Every year emergency medicine resident physicians participate in

the American Board of Emergency Medicine (ABEM) In-Training Examination to assess their medical knowledge. Preparing for the examination involves assembling several different resources on a wide range of topics. Many resources are either too detailed or too superficial, limiting their effectiveness. *Pocket Guide to the American Board of Emergency Medicine In-Training Exam* is designed specifically for the Emergency Medicine Resident Physician as an aid to reviewing for the In-Training exam. Pertinent information is organized under the same topics as the examination. The concise text and tables deliver information quickly and a rapid review section allows for self-assessment. In addition, the small portable size enables revision whenever and wherever you are. *Pocket Guide to the American Board of Emergency Medicine In-Training Exam* is the only resource you will need for In-Training Examination preparation.
