21st-century Gothic

Simon and Schuster
 This omnibus of the
 Matchmaker Series
 contains over 1200
 pages of sizzling
 romance! Seconds to
 Act She's sent back in
 time to prevent an
 innocent man's
 murder, but she wasn't
 supposed to fall for
 him...or was she?
 Starving artist April
 McCall tolerates her job
 for her brother's sake,
 and when her
 boyfriend proposes,
 she can't decide if
 good enough is good
 enough any longer.
 Promised a distraction,
 April accepts her
 quirky roommate's
 dream experiment, but
 as she's drifting off,
 she's given a surprising
 mission: Prevent Sam

Hartley's arrest in
 1852, otherwise he will
 be murdered. In 1852
 Wisconsin, Sam Hartley
 wishes to return to
 blacksmithing, where
 he could use his hands
 to create, but until
 something is done
 about his tyrannical
 boss, he's trapped.
 When an extraordinary
 woman comes asking
 for him, escalating
 threats and her
 suspicious knowledge
 force him to keep her
 close. But too soon he
 must decide if risking
 her safety is worth
 mending his heart.
 Hours to Arrive Thrust
 back in time, he's on a
 mission to prevent a
 woman's murder.
 Falling for her wasn't
 part of the plan,
 neither was earning
 himself a spot on the
 hit list. Veterinarian
 Mathew McCall wants a
 family of his own, but

plenty of worries are in his way: his sister is missing and his clinic is drowning in debt. When his sister's roommate asks for help on a dream project, Mathew reluctantly volunteers, because he just can't say no to a person in need. Before drifting off, he's given a mission: Prevent the capture of a rebellious spitfire, otherwise she will be murdered. In 1853 Wisconsin, Verity Arris angered the wrong person, and now she's hiding from the vengeance-seeking tyrant on her family's farm, daydreaming of making her mark on the California Gold Rush. When a strange man brings her to the future, Verity doesn't know if she can give up her dreams for him. Days to Hide Thrust

back in time, she's on a mission to save a good man turned bandit. Joining the notorious outlaws isn't part of the plan. Becca Wagner quits her job after her ex-husband flaunts his new life at her desk. Before she can beg for her job back, Becca's asked to participate in a dream study with promises of healing. Eager for any distraction, she accepts, but she's given an unusual task: Convince a farmer to accept a crooked sheriff's deal, otherwise he will be killed. In 1854 Wisconsin, farmer Jonathan Arris turned bandit and carries the burden of guilt. Quitting isn't an option- the bandits murder anyone who escapes. When a frustrating woman inserts herself

in his business, it'll take everything he's got to keep them both alive. And when the woman steals his heart, he finally finds a reason to fight back. Years to Savor She has a stalker. He has an ex-wife. Torn apart by time, will the friends rekindle their relationship, or will their enemies doom them first? Kiko Takai wrote a stack of romance novels during her century of matchmaking through time. After reentering the human world, her quest to find a publisher lands her in her best friend's lap--the one she'd abandoned seven years ago. Although thrilled to be reunited, she's heartbroken he's married. Eric Woodson is the vice president of finance at his father's

trade publishing house and success follows him everywhere, except in love. Eric is still fixated on what he forged and lost with Kiko, who vanished seven years ago, so his jealous wife tosses him divorce papers. When the one woman he could never have reappears, Eric is determined to break the friend zone. But when they bump into the man who killed his best friend—her husband, Eric will stop at nothing to keep her safe. Grab your copy today and escape into a dangerous world of tyrants, outlaws, and bandits! Don't forget the prequel, Minutes to Live, ISBN 9781952372001!  Return to the magical
 kingdom first
 introduced in the best-
 selling fantasy
 adventure novel *The
 Castle in the Attic*—an
 “accessible, well told,

and entertaining” sequel (Kirkus Reviews) It's been two years since William used a magical token to enter his model castle, fought a fire-breathing dragon, and defeated an evil wizard. He thought his adventures were over—until the magic medallion turns up again. This time, twelve-year-old William decides to share the secret of the castle, and invites his best friend Jason to join him. Together, the boys enter the castle and ride out into the kingdom in search of Sir Simon, the Silver Knight, William's old friend. But all is not well in this world—a mysterious ghost ship full of skeletons has washed ashore, and a plague of rats is terrorizing the

