Based on Disney and Pixar's film *Turning Red*, this middle grade novel explores the crazy, amazing, and often-times hilarious experiences of thirteen-year-old Meilin Lee. Meilin Lee started out like any other thirteen-year-old: hanging out with her friends, dealing with middle school, and helping her family. You know, normal stuff. Then one day . . . POOF! Suddenly, she was a GIANT. RED. PANDA. She thought her life was over, but it turned out only to be the beginning. People may think they know the real Meilin, but don't be fooled by the fluffy exterior. This Red Panda Girl has A LOT to say! Check out these other best-selling favorites: Disney/Pixar *Turning Red: Mei's Little Box of Big Feelings* Disney/Pixar *Turning Red: Like Mother, Like Daughter* Disney/Pixar *Onward: The Search for the Phoenix Gem* Disney/Pixar *Onward: Quests of Yore*

Explores both the technology and marketing decision-making in a world-wide industry where product purchasers represent long-term decisions. This book deals with the mainstream switching systems required for the public network. It is about the history of core switching systems and signaling.

**Maritime Security: The SAFE Port Act: Status and Implementation One Year Later** Arms & Armour

Do you believe everything you're told? Journalist Emily Blake is sent back to her hometown to investigate the disappearance of a young girl called Becky Clarke. Emily takes the assignment willingly as the case echoes the disappearance of her childhood friend, Alice Abbott, twenty-five years earlier. Returning to the village, Emily renews old acquaintances and rivalries. She reconnects with her estranged brother Adam, who has never quite recovered from tragic events from their past. While she looks into the disappearance of Becky Clarke, Emily revisits Alice's case but not everyone welcomes her investigation. As lies that have been told for twenty-five years surrounding Alice's disappearance begin to unravel, Emily is drawn deeper into the mystery. What happened to Alice? Will Becky ever be found? And do the answers lie closer to home than anyone ever imagined?

*43°073° SE - Glens Falls, New York Backcountry Atlas* DIANE Publishing

This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Remedial massage therapy uses manual therapy techniques to treat and 'remedy' a problem; but to offer a real remedy you must do more than just relieve pain; you must also understand how the problem came about and how it can be avoided in future. *Advanced Remedial Massage* places the emphasis on remedial therapy as well as massage, and will appeal to students of physiotherapy, osteotherapy and many other manual therapies. The book takes the reader through the practice of remedial massage, the effects and benefits that arise from it, a guide to the human muscular system, basic massage techniques and more detailed treatment practices. Illustrated with more than 200 full-colour photographs and over 50 diagrams, the techniques are easy to follow and understand. This informative guide is a must-have both for students of remedial massage and for professional therapists.

Once Upon a Time . . . Maria Martingale was going to elope. But Phillip Hawthorne, Marquess of Kayne, put a stop to those plans when he learned his younger brother intended to marry a cook's daughter. Now, twelve years later, Maria discovers that the man who holds her fate in his hands is none other than the haughty gentleman who sent her packing—and he's as handsome and arrogant as ever. Happily Ever After? Always the proper gentleman, Phillip will do anything to protect his family from scandal, and when Maria dares to move in right next door, he knows scandal will surely follow. She is as tempting as he remembered . . . and the more he sees her, the harder it is for Phillip to keep his own secret desire for her a secret . . .

Radio Production is for professionals and students interested in understanding the radio industry in today's ever-changing world. This book features up-to-date coverage of the purpose and use of radio with detailed coverage of current production techniques in the studio and on location. In addition

there is exploration of technological advances, including handheld digital recording devices, the use of digital, analogue and virtual mixing desks and current methods of music storage and playback. Within a global context, the sixth edition also explores American radio by providing an overview of the rules, regulations, and purpose of the Federal Communications Commission. The sixth edition includes: Updated material on new digital recording methods, and the development of outside broadcast techniques, including Smartphone use. The use of social media as news sources, and an expansion of the station's presence. Global government regulation and journalistic codes of practice. Comprehensive advice on interviewing, phone-ins, news, radio drama, music, and scheduling. This edition is further enhanced by a companion website, featuring examples, exercises, and resources: [www.focalpress.com/cw/mcleish](http://www.focalpress.com/cw/mcleish).

