The Walking Dead: Rise of the Governor Macmillan

The epic finale to Robert Kirkman and Jay Bonansinga's New York Times bestselling Governor storyline! The Walking Dead original novel series, set in the universe of Robert Kirkman's iconic comic book, continues with The Fall of the Governor. From co-authors Kirkman, creator of the Eisner Award-winning comic as well as executive producer of AMC's blockbuster TV series, and Jay Bonansinga, Stoker Award-finalist and internationally acclaimed author, comes the gripping third novel in this richly woven, page-turning literary saga, which began with The Walking Dead: Rise of the Governor. In Rise of the Governor, uber-villain Philip Blake journeyed from his humble beginnings directly into the dark heart of the zombie apocalypse, and became the self-proclaimed leader of a small town called Woodbury. In The Road to Woodbury, an innocent traveler named Lilly Caul wound up in the terrifying thrall of Phillip Blake's twisted, violent dictatorship within Woodbury's ever tightening barricades. And now, in The Fall of the Governor, the Governor's descent into madness finally erupts in a tour de force of action and horror. Beloved characters from the comic book, including Rick, Michonne, and Glenn, finally make their entrance onto this nightmarish stage, and fans of The Walking Dead will see these characters in a whole new light. Simmering grudges boil over into unthinkable confrontations, battle lines are drawn, and unexpected twists seal the fates of the innocent and guilty alike.

The Walking Dead Vol. 1 St. Martin's Griffin

Written by Jay Bonansinga, based on the original series created by Robert Kirkman, The Walking Dead: Descent follows the events of The Fall of the Governor, and Lilly Caul's struggles to

rebuild Woodbury after the Governor's shocking demise. Out of the ashes of its dark past, Woodbury, Georgia, becomes an oasis of safety amidst the plague of the walking dead – a town reborn in the wake of its former tyrannical leader, Philip Blake, aka The Governor. Blake's legacy of madness haunts every nook and cranny of this little walled community, but Lilly Caul and a small ragtag band of survivors are determined to overcome their traumatic past... despite the fact that a super-herd is closing in on them. This vast stampede of zombies, driven by inexorable hunger and aimed directly at Woodbury, becomes their first true test. But Lilly and company refuse to succumb, and in a stunning counteroffensive, the beleaguered townspeople save themselves by joining forces with a mysterious religious sect fresh from the wilderness. Led by an enigmatic preacher named Jeremiah, this rogue church group seems tailor made for Woodbury and Lilly's dream of a democratic, family-friendly future. The two factions meld into one, the town prospers, and everything seems hopeful for the first time since the plague broke out. But things – especially in the world of the walking dead – are often not what they seem. Jeremiah and his followers harbor a dark secret, the evidence of which very gradually begins to unravel. Along with a popular TV show also based on Kirkman's AMC comic books, The Walking Dead franchise is just getting better and better with Bonansinga's newest novel. In a stunning and horrifying finale, the world for Lilly and her close friends is turned upside down, and it is solely up to Lilly Caul to cleanse the town once and for all of its poisonous fate. These novels continue to be a great companion for fans of the television series and graphic novels!

The Walking Dead: The Fall of the Governor: Part One Macmillan

In this riveting, "gory, and action-packed" (Jonathan Maberry) survival thriller, set in the expansive world of Robert Kirkman's The Walking Dead series, three people from different walks of life in China must join forces against the typhoon of undead as chaos sweeps over Asia. In the aftermath of the zombie virus outbreak, what remains of the Chinese government has estimated that one billion walkers (called jiangshi) are currently roaming through the country. Across this dramatic landscape, large groups of survivors have clustered together for safety in villages and towns that have been built vertically as a means of protection against the unceasing wave of jiangshi. Before this devastation, Zhu was one of the millions of poor farmers who left their rural roots for the promise of consistent employment in one of China's booming factory towns. Elena was an American teaching English in China while on a gap year before beginning law school. Hengyen was a grizzled military officer of some renown, and a passionate believer in his nation's ability to surmount any obstacle. But with

the settlement's 3,000 mouths to feed and the scavengers having to travel further and further in search of food, Zhu ends up at his home village, where he is shocked to find survivors. Does he force them to join the settlement or keep their existence a secret? Meanwhile, Hengyen is tasked with the impossible: fortifying the Beacon against a 100,000-strong "typhoon" of walkers heading their way. Even though he realizes that the Beacon hardly stands a chance, Hengyen is a believer and will stand with his compatriots to the very last, bringing him into conflict with Zhu, who intends to flee the path of the typhoon and make for the safety of China's dramatic mountain ranges before it's too late. Given "two decaying thumbs up," (Jonathan Mayberry, author of *Rot & Ruin*), this book is sure to get your heart racing and leave you wanting more!

