MARELI LIZETH

Seattle La città, la musica, le storie Simon and Schuster

The National Book Award-winning story collection from the author of *The Orphan Master's Son* offers something rare in fiction: a new way of looking at the world. "MASTERFUL."—The Washington Post "ENTRANCING."—O: The Oprah Magazine "PERCEPTIVE AND BRAVE."—The New York Times Throughout these six stories, Pulitzer Prize winner Adam Johnson delves deep into love and loss, natural disasters, the influence of technology, and how the political shapes the personal, giving voice to the perspectives we don't often hear. In "Nirvana," a programmer whose wife has a rare disease finds solace in a digital simulacrum of the president of the United States. In "Hurricanes Anonymous," a young man searches for the mother of his son in a Louisiana devastated by Hurricanes Katrina and Rita. "George Orwell Was a Friend of Mine" follows a former warden of a Stasi prison in East Germany who vehemently denies his past, even as pieces of it are delivered in packages to his door. And in the unforgettable title story, Johnson returns to his signature subject, North Korea, depicting two defectors from Pyongyang who are trying to adapt to their new lives in Seoul, while one cannot forget the woman he left behind. WINNER OF THE STORY PRIZE • A NEW YORK TIMES NOTABLE BOOK NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The Miami Herald • San Francisco Chronicle • USA Today AND ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • NPR • Marie Claire • St. Louis Post-Dispatch • BuzzFeed • The Daily Beast • Los Angeles Magazine • The Independent • BookPage • Kirkus Reviews "Remarkable . . . Adam Johnson is one of America's greatest living writers."—The Huffington Post "Haunting, harrowing . . . Johnson's writing is as rich in compassion as it is in invention, and that rare combination makes Fortune Smiles worth treasuring."—USA Today "Fortune Smiles [blends] exotic scenarios, morally compromised characters, high-wire action, rigorously limber prose, dense thickets of emotion, and, most critically, our current techno-moment."—The Boston Globe "Johnson's boundary-pushing stories make for exhilarating reading."—San Francisco Chronicle

Billboard Hachette Books

I Found My Friends recreates the short and tempestuous times of Nirvana through the musicians and producers who played and interacted with the band. The guides for this trip didn't just watch the life of this legendary band—they lived it. Soulsby interviewed over 150 musicians from bands that played and toured with Nirvana, including well-known alternative and grunge bands like Dinosaur Jr., The Dead Kennedys, and Butthole Surfers, as well as scores of smaller, but no less fascinating bands. In this groundbreaking look at a legendary band, readers will see a more personal history of Nirvana than ever before, including Nirvana's consideration of nearly a dozen previously unmentioned candidates for drummer before settling on David Grohl, a recounting of Nirvana's famously disastrous South American shows from never-before-heard sources on Brazilian and Argentine sides, and the man who hosted the first ever Nirvana gig's recollections of jamming with the band at that inaugural event. *I Found My Friends* relives Nirvana's meteoric rise from the days before the legend to through their increasingly damaged superstardom. More than twenty years after Kurt Cobain's tragic death, Nick Soulsby removes the posthumous halo from the brow of Kurt Cobain and travels back through time to observe one of rock and roll's most critical bands as no one has ever seen them before.