countryside. As mysterious portents and chilling visions warn of disasters still to come, Jason and William will have to summon all their courage to save the kingdom—and make their way back home. This sequel to *The Castle in the Attic*, a reader favorite for 35 years and nominee for 23 state awards, is filled with intrigue, danger, and acts of courage and heroism. Perfect for young fantasy fans and readers interested in the Medieval world, Elizabeth Winthrop's duo of novels is as thrilling today as when it was originally released. *School Library Journal*
National Geographic Kids
Magic and whimsy meet in this *Howl's*

Moving Castle for a new generation from the critically adored Sophie Anderson, author of *The House with Chicken Legs*. Twelve-year-old Olia knows a thing or two about secrets. Her parents are the caretakers of Castle Mila, a soaring palace with golden domes, lush gardens, and countless room. Literally countless rooms. There are rooms that appear and disappear, and rooms that have been hiding themselves for centuries. The only person who can access them is Olia. She has a special bond with the castle, and it seems to trust her with its secrets. But then a violent storm rolls in . . . a storm that skips over the village and surrounds the castle,

threatening to tear it apart. While taking cover in a rarely-used room, Olia stumbles down a secret passage that leads to a part of Castle Mila she's never seen before. A strange network of rooms that hide the secret to the castle's past . . . and the truth about who's trying to destroy it. Franz Kafka New York : Ungar
Eighteen-year-old Amekia Daterryan is happily living a quiet existence with her parents on the outskirts of Ernsted until her brother, Jorden, comes to visit after a years-long absence. Immediately after he delivers the shocking news that the king wants to hurt him, Amekia and Jorden are separated in the Old Forest during a horrible

rainstorm. Now Amekia must somehow survive long enough to find her way back home. While on a search for food, Amekias growling stomach leads her to the camp of a hermit whose past is shrouded in mystery. After Kytos, who strangely seems to know she was coming, tells Amekia she is an Elementalist with magical abilities that the king desires, she is left with no other choice but to seek refuge with a group of rebels known as the Resistance. With help from Kytos, she embarks on a long journey to find the Resistance. But when she is unexpectedly pulled into an uprising, Amekia soon realizes that sometimes it only takes one person to make a difference as her destiny rises up to

meet her. In this exciting fantasy tale, a young woman seeking refuge from those hunting her is about to discover just how important she is in a world torn by war and betrayal.

 Gods. Always ready to screw you. When Bix the Gatekeeper is summoned from exile a hundred and seventy years early by the goddess of the Norse Under World, the former Dark Ops agent knows there's a catch. On the surface, the terms of the deal are simple. Someone attacked the pantheon's ambassador to the Mid Worlds and left the ambassador in a coma. In exchange for early parole, Bix must identify the perpetrator and drag their soul to

Hel. It'd be a sweet contract, if not for the details. The ambassador is Bix's ex-girlfriend, the lead suspect is the key witness from Bix's trial, and the organization leading the official investigation is the same intelligence guild that disavowed Bix when a covert op went pear-shaped. Undeterred, Bix returns to her old stomping grounds where clues in the smoldering woods of Centralia, Pennsylvania, lead to the waterfront of Washington, DC, and Worlds beyond. Once valued for her skills creating passageways as small as a capillary or as large as a continent, Bix's success now depends on the relationships she was forced to abandon. As she

squares off against friends who betrayed her and enemies keen to destroy her, Bix follows a trail of secrets, torture, and treason that leads to the very superpowers who banished her. With her freedom on the line and revenge within reach, this highly-trained operative will take on Fates, dragons, angels, and gods to get exactly what she wants. Hel hath no fury like a burned spy.

