ELAINE ADRIEL

The Merovingian Mythos and the Mystery of Rennes-Le-Chateau

Glorian Publishing
There is far more to the Baphomet than mere idolatry; its angel-devil zoömorphy hermaphroditic idol, with its flaming torch between its horns, conceals the Illuminated formulae of the Beast and his Scarlet Woman. It is the symbol of those primordial power zones whose colour is blood red, and such mysteries as are served in Tantric rites of the black goddess Kali, whose

talisman is blood and whose totem is the goat. Symbolising the conjunction in Capricorn of Yesod (Luna) and Tiphareth (Sol) ie the solar eclipse or black sun (Black Son, Antichrist), it is the harbinger of Apocalypse, Opening the Way to the Black Aeon, and the embodiment of the Left Hand Path. *The Lost Teachings of the Cathars* HarperCollins UK This hardbound edition of Yarker's classic opus is not merely another facsimile edition. It has been completely reformatted, yet retains a look and feel that is comparable to the original 1909 edition, right down to the blue cloth binding and gold stamped spine.

From Alchemy to Zoroaster, and everything in between, The Arcane Schools continues to be one of the most comprehensive and authoritative works concerning the history and migration of the Western Mystery Tradition. Students of Freemasonry, Rosicrucianism, and Theosophy will find this to be an indispensable addition to their collection.

The Baphomet DigiCat
It is commonly known that the United States was founded by men with a philosophy grounded in the occult: namely Freemasons, who saw in the US a potential "New Atlantis," which would

guide the nations towards a New World Order of peace, democracy, and enlightenment. But what few people understand is the correlation between the esoteric doctrines of Masonry and the economic principles that underpin the American economy. Few understand that the dollar is a unit of magical energy, and the dollar bill itself a magical talisman. Although many words have been written by conspiracy theorists analyzing the Masonic symbols on the one dollar bill, no one has yet been able to sufficiently explain why these symbols are there, or what they really mean. Solomon's Treasure explains how the magic of the dollar operates. The creation of money by the Federal Reserve, and its exponential multiplication by the procedures of the banking system, is analogous to the creation and multiplication of gold in the metaphysical practice of alchemy. The members of the Federal Reserve Board are in many ways like sorcerers, conjuring wealth seemingly out of thin air and distributing it at will to transform the American economy according to their desires. The dollar is "fiat currency," declared

into existence by the central bank in a manner similar to the creation of the universe by the divine words "Let there be light!" This system depends entirely on a religious faith by the American people in the supernatural power of the dollar. This faith is reinforced by the financial terminology currently in use, as well as by watchwords and symbols found on American money. These act as magical charms, and also as tokens of communal trust in, and fidelity to, the dollar as an institution. Every time a person spends a dollar, or accepts a dollar as payment, they are confirming their belief in the dollar, and using it to exercise their spiritual will. Even the familiar dollar (\$) sign has an occult meaning which is linked with these ideas. Solomon's Treasure reveals the role played by the proto-Masonic Order of Knights Templar in the development of capitalism and the modern banking system. Because of their pivotal contributions, numerous modern financial terms, monetary concepts, and banking practices can be traced back to the Templars. Perhaps most shocking are the links between the

treasure of King Solomon, purportedly discovered by the Knights Templar, and America's wealth. In Solomon's Treasure, author Tracy R. Twyman explains how time-honored esoteric wisdom principles of wealth creation have been passed down through the ages: from King Solomon, to the Knights Templar, to the Freemasons, and ultimately to the architects of the US dollar. *King Solomon's Goat* Sovereign World Ltd UNIMAGINABLE RAPE, TORTURE AND BLOODY RITUALS. . . LEADING POLITICIANS INVOLVED IN CHILD ABUSE RINGS. . . U.S. PRESIDENTS AND VICE PRESIDENTS COMPLICIT. . . USE OF OCCULT AND 'SATANISM' AS TRAUMA BASE . . . ANTI-CHRISTIAN NIGHT SERVICES AT CHRISTIAN CHURCHES. . . Plus Exposing The Mind Controlled "Stepford Whores," as well as Human Sacrifices at Bohemian Grove Retreat . . . Indeed, what do Satanism, human trafficking, mind control experiments and child sex abuse have to do with the U.S. government? According to the testimony of experts and survivors, the CIA utilized all of these elements and

more for their Top Secret Project Monarch, part of the MK-ULTRA mind control program. For reasons of National Security, dozens if not hundreds of people, many of them children, were allegedly subjected to unimaginable rape, torture, and bloody satanic rituals, with the aim of fracturing the human mind through trauma. This created multiple personalities that could then be programmed to perform specific tasks . . . Many of the purported victims say they were used to satisfy the sexual urges of the rich and powerful, even U.S. presidents. . . For these purposes, the CIA is said to have sought help from intergenerational cults, as well as child pornography and snuff film networks. As thousands of people were bought and sold on the underground sex market, our government supposedly looked the other way, seeing it not as an atrocity, but as an opportunity. CONTAINS INTERVIEWS WITH: CATHY O' BRIEN -- MARK PHILLIPS -- JOHN DECAMP -- TED GUNDERSON, NOREEN GOSCH -- AND PAMELA FREYD
The Key of Solomon the King Weiser Books