Heavier Than Heaven Hal Leonard Corporation

Una guida sentimentale di Seattle, città americana che vive all'ombra di altre e più note metropoli come San Francisco, New York e Chicago, ma che, nell'ultimo decennio, ha giocato un ruolo fondamentale nel mondo tecnologico, tanto da meritare la definizione di "Silicon Valley del Nord", nonché un posto nella top ten delle città più ricche degli Stati Uniti. Si parte dai luoghi che hanno accompagnato la nascita della musica grunge, ripercorrendo strade, locali, sale d'incisione e parchi, e si arriva ai giorni nostri, raccontando la genesi di imprese e grandi marchi che a Seattle sono nati, e che dominano l'economia mondiale: Microsoft, Starbucks e Amazon tra gli altri. Un percorso che si propone di trovare un filo conduttore tra la Seattle oscura ma gloriosa di ieri e la Seattle stravagante ma selettiva di oggi, e lo fa avvalendosi di voci che questa città la conoscono bene. Non solo: l'autrice ha percorso questi luoghi a più riprese, accompagnata da persone che hanno fatto parte integrante della scena grunge e che sono state delle vere e proprie guide, nonché fonti di prima mano. Il comune denominatore tra passato e presente, come si vedrà presto, è la natura. Seattle è una città in cui acqua, aria, terra e fuoco hanno giocato un ruolo fondamentale nella storia. Una storia che spesso è passata dalla morte per ritrovare la vita. Valeria Sgarella, giornalista e scrittrice milanese, ha svolto attività radiofonica per oltre vent'anni come autrice e speaker, e ha lavorato a MTV Italia nel settore produzione. Ha scritto di musica per una serie di riviste musicali e non. Ha pubblicato la biografia del cantautore americano Andy Wood e la storia della casa discografica Sub Pop Records.

Geeks Who Drink Presents: Duh! All Time Comics

"Il libro è un tentativo di conciliare una mia essenziale autobiografia giovanile - diciamo un tardivo romanzo di formazione - con la storia della Torino Underground mid80/90 e l'indiscutibile influenza che la coeva scena indie/alt americana ebbe su quella generazione italiana essendone talvolta addirittura debitrice - loro a noi intendo - se non sorprendentemente tautologica. Inoltre la forma ibrida tra il romanzo, l'antologia di recensioni e articoli, il saggio storico-politico, musicale e l'(auto)biografia si offre come un timido tentativo di superare i rigidi schemi narrativi della letteratura e del saggio." Vi sono inoltre numerose fotografie inedite e/o particolarmente significative di quel periodo, flyers, manifesti che potrebbero essere selezionate e pubblicati anche in un laconico ma espressivo bianco e nero, rare e vissute testimonianze, saggi in appendice, ed una esaustiva bibliografia e citazione minuziosa delle fonti. Il tutto imbevuto dalla fascinazione delle correnti musicali, letterarie e politiche che all'epoca hanno contribuito alla mia formazione umana, sociale ed artistica. Aneddoti vissuti in prima persona, occupazioni di squat e università, concerti, viaggi lisergerici nella Parigi tardo bohemien di inizio anni 90 ed il ritorno alla quotidianità torinese che ci spingeva a prenderci i nostri spazi mentre ascoltavamo cassette trovate nelle distribuzioni dei centri occupati ed emulavamo quei ragazzi figli della working class anglo americana che dicevano e suonavano come e peggio di noi le stesse cose. Il lavoro ha anche una generosa prefazione dello scrittore, musicista e critico musicale Max Nuzzolo ed una bozza di copertina che allego, oltre a due saggi in appendice che contestualizzano la particolarità della Scena Torinese di quegli anni e la sua tautologica comparazione con tutto ciò che accadeva nel mondo musicale alternativo internazionale

e con Seattle e Cobain in particolare. I racconti sono intersecati da una minuziosa ricostruzione storica e cronologica sia dei cambiamenti in campo politico internazionale, ma anche in ambito artistico e contro culturale. Recensioni ed articoli, interviste e ricostruzioni, playlist e telefonate immaginarie postume tra Kurt e Layney Staley degli Alice in Chains, il dio minore di Seattle. Le digressioni sulla letteratura con Tondelli e la Generazione X, le minimonografie su Disciplinatha, Fluxus, Kina, Nerorgasmo, Negazione, Church of Violence, Marlene Kuntz, RATM, la scena Big beat Britannica post rave dei Prodigy e Massive Attack. Le vicende comic postpunk legate alla mia band crossover dell'epoca: gli Unconditional poi Malasangre e il mio inserimento dentro la scena antagonista torinese. La narrazione romantica dei luoghi miei e di Kurt supportata poi in appendice dalla ricostruzione storico-sociale dei medesimi. Visioni ed epifanie, sangue e merda. Poesia d'acciaio e di cemento.