Reality is relative in the mind of the beholder. In the reality of the mind, all things are possible. In science a particle flows all ways. If it can happen, it will happen. So, somewhere far away, in a distant universe quite similar to our

own, this story most definitely could be true, even if it's just a thought tucked away inside someone's mind. But for now, in our reality, this is just a dream. Merging with the quantum bio suit, Professor O straps on a parachute before grabbing the new born baby he laid conveniently on the floor. His leg, still bleeding from the wreck, was bandaged with some cloth torn from an old shirt. The baby cooed on the floor as the professor tied on the cloth. Now, baby in hand, he flashes through time. Popping out in the sky, exactly where Mai programmed, the professor releases his parachute. He did it this way in an open field, high in the sky, to avoid accidentally

merging with some random animal, or whatever else might be running across the ground. Standing in the distance by a tree, completely unnoticed by the professor, a bright young reporter drops his cup of coffee to the ground, warm latte splashes everywhere. This was definitely a big scoop. Rushing to his old red scooter, he grabs his camera. Looking back to the sky, he knew the opportunity was gone. Back in the future, Dr. Stein, who is desperately trying to steal the professor's work, directs Mr. Ruse into a metal cage, giving him a clump of gold. His destination was much closer to the professor's than the place where Sasha was running through the woods, a place where

some say a dragon is in the sky. Tristan, yet to learn any of this, connects them all.

Storming the Castle

Ithaca [N.Y.] : Cornell University Press
Gwen, Pete, and the others have escaped from Everland. But the safe haven they hoped to find at Alnwick Castle doesn't exist. With the Queen of England on her deathbed, Duchess Alyssa has stepped in, but things have gotten worse as the cure Doc created for the Horologia virus has mutated, accelerating the disease. The only possible solution he can think of is to go back to the virus's origin: an extinct poisonous apple. Legend has it a tree bearing the apple might be found at the center of a deadly

labyrinth hidden deep within Germany. A place that no one in their right mind enters. With no other options, Alyssa sets out with only her sword, her wits, and the help of Maddox Hadder, a wild boy who oversees the castle gardens. To get to the center of the maze, she'll be forced to battle monsters more terrifying than her darkest nightmares. But can anyone truly survive the madness of the maze? And what if there's no apple to be found there?

Children's Books in Print, 2007 Scholastic Inc.

"So who is Ryan Lessard? For a long time he was the 'produce guy,' as this is the only contact I'd ever had with him, seeing him stock

produce at a local supermarket at which we both worked. We never discussed the ripeness of lettuce, or what season was best for growing tomatoes and, whereas, I'm sure neither of us lost much sleep over that fact, what is unfortunate is that it took almost 10 years before I knew that he was much more than just the 'produce guy.' Ryan is not just a poet, or a writer for that matter; he's what I call a reactive visionary. He's not a prophet; he simply sees. And then he writes. His poetry comes from all elements of life, things that he embraces and expresses to the fullest. His words are honest and powerful without being overtly obvious, or strung out with clichés and

typicality; his mind is a maze, one you will want to get lost in-and lose yourself in-time and time again. There isn't enough poetry like this in the world. It's gut wrenching, but not vomit-inducing like a lot of so-called modern poetry. It'll trap you, yet it's irresistibly inviting. His words are many things; forgettable is not one of them." -Kenneth Wood Author of *The Silent Winds of October* "He paints the canvas of the mind with the color of thought. What is real remains the same and what was once surreal becomes more than that. A catalyst for the movement he, too, is a ready man, prepared for the cascaded journey ahead. Remembering the past, recognizing the now,

and understanding the randomness of the future that may be encountered, no sunrise will go unnoticed; the sun will not set until the task at hand is complete. The illumination places him in his own reflection, forcing the confirmation of his existence, and the evaluation of ours. The power lies within him, it's on the mind." -Liam Ahearn Author of *Floating Back To the Present Tense* Scholastic Inc. Acclaimed author Pang follows up "A Brush of Darkness" with this gripping fantasy. Original.

The classic children's story about a young boy, his toy castle, and a magical adventure that reveals the true meaning of courage. When his beloved caretaker Mrs. Phillips tells him she's leaving, William is devastated. Not even her farewell gift of a model medieval castle helps him feel better—though he has to admit it's fascinating. From the working drawbridge and portcullis to the fully-furnished rooms,