**Taylor Swift: 1989 (PVG)** Apress

*I Will Survive* is the story of Gloria Gaynor, America's "Queen of Disco." It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including "Honey Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

'As thrilling as a detective novel.' The Times 'Powerful, moving and often captivating.' *Financial Times* 'A compelling read for anyone who cares about fairness, justice and humanity.' *Observer* The Sunday Times bestseller \_\_\_ Sarah Langford is a barrister. Her job is to stand in court representing the mad and the bad, the vulnerable, the heartbroken and the hopeful. She must become their voice. Sarah weaves their story around the black and white of the law and tell it to the courtroom. These stories may not make headlines but they will change the lives of ordinary people in extraordinary ways. They are stories which, but for a twist of luck, might have been yours. With remarkable candour, Sarah describes eleven cases which reveal what goes on in our criminal and family courts: these are tales of domestic fall out, everyday burglary, sexual indiscretion, and children caught up in the law. They are sometimes shocking and they are often heart-stopping. She examines how she feels as she defends the person standing in the dock. She also shows us how our attitudes and actions can shape not only the outcome of a case, but the legal system itself. \_\_\_ What readers are saying: \*\*\*\*\* 'Absolutely fascinating . . . thought provoking, powerful and a compelling read.' \*\*\*\*\* 'This book broke my heart at times but also contained humour and such poignant insights into the criminal justice system.' \*\*\*\*\* 'Sarah writes incredibly well - she's informative while maintaining suspense and tension, and conveys so much emotion in her writing

(Yamaha Products). Sound reinforcement is the use of audio amplification systems. This book is the

first and only book of its kind to cover all aspects of designing and using such systems for public address and musical performance. The book features information on both the audio theory involved and the practical applications of that theory, explaining everything from microphones to loudspeakers. This revised edition features almost 40 new pages and is even easier to follow with the addition of an index and a simplified page and chapter numbering system. New topics covered include: MIDI, Synchronization, and an Appendix on Logarithms. 416 Pages.

My Samsung Galaxy Tab 2 Juta and Company Ltd

In 2009, BlackBerry controlled half of the smartphone market. Today that number is one percent. What went so wrong? *Losing the Signal* is a riveting story of a company that toppled global giants before succumbing to the ruthlessly competitive forces of Silicon Valley. This is not a conventional tale of modern business failure by fraud and greed. The rise and fall of BlackBerry reveals the dangerous speed at which innovators race along the information superhighway. With unprecedented access to key players, senior executives, directors and competitors, *Losing the Signal* unveils the remarkable rise of a company that started above a bagel store in Ontario. At the heart of the story is an unlikely partnership between a visionary engineer, Mike Lazaridis, and an abrasive Harvard Business school grad, Jim Balsillie. Together, they engineered a pioneering pocket email device that became the tool of choice for presidents and CEOs. The partnership enjoyed only a brief moment on top of the world, however. At the very moment BlackBerry was ranked the world's fastest growing company internal feuds and chaotic growth crippled the company as it faced its gravest test: Apple and Google's entry in to mobile phones. Expertly told by acclaimed journalists, Jacquie McNish and Sean Silcoff, this is an entertaining, whirlwind narrative that goes behind the scenes to reveal one of the most compelling business stories of the new century.

*Digital Legacy* Rowman & Littlefield Publishers

'It seems to have happened overnight, ' Val thought as she pulled the beers. 'We've become a khaki town.' It's March 1942. Singapore has fallen. Darwin has been bombed. Australia is on the brink of being invaded by the Imperial Japanese Forces. And Val Callahan, publican of The Brown's Hotel in Townsville, could not be happier as she contemplates the fortune she's making from lonely, thirsty soldiers. Overnight the small Queensland city is transformed into the transport hub for 70,000 American and Australian soldiers destined for combat in the South Pacific. Barbed wire and gun emplacements cover the beaches. Historic buildings are commandeered. And the dance halls are in full swing with jazz, jitterbug and jive. The Australian troops begrudge the confident, well-fed 'Yanks' who have taken over their town and their women. And there's growing conflict, too, within the American ranks. Because black GIs are enjoying the absence of segregation and the white GIs don't like it. Then one night a massive street fight leaves a black soldier lying dead on the pavement, and the situation explodes into violent confrontation.

*Disney/Pixar Turning Red: The Real R.P.G.: The Story of the Red Panda Girl* Flatiron Books

1989 is the fifth album from the unstoppable pop force that is Taylor Swift. Released in October 2014, this is the first album that she has officially declared as full-on pop, and the catchy hooks, fun lyrics and danceable rhythms make this a fantastic songbook to learn from. Each piece is arranged for Piano and Voice, with Guitar chord boxes and full lyrics. You'll be able to learn every verse and chorus exactly how Taylor Swift sings them, as well as how to play the instrumental parts on the Piano and Guitar. Once you've learned each tune you'll be singing and playing them for years. Song List: - Welcome To New York - Blank Space - Style - Out Of The Woods - All You Had To Do Was Stay - Shake It Off - I Wish You Would - Bad Blood - Wildest Dreams - How You Get The Girl - This Love - I Know Places - Clean