Kurt Cobain Akashic Books

The New York Times bestseller and the definitive portrait of Kurt Cobain--as relevant as ever, as we remember the impact of Cobain on our culture twenty-five years after his death--now with a new preface and an additional final chapter from acclaimed author Charles R. Cross. It has been twenty-five years since Kurt Cobain died by his own hand in April 1994; it was an act of will that typified his short, angry, inspired life. Veteran music journalist Charles R. Cross fuses his intimate knowledge of the Seattle music scene with his deep compassion for his subject in this extraordinary story of artistic brilliance and the pain that extinguished it. Based on more than four hundred interviews; four years of research; exclusive access to Cobain's unpublished diaries, lyrics, and family photos; and a wealth of documentation, *Heavier Than Heaven* traces Cobain's life from his early days in a double-wide trailer outside of Aberdeen, Washington, to his rise to fame, success, and the adulation of a generation. Charles Cross has written a new preface for this edition, giving readers context for the time in which the book was written, six years after Kurt's death, and reminding everyone how fresh that cultural experience was when the interviews for the book were done. The new final chapter will update the story since, regarding investigations into Cobain's death, Nirvana's induction into the Rock N Roll Hall of Fame, and how their place in rock history has only risen over the decades.

Turn on Your Mind Cengage Learning

Last Shop Standing: Whatever Happened To Record Shops? documents the sad disappearance of a cultural icon from our high streets. Once a thriving industry, the UK has gone from having over 2000 independent record shops in the 1980s to just 269 in 2009. Written by Graham Jones, who has worked in the distribution industry for over 25 years as a record company salesman, this book presents a snapshot of a business that is under threat of going the same way as the stamp shop, the coin shop and the candlestick maker. Jones' speaks to 50 record shop owners to see why they have survived while nearly two thousand others have closed. These interviews form the basis of the book, which celebrates the rich social history in which the record shop is steeped. In 2012 *Last Shop Standing* was made into an award winning 50 minute film, featuring interviews with Johnny Marr, Norman Cook, Richard Hawley, Paul Weller and Billy Bragg, alongside many of the record shop owners featured in the book. Given a new tagline - 'the rise, fall and rebirth of the independent record shop', the film has been screened around the globe and was an official selection at the Chicago International Movies & Music Festival in 2013.

INVITATION TO PUBLIC SPEAKING was designed to provide you with solid public speaking skills that will serve you well. This text shows you the power and importance of public speaking in your life as well as in the community. This special National Geographic Learning edition includes dynamic and exciting stories and tips from young people who are committed to sharing their passion for conservation and learning, accompanied by spectacular National Geographic photographs. Speech-building help and examples of student speeches in every chapter help you understand the basic concepts so that you learn how to give successful speeches. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Barefoot Dogs Touchstone

È un fatto piuttosto frequente che un camminatore desideri accorciare il percorso. Non fatelo. Da questo viaggio ho imparato che ogni decisione presa per arrivare prima vi farà solo arrivare più tardi. Mi sono messo in testa di percorrere la via Francigena a piedi con un gruppo di amici: quarantacinque giorni tra boschi secolari, valli disabitate e borghi suggestivi. Nella repentina decisione di attraversare l'Italia lungo le strade che vanno dal Gran San Bernardo a Roma e da Roma alla Puglia non ho fatto che richiamarmi al principio secondo il quale «camminando ci penserò». A cosa? A tutto più o meno: lavoro, costumi, pochissima politica e piaceri. Mentre mi chiedo se davvero camminare apra la mente e vivifichi lo spirito, non mancano appuntamenti pianificati e incontri accidentali come in ogni on the road che si rispetti: contadini centenari e giovani che hanno scelto di vivere da eremiti, rockstar e artisti, ecclesiasti intransigenti e loschi malavitosi. Lungo la strada germogliano storie antichissime e struggenti che ci parlano da vicino, troppo conosciute da ognuno di noi per essere declinate al singolare.

Invitation to Public Speaking - National Geographic Edition Victor Gollancz

Since 1957, Chase's Calendar of Events lists everything worth knowing and celebrating for each day of the year: 12,500 holidays, historical milestones, famous birthdays, festivals, sporting events and much more. "The Oxford English Dictionary of holidays."--NPR's Planet Money.