In this shocking exposé, investigative researcher and author S. K. Bain reveals the truth behind the mass-murdering psychopaths responsible for the events of September 11, 2001, and reconstructs the occult-driven script for this Global Luciferian MegaRitual. As Bain uncovers, the framework for the entire event was a psychological warfare campaign built upon a deadly foundation of black magick and high technology. The book details the sinister nature of the defining event of the 21st century and explains the vast scope of the machinery of oppression that has been constructed around us. The Mass of Baphomet Cosimo, Inc.
 Egyptologist Gerald Massey challenged readers in *A Book of the Beginnings* to consider the argument that Egypt was the birthplace of civilization and that the widespread monotheistic vision of man and the metaphysical was, in fact, based on ancient Egyptian mythos. In *The Natural Genesis*, presented here in an omnibus edition, Massey delivers a sequel, delving deeper into his compelling polemic. In Volume I, he offers a more

intellectual, fine-tuned analysis of the development of society out of Egypt. From the simplest signs (numbers, the cross) to the grandest archetypes (darkness, the mother figure), Massey carefully and confidently lays the cultural and psychosocial bricks of evolutionism. Volume II provides detailed discourse on the Egyptian origin of the delicate components of the monotheistic creed. With his agile prose, Massey leads an adventurous examination of the epistemology of astronomy, time, and Christology-and what it all means for human culture. British author GERALD MASSEY (1828-1907) published works of poetry, spiritualism, Shakespearean criticism, and theology, but his best known works are in the realm of Egyptology, including *The Book of the Beginnings*, *The Natural Genesis*, and *Ancient Egypt: The Light of the World*.

 Satanism adopts Satan, the Judeo-Christian representative of evil, as an object of veneration. This work explores the historical origins of this

extraordinary
'antireligion.'

Isis Unveiled Watkins
Media Limited

This is the most exhaustive study ever written on the history and origins of Baphomet, worshipped by the Knights Templar. This investigation into the roots of the figure deals with Gnosticism, Hermeticism, alchemy, demonology, Cabalism, Sufism, the Yezidis, the Mandaean, the Assassins, Freemasonry, witchcraft, Satanism, and biblical mysteries.

Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry

Independently Published
The Western magical traditions are currently undergoing an international resurgence. In *Stealing Fire from Heaven*, Nevill Drury offers an overview of the modern occult revival and seeks to explain this growing interest in ancient magical belief systems. Gnosticism and the Hermetica, the medieval Kabbalah, Tarot and Alchemy, and more recently, Rosicrucianism and Freemasonry, collectively laid the basis for the modern magical revival, which first began to gather momentum in

Europe at the end of the nineteenth century. Western magic has since become increasingly eclectic, drawing on such diverse sources as classical Greco-Roman mythology, Celtic cosmology, Kundalini yoga and Tantra, shamanism, chaos theory, and the various spiritual traditions associated in many different cultures with the Universal Goddess. Drury traces the rise of various forms of magical belief and practice, from the influential Hermetic Order of the Golden Dawn to the emergence of Wicca and Goddess worship as expressions of contemporary feminine spirituality. He also explores Chaos Magick and the occult practices of the so-called Left-Hand Path, as well as twenty-first-century magical forays into cyberspace. He believes that the rise of modern Western magic stems essentially from the quest for personal spiritual transformation and direct experience of the sacred--a quest which the trance occultist and visionary artist Austin Osman Spare once referred to as "stealing fire from heaven." Considered in this light, Drury argues, modern

Western magic can be regarded as a form of alternative spirituality in which the practitioners seek direct engagement with the mythic realm.

The Eloquent Blood

Read Books Ltd

A collection of essays on the Deresthai culture with accompanying extracts from the Dragon Court archives comprising the official history of the Dragon peoples.

Mind Controlled Sex Slaves and the CIA: Did the CIA Turn Innocent Citizens Into Mind Controlled Sex Slaves?

Trine Day

"It came to pass, when Jesus had risen from the dead, that he passed eleven years discoursing with his disciples, and instructing them." The Apostles wrote down what Jesus taught them during those eleven years, resulting in *The Pistis Sophia*, the most important Gnostic scripture. Includes an extensive commentary by Samael Aun Weor.

The Neutron Bomb

Canongate Books

Kalek, a vampire warrior and his dark cadre is left in ruin, then later salvaged by a potential mortal enemy. Meanwhile, a fallen angel and his cult of apostles devise their doctrine of dread to

potentially bring about a new apocalypse over the face of a war ravaged earth.