The Walking Dead Vol. 14 Image Comics

Out of the ashes of a devastated Woodbury, Georgia, two opposing camps of ragtag survivors develop – each one on a collision course with the other. Underground, in the labyrinth of ancient tunnels and mine shafts, Lilly Caul and her motley crew of senior citizens, misfits, and children struggle to build a new life. But a secret ambition still burns in Lilly's heart and soul. She wants her beloved town of Woodbury back from the plague of walkers, and now the only thing that stands in her way currently roams the wasted backwaters of Georgia... Way out in the hinterlands, amidst the rising tide of walkers that seem to be pushing in from all directions, the psychotic Reverend Jeremiah Garlitz rebuilds his army of followers with a diabolical secret weapon. He has designs on the destruction of Lilly and her crew – the very people who vanquished his cultish church – and now, for the first time, he has the means to bring a special brand of hell down upon the tunnel dwellers. The final confrontation between these two human factions unleashes an unthinkable weapon – forged from the monstrous hordes of undead, perfected by a madman, and soaked in the blood of innocents.

The Walking Dead Macmillan

Robert Kirkman (b. 1978) is probably best known as the creator of *The Walking Dead*. The comic book and its television adaptation have reinvented the zombie horror story, transforming it from cult curiosity and parody to mainstream popularity and critical acclaim. In some ways, this would be enough to justify this career-spanning collection of interviews. Yet Kirkman represents much more than this single comic book title. Kirkman's story is a fanboy's dream that begins with him financing his irreverent, independent comic book *Battle Pope* with credit cards. After writing major titles with Marvel comics (*Spider-Man*, *Captain America*, and *X-Men*), Kirkman rejected companies like DC and Marvel and publicly advocated for creator ownership as the future of the comics industry. As a partner at Image, Kirkman wrote not only *The Walking Dead* but also *Invincible*, a radical reinvention of the superhero genre. *Robert Kirkman: Conversations* gives insight to his journey and explores technique, creativity, collaboration, and the business of comics as a multimedia phenomenon. For instance, while continuing to write genre-based comics in titles like *Outcast* and *Oblivion Song*, Kirkman explains his writerly bias for complex characters over traditional plot development. As a fan-turned-creator, Kirkman reveals a creator's complex relationship with fans in a comic-con era that breaks down the consumer/producer dichotomy. And after rejecting company-ownership practices, Kirkman articulates a vision of the creator-ownership model and his goal of organic creativity at Skybound,

his multimedia company. While Stan Lee was the most prominent comic book everyman of the previous era of comics production, Kirkman is the most prominent comic book everyman of this dynamic, evolving new era.

Robert Kirkman's The Walking Dead: Descent Skybound Books

"How many hours are in a day when you don't spend half of them watching television? When is the last time any of us really worked to get something we wanted? How long has it been since any of us really needed something that we wanted? The world we knew is gone. The world of commerce and frivolous necessity has been replaced by a world of survival and responsibility. An epidemic of apocalyptic proportions has swept the globe causing the dead to rise and feed on the living. In a matter of months society has crumbled. No government, no grocery stores, no mail delivery, no cable TV. In a world ruled by the dead, we are forced to finally start living"--Page 4 of cover.

The Walking Dead Vol. 17 Macmillan

The latest novel in the TV smash hit and New York Times bestselling *Walking Dead* series from Jay Bonansinga. To risk everything... She has weathered over four years of the apocalypse. She has done things that she would not have dreamt of doing in her darkest nightmares. But she has survived. And now, she has staked a claim in the plague-ravaged city of Atlanta. It is a safe haven for her people, rising high above the walker-ridden streets, a place of warmth and comfort. But for Lilly Caul, something is missing... She still dreams of her former home—the quaint little village known as Woodbury—a place of heartache as well as hope. For Lilly, Woodbury, Georgia, has become a symbol of the future, of family, of a return to normal life amidst this hell on earth. The call is so powerful that Lilly decides to risk everything in order to go back... to reclaim that little oasis in the wilderness. Against all odds, against the wishes of her people, Lilly leads a ragtag group of true believers back across the impossible landscape of walker swarms, flooded rivers, psychotic bands of murderers, and dangers the likes of which she has never known. Along the way, she discovers a disturbing truth about herself. She is willing to go to the darkest place in order to survive, in order to save her people, in order to do the one thing she knows she has to do: Return to Woodbury.

through the death and confusion to try and find his wife and son.
Collects issues #1-6.

Robert Kirkman's The Walking Dead: Search and Destroy Image Comics, Inc.

The Walking Dead Compendium is here! Since 2003, Robert Kirkman's The Walking Dead has been redefining the survival horror genre with its unique and vivid account of life after the end of the world. Although the cast is diverse and often changing (including, of course, a great number of zombies), at the heart of every tale is Rick Grimes: former police officer, husband, father,

and de facto leader of a ragtag band of survivors looking to make a future for themselves in a world that no longer has one. To call The Walking Dead a zombie tale is accurate to a point, but it touches on only one facet of a story that asks timeless questions about what it means to live. It also asks whether or not this is possible in a world full of the dead. This is a great opportunity to experience this gripping read for the first time or catch up on the tale with the first four years worth of material, collected in one volume for the first time. The first eight volumes of this fan-favorite series collected into one massive collection. This volume collects THE WALKING DEAD #1-48.