SPIN Crown

Trent'anni fa, da Seattle arrivava a tutto il mondo un altro suono che parlava in un'altra maniera, ad altra gente: era il 24 settembre del 1991, "the year punk broke". E il mondo della musica non ha mai superato questo trauma. Ancora oggi si parla e si scrive di Nevermind, il disco che tutti hanno amato e tutti hanno capito, stregati dal biondo eterno adolescente Kurt Cobain. Anche dopo così tanto tempo, allontanarsi e guardare senza occhi lucidi quello che rimane di Nevermind è un'impresa quasi impossibile. Però vale la pena tentare, togliere la patina luccicante che ricopre uno dei dischi più importanti della storia, per riportarlo alla sua forma originaria. Ritornare al nastro del master e ascoltarlo prima che possano farlo i Nirvana stessi; prima che possa farlo Kurt. I soldi, la fama, le copertine delle riviste notoriamente danno alla testa: ai Nirvana non è mancato nulla di tutto questo. Per ascoltare Nevermind come non siamo mai riusciti ad ascoltarlo, quindi, è necessario ripercorrere il susseguirsi di idee che hanno animato la band più esplosiva della scena di Seattle, tra quello che hanno detto prima di essere sommersi dai fan e quello che hanno lasciato intendere. Senza appiattirsi sulla biografia e senza lanciarsi in interpretazioni testuali non richieste, riordinare i fili che

legano Kurt Cobain, la sua città natale, i deodoranti per ascelle, l'Inghilterra, Krist Novoselic, i Melvins, il litio, Dave Grohl... Per poi mettersi le cuffie e scombinarli ancora una volta.

How the Left Lost Teen Spirit Miraggi Edizioni

A fascinating exploration of the relationship between American culture and music as defined by musicians, scholars, and critics from around the world.

Nevermind: The Bollocks Routledge

Winner of the Jesse H. Jones Award for Best Work of Fiction from the Texas Institute of Letters * A San Francisco Chronicle Recommended Book of 2015 * Fiction Finalist for the 2015 Writers' League of Texas Book Awards * A Kirkus Reviews Best Book of 2015 * One of the Texas Observer's "Five Books We Loved in 2015" * One of PRI's "The World's Five Books You Should Read in 2016"

"Profound and wrenching...A deeply moving chronicle of one family's collective devastation, full of remarkable wisdom and humor" (The New York Times Book Review) that follows the members of a wealthy Mexican family after their patriarch is kidnapped. On an unremarkable night, José Victoriano Arteaga—the head of a thriving Mexico City family—vanishes on his way home from work. The Arteagas find few answers; the full truth of what happened to Arteaga is lost to the shadows of Mexico's vast underworld. But soon packages arrive to the family house, offering horrifying clues. Fear, guilt, and the prospect of financial ruin fracture the once-proud family and scatter them across the globe, yet delicate threads still hold them together: in a swimming pool in Palo Alto, Arteaga's grandson struggles to make sense of the grief that has hobbled his family; in Mexico City, Arteaga's mistress alternates between rage and heartbreak as she waits, in growing panic, for her lover's return; in Austin, the Arteagas' housekeeper tries to piece together a second life in an alienating new land; in Madrid, Arteaga's son takes his dog through the hot and unforgiving streets, in search of his father's ghost. A stunningly original exploration of the wages of a hidden war, *Barefoot Dogs* is a heartfelt elegy to the stolen innocence of every family struck by tragedy. Urgent and vital fiction, "these powerful stories are worthy of rereading in order to fully digest the far-reaching implications of one man's disappearance...this singular book affords the reader the chance to step inside a world of privilege and loss, and understand how the two are inextricably intertwined" (San Francisco Chronicle).

The New Rolling Stone Album Guide Springer

Made in Canada, Read in Spain is an edited collection of essays on the impact, diffusion, and translation of English Canadian literature in Spain. Given the size of the world's Spanish-speaking population (some 350 million people) and the importance of the Spanish language in global publishing, it appeals to publishers, cultural agents and translators, as well as to Canadianists and Translation Studies scholars. By analyzing more than 100 sources of online and print reviews, this volume covers a wide-range of areas and offers an ambitious scope that goes from the institutional side of the Spanish-Anglo-Canadian exchange to issues on the insertion of CanLit in the Spanish curriculum; from 'nation branding', translation, and circulation of Canadian authors in autonomous communities (such as Catalonia) to the official acknowledgement of some authors by the Spanish literary system -Margaret Atwood and Leonard Cohen were awarded the prestigious Prince of Asturias prize in 2008 and 2011, respectively.

