Wikipedia Before a run, you eat something light that's high in carbohydrates but low in fat, protein, and fiber. Aim to finish eating 90 to 120 minutes before you start running. Keep in mind, however, that every runner is different. Some runners can eat 30 to 60 minutes before a run and finish the workout comfortably. How to Start Running: The Absolute Beginners' Guide That's why there has never been a better time to get into the classic art of sourdough. It's a grounding practice for the heavy times we're in and, unlike other long cooking projects like croissants or braises that require hours of hands-on attention, sourdough only requires a few minutes of care each day in the first week. As it matures, you can enjoy the rewarding process of using it