Children of Lucifer

Devorss Publications

Faces the question of whether a Christian can have a demon, examines various methods of deliverance, and teaches how deliverance can be maintained. This book describes how people can be released from demonic oppression. It includes prayers for deliverance, release from curses, soul ties and Freemasonry.

The Book of Baphomet

Oxford University Press

In the conventional dichotomy of chaste, pure Madonna and libidinous whore, the former has usually been viewed as the ideal form of femininity. However, there is a modern religious movement in which the negative stereotype of the harlot is inverted and exalted. *The Eloquent Blood* focuses on the changing construction of femininity and feminine sexuality in interpretations of the goddess Babalon. A central deity in Thelema, the religion founded by the notorious British occultist Aleister Crowley (1875-1947), Babalon is based on Crowley's favorable reinterpretation

of the biblical Whore of Babylon, and is associated with liberated female sexuality and the spiritual ideal of passionate union with existence. Analyzing historical and contemporary written sources, qualitative interviews, and ethnographic fieldwork in the Anglo-American esoteric milieu, the study traces interpretations of Babalon from the works of Crowley and some of his key disciples--including the rocket scientist John "Jack" Whiteside Parsons, and the enigmatic British occultist Kenneth Grant--until the present. From the 1990s onwards, this study shows, female and LGBTQ esotericists have challenged historical interpretations of Babalon, drawing on feminist and queer thought and conceptualizing femininity in new ways. Tracing the trajectory of a particular gendered symbol from the fin-de-siècle until today, Manon Hedenborg White explores the changing role of women in Western esotericism, and shows how evolving constructions of gender have shaped the development of esotericism. Combining research on historical and contemporary Western

esotericism with feminist and queer theory, the book sheds new light on the ways in which esoteric movements and systems of thought have developed over time in relation to political movements.

Solomon's Treasure

Courier Corporation

Advancing to higher levels of ritual magic with purpose and power requires an exaltation of consciousness--a spiritual transformation that can serve as an antidote to the seeming banality of modern life. Based on Kabbalistic techniques, the teachings of the Hermetic Order of the Golden Dawn, and an Hermetic tradition spanning nearly two thousand years, this innovative new work introduces the history of the Golden Dawn and its mythology, the Tree of Life, Deities, demons, rules for practicing magic, and components of effective ritual. A comprehensive course of self-initiation using Israel Regardie's seminal *Golden Dawn* as a key reference point, *Kabbalah, Magic and the Great Work of Self-Transformation* guides you through the levels of the Golden Dawn system of ritual magic. Each grade in this system

corresponds with a sphere in the Kabbalistic Tree of Life and includes daily rituals, required reading, written assignments, projects, and additional exercises. Knowledgeable and true to tradition, author Lyam Thomas Christopher presents a well-grounded and modern step-by-step program toward spiritual attainment, providing a lucid gateway toward a more awakened state. Finalist for the Coalition of Visionary Resources Award for Best Magick/Shamanism Book The Secret Rituals of the O.T.O. Book Tree

NUMEROUS volumes have been written as commentaries upon the secret systems of philosophy existing in the ancient world, but the ageless truths of life, like many of the earth's greatest thinkers, have usually been clothed in shabby garments. The present work is an attempt to supply a tome worthy of those seers and sages whose thoughts are the substance of its pages. To bring about this coalescence of Beauty and Truth has proved most costly, but I believe that the result will produce an effect upon the mind of the reader

which will more than justify the expenditure. The History of Magic Basic Books

This 1877 publication outlines the aims of the Theosophical Society, which purported to unravel nature's mysteries through occult methods.

The Theosophical Glossary Lulu Press, Inc

Discover everything you ever wanted to know about secret societies like the Freemasons, the historical mystery of Atlantis, why King Arthur, Leonardo da Vinci and Hitler are key figures, plus conspiracy theories, forgotten sciences and ancient wisdom.

The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the

acknowledgment and passion it deserves as a classic of world literature.

The Arcane Schools Prabhat Prakashan

From a master historian, the definitive account of history's first terrorists An offshoot of the Ismaili Shi'ite sect of Islam, the Assassins were the first group to make systematic use of murder as a political weapon. Established in Iran and Syria in the eleventh and twelfth centuries, they aimed to overthrow the existing Sunni order in Islam and replace it with their own. They terrorized their foes with a series of dramatic murders of Islamic leaders, as well as of some of the Crusaders, who brought their name and fame back to Europe. Professor Lewis traces the history of this radical group, studying its teachings and its influence on Muslim thought. Particularly insightful in light of the rise of the terrorist attacks in the U.S. and in Israel, this account of the Assassins--whose name is now synonymous with politically motivated murderers--places recent events in historical perspective and sheds new light on the fanatic mind.