Sing Backwards and Weep Simon and Schuster

A Time Magazine Best Book of 2011, Featuring Nirvana, Pearl Jam, Soundgarden, Alice In Chains, Mudhoney and more! Twenty years after the release of Nirvana's landmark album *Nevermind* comes *Everybody Loves Our Town: An Oral History of Grunge*, the definitive word on the grunge era, straight from the mouths of those at the center of it all. In 1986, fledgling Seattle label C/Z Records released *Deep Six*, a compilation featuring a half-dozen local bands: Soundgarden, Green River, Melvins, Malfunkshun, the U-Men and Skin Yard. Though it sold miserably, the record made music history by documenting a burgeoning regional sound, the raw fusion of heavy metal and punk rock that we now know as grunge. But it wasn't until five years later, with the seemingly overnight success of Nirvana's "Smells Like Teen Spirit," that grunge became a household word and Seattle ground zero for the nineties alternative-rock explosion. *Everybody Loves Our Town* captures the grunge era in the words of the musicians, producers, managers, record executives, video directors, photographers, journalists, publicists, club owners, roadies, scenesters and hangers-on who lived through it. The book tells the whole story: from the founding of the Deep Six bands to the worldwide success of grunge's big four (Nirvana, Pearl Jam, Soundgarden and Alice in Chains); from the rise of Seattle's cash-poor, hype-rich indie label Sub Pop to the major-label feeding frenzy that overtook the Pacific Northwest; from the simple joys of making noise at basement parties and tiny rock clubs to the tragic, lonely deaths of superstars Kurt Cobain and Layne Staley. Drawn from more than 250 new interviews—with members of Nirvana, Pearl Jam, Soundgarden, Alice in Chains, Screaming Trees, Hole, Melvins, Mudhoney, Green River, Mother Love Bone, Temple of the Dog, Mad Season, L7, Babes in Toyland, 7 Year Bitch, TAD, the U-Men, Candlebox and many more—and featuring previously untold stories and never-before-published photographs, *Everybody Loves Our Town* is at once a moving, funny, lurid, and hugely insightful portrait of an extraordinary musical era.

Music in American Life: An Encyclopedia of the Songs, Styles, Stars, and Stories that Shaped our Culture [4 volumes] Simon and Schuster

Here is the first biography to explore, with shocking detail, the drama that formed this troubled, tragic rock star. Neither an apology nor a condemnation, Kurt Cobain presents a vivid insider's view of the life and death of a man who galvanized a generation and gave birth to the "grunge" revolution with his band Nirvana. Sandford portrays the provocative, small-town rebel with the talent of John

Lennon, and then shows him at work on concert stages in Seattle, New York, and London. Readers follow the struggles of Cobain's emotional life-his tumultuous relationships with family and his fellow band members, his drug addiction and sexual appetite, his stormy marriage to Courtney Love, and the birth of his daughter, who, as Cobain wrote in his suicide note, "reminds me too much of who I used to be." During his research, Sandford has had access to Cobain's family, his colleagues, his former friends and lovers, and even author William S. Burroughs, whom Cobain considered to be his "greatest influence." The result is a graphic account of the life that led to the day in April 1994 when Cobain turned a shotgun on himself and became a martyr to disaffected youth around the world.

