Viking Patterns for Knitting* was published, Elsebeth Lavold has been recognized as one of the world's leading experts on cabling. It was within the pages of her international bestseller—described as “an indispensable milestone in 20th century knitting literature”—that Lavold first introduced the

world to her own innovation: using lifted increases to create interlace patterns, and bringing new life to the ornamental heritage of the Vikings as adornment on modern knitwear. In the years since, Lavold has sought new ideas and “design cousins” to Viking patterns to explore with her needles, and has undertaken a fascinating journey through archives, museums, libraries, and the internet. In more than a decade of continued research, she has studied cultures from all over the

globe in search of similar types of ornamental expression, creating the foundation for this exciting new book: a glorious collection rich in imagery, history, patterns, and designs. Dozens of different sources of inspiration, catalogued and placed within their cultural and historical context, from all around the world. Complete, step-by-step instructions for an abundance of fresh and stunningly beautiful knit designs, presented in the book with full-color photographs. Lavold's

own painstaking analysis of a huge number of interlace motif types, displayed in both swatch and chart form, to allow you to compose your own patterns based on her research.

Rubber Band Bracelets
 Macmillan

One of the first known
 novels by a Native
 American woman,
 Cogewea (1927) is the
 story of a half-blood girl
 caught between the
 worlds of Anglo ranchers
 and full-blood reservation
 Indians; between the
 craven and false-hearted
 easterner Alfred
 Densmore and James
 LaGrinder, a half-blood
 cowboy and the best rider
 on the Flathead; between
 book learning and the folk
 wisdom of her full-blood
 grandmother. The book

combines authentic Indian lore with the circumstance and dialogue of a popular romance; in its language,

it shows a self-taught writer attempting to come to terms with the rift

between formal written style and the comfort-able rhythms and slang of familiar speech.