it's perfect in every detail. It almost seems magical. And when William looks at the silver knight, the tiny figure comes to life in his hand—and tells him a tale of a wicked sorcerer, a vicious dragon, and a kingdom in need of a hero. Hoping the castle's magic will help him find a way to make his friend stay, William embarks on a daring quest with Sir Simon, the Silver Knight—but he will have to face his own doubts and regrets if he's going to succeed. William's story continues in *The Battle for the Castle*, available as a redesigned companion edition. The Castle in the Attic
 Holiday House
 Rivalry and battle abound in this action-packed historical adventure of the English Civil War 1643. Sir William Waller's army has been defeated on Roundway Down, his infantry left stranded on the bleak slopes at the mercy of the Royalist cavalry. Sir Ralph Hopton is now free to turn his attention to Parliament's bastion in

the West – Bristol. The city walls are strong enough but Bristol has precious few men and even fewer guns with which to defend them. And to make matters worse, rumour has it that Prince Rupert, the bane of Parliament's cause, is on his way from Oxford to reinforce Hopton. But for William Sparrow, captured on Roundway, such fears are distant. His fight against the King seems to be over and he is to be sold into slavery and shipped to the West Indies. Hugo Telling has fallen victim to confused fighting and is a prisoner of Parliament. The war between the two men for Bella Morrison's affections is at an impasse... The second thrilling instalment of *The Shadow on the*

Crown series, *Storming Party* is perfect for fans of David Gilman and Bernard Cornwell.

 As an empire dies, three warriors will rise. They will have to ride the storm or drown in its blood. "An exciting new author in fantasy."
 —Mark Lawrence, author of *Red Sister*
 Seventeen years after

rebels stormed the streets, factions divide Kisia. Only the firm hand of the god-emperor holds the empire together. But when an unexpected betrayal destroys a tense alliance with neighboring Chiltae, all that has been won comes crashing down. In Kisia, Princess Miko Ts'ai is a prisoner in her own castle. She dreams of claiming her empire, but the path to power could rip it, and her family, asunder. In Chiltae, assassin Cassandra Marius is plagued by the voices of the dead. Desperate, she accepts a contract that promises to reward her with a cure if she helps an empire fall. And on the border between nations, Captain Rah e'Torin and his warriors are exiles forced to fight in

a foreign war or die. War built the Kisian Empire. War will tear it down. We Ride the Storm is the epic launch of a bold and brutal fantasy series, perfect for readers of Mark Lawrence, John Gwynne, and Brian Staveley. Praise for *The Reborn Empire*: "Imaginative world building, a pace that builds perfectly to a heart-pounding finale and captivating characters. Highly recommended." —John Gwynne, author of *The Faithful and the Fallen* "A complex tale of war, politics, and lust for power." —The Guardian *The Reborn Empire We Ride the Storm We Lie with Death For more from Devin Madson, check out: The Vengeance Trilogy The Blood of Whisperers The Gods*

There are many histories of how wars have begun, but very few which discuss how they have ended. This book fills that gap.

Beginning with the Stone Age and ending with globalized terrorism, it addresses the specific issue of surrender, rather than the subsequent establishment of peace. At its heart is the individual warrior or soldier, and his or her decision to lay down arms. In the ancient world surrender led in most cases to slavery, but a slave still lived rather than died. In the modern world international law gives the soldiers rights as prisoners of war, and

those rights include the prospect of their eventual return home. But individuals can surrender at any point in a war, and without having such an effect that they end the war. The termination of hostilities depends on a collective act for its consequences to be decisive. It also requires the enemy to accept the offer to surrender in the midst of combat. In other words, like so much else in war, surrender depends on reciprocity - on the readiness of one side to stop fighting and of the other to accept that readiness. This volume argues that surrender is the single biggest contributor to the containment of violence in warfare, offering the vanquished the

opportunity to survive and the victor the chance to show moderation and magnanimity. Since the rules of surrender have developed over time, they form a key element in understanding the cultural history of warfare.

Storming a Castle

Canelo

After a near-fatal encounter with a serial killer, reporter Alex Bernier is assigned to cover efforts to rescue a vaudeville theater in

Gabriel, New York. But when it is torn down, the body of a young actress who vanished in 1926 is found. As Alex delves into the long-buried mystery, someone is killing the people who tried to save the theater, and is more than willing to add Alex to his list.

The BFI Companion to Horror Burns & Oates

The Angra Energy Corporation kidnaps Donald Belparti's lover in order to force him to use his special ability to directly influence computers.