Beyond Subculture Omnibus Press

Libri su Kurt Cobain e i Nirvana non mancano. Sappiamo tutto della tormentata infanzia di Kurt segnata dal "leggendaro divorzio" dei genitori, del suo "bruciante nauseato stomaco", della sua tossicodipendenza, dei suoi piatti preferiti (tipo i maccheroni al formaggio), del successo straordinario di *nevermind* e della sua genesi, delle diatribe vere o presunte con Pearl Jam e Guns N' Roses. *Smells Like Kurt Spirit* non è una biografia di Kurt e dei Nirvana, anche se ripercorre i momenti cruciali della loro storia, ma un saggio critico dedicato al pensiero, alla poetica e al lascito di una band simbolo degli anni Novanta, considerata il canto del cigno del rock come incubatore del cambiamento sociale. E non è un caso che la breve carriera dei Nirvana sia stata infestata dalle polemiche sul loro tradimento dell'underground per entrare a corte del mainstream. Dall'etica punk-rock, mai abbandonata nemmeno in cima alle classifiche, agli aneliti ironico-rivoluzionari, sicuramente contro-culturali, fino alle implicazioni filosofiche che il nome Nirvana - scelto da Kurt per dar voce alla sua idea di "libertà dal dolore" - porta inevitabilmente con sé, questo saggio cerca di ricostruire l'inimitabile filosofia dei Nirvana a quasi trent'anni dalla morte del suo frontman, fra i migliori songwriter che gli Stati Uniti abbiano offerto al mondo della musica e della cultura.

Nirvana. Teen Spirit. Le storie dietro le canzoni McFarland

The companion book to the HBO film about the Nirvana singer and songwriter, "the most intimate rock doc ever" (Rolling Stone). Kurt Cobain, legendary lead singer, guitarist, and songwriter of Nirvana, "the flagship band of Generation X," remains an object of reverence and fascination for music fans. For the first time, his story was told in the fully authorized feature documentary, *Kurt Cobain: Montage of Heck*, in 2015. Brett Morgen—the Oscar®-nominated filmmaker behind such acclaimed documentaries as the HBO presentation *Crossfire Hurricane*, which celebrated the fiftieth anniversary of the Rolling Stones, and *The Kid Stays in the Picture*—was writer, director, and producer of film. Visual artist Frances Bean Cobain, Cobain's daughter, was executive producer. This riveting book accompanied Morgen's documentary and delved further into the material created for the film, presenting an illuminating and honest portrait of the Nirvana frontman that captured the contradictions that made up his character. The book is composed of the extended versions of the exclusive interviews featured in the film. It also showcases the film's incredible visuals with a mixture of animation stills, rare photography, and other treasures from Kurt Cobain's personal archive. Director Brett Morgen offers his personal thoughts on the creation of the film and the need to shatter the mythos that surrounds Cobain. Taking fans into and beyond Morgen's movie with unparalleled insight into the world of the late musician, this book is the perfect complement to a milestone documentary that forever changed the way fans view Kurt Cobain. "The film offers the bells and whistles but the book provides the real guts of the tale." —Examiner

Chase's Calendar of Events 2019 ABC-CLIO

"Amazingly raw and candid . . . *Come As You Are* is as good as rock bios get" —Billboard *Nirvana* came out of nowhere in 1991 to sell nearly five million copies of their landmark album *Nevermind*, whose thunderous sound and indelible melodies embodied all the confusion, frustration, and passion of the emerging Generation X. *Come As You Are* is the close-up, intimate story of Nirvana—the only book with exclusive in-depth interviews with bandmembers Kurt Cobain, Krist Novoselic, and Dave Grohl, as well as friends, relatives, former bandmembers, and associates—now updated to include a final chapter detailing the last year of Kurt Cobain's life, before his tragic suicide in April 1994.

Oltre le nuvole. Storie di amici Routledge

Exploring America in the 1990s: *New Horizons* is an interdisciplinary humanities unit that looks at literature, art, and music of the 1990s to provide an understanding of how those living through the decade experienced and felt about the world around them. Through the lens of "identity," it explores life in America and the myriad groups that coexisted in harmony and, often, with friction. Cultural movements like grunge and Generation X will be examined alongside larger issues such as rising racial tensions following the O.J. Simpson trial and Rodney King riots, the conflict between progress and morality as scientific advances in cloning and the Internet changed the U.S., and the growing debate over previously marginalized identities and gay rights following "Don't Ask, Don't Tell" and DOMA. The unit uses field-tested instructional strategies for language arts and social studies from The College of William and Mary, as well as new strategies, and it includes graphic organizers and other tools for analyzing primary sources. Grades 6-8
