O budismo é um dos sistemas de crenças mais práticas e simples em todo o universo e ele pode ajudar a todos os seres vivos e da humanidade para se tornar um melhor ser humano estar em todos os aspectos possíveis. Todos os seres vivos e da humanidade pode ser

despertado em estado de Buda para quem realmente somos, a fim de trazer compaixão, amor, paz e felicidade para a vida cotidiana. O Buda percebeu que que ele não foi o primeiro a tornar-se um Buda. "Houve muitos Buddhas antes de mim e vai haver muitos Buddhas no futuro," O Buda lembrou aos seus discípulos. "Todos os seres vivos têm a natureza de Buda e pode se tornar Budas." Por esta razão, ele ensinou o caminho para o estado de Buda. Sim, Buddha nunca disse a si mesmo como um deus, no entanto, ele foi um grande professor. Quando perguntado se ele fosse um Deus, Buda disse Não. "Então, professor, que é você?" ao que ele respondeu ... "Eu estou acordado!" O budismo não é uma religião como tal; não propõe um Deus externo. Ele não pretende substituir as crenças religiosas existentes de uma pessoa, só para completá-las. "Não acredite em algo simplesmente porque você já ouviu isso. Não acredite em algo simplesmente porque é falado e rumores por muitos. Não acredite em algo simplesmente porque é achado escrito em seus livros religiosos. Não acredite em qualquer coisa meramente na autoridade de seus professores e anciãos. Não acredite em tradições porque foram proferidas por muitas gerações. Mas depois de observação e análise, quando você achar que qualquer coisa concorda com a razão e é propício para o bom e benefício de todos e cada um, em seguida, aceitá-lo e viver de acordo com ele. "Citações de Gautama Buddha! O Buda declarou que não era necessário acreditar em deuses, a fim de atingir a iluminação, mas que seus seguidores podiam acreditar em deuses, se quisessem. A grande maioria dos budistas acreditam em um Deus criador, se a Deus abraâmico, ou de outra. É certamente aceitável dentro de algumas escolas do budismo para os seus seguidores a acreditar em Deus. O eBook é fácil de usar, refrescante e é garantido para ser emocionante e é um excelente recurso para começar um pouco do seu conhecimento histórico com Awakening, Budismo, A vida de Buda, Ensinaamentos

Nowadays thousands of grammar books, textbooks, outlines, references and language guides of Spanish, Portuguese, Italian and French are published year by year. However, all of them teach these languages separately. Here you will find a comparative grammar of the four major Romance languages together based on their grammatical and lexical similarities for you, lovers of foreign languages, to learn and compare Spanish, Portuguese, Italian and French simultaneously. It is an audacious endeavor to find or create a novel way of learning to speak several languages and becoming a multilingual person. It took me over 3 years to finish the book. It consists of over 800 pages, 10 chapters covering all the grammatical aspects of these 4 languages. It includes over 1000 examples, 500 easy-to-follow charts and tables. It contains 138 geographical, historical and cultural facts about Spanish, Portuguese, Italian and French countries. Below I will discuss several reasons why I decided to write this

book and why you need it.1) First of all, this book is written for readers like you who are fond of or would like to learn Spanish, Portuguese, Italian and French simultaneously or just to get an all-round knowledge of all these four Romance languages. It is designed not only for beginners who do not have an extensive knowledge of grammar, yet need a guide through the grammatical concepts of all mentioned above languages, but also intermediate and advanced students who would like to have a reference book of several Romance languages at once.2) Second of all I spent many years learning these languages separately, which was a complete waste of time before I realized it. This book will hopefully save you a great deal of time and allow you to study and compare at a glance the four main Neo-Latin languages.3) Knowledge of foreign languages is fast becoming a necessary requirement for those who are involved in international business, tourism, culture and education. This book offers you four languages to learn, which will make you feel at homewherever you go, whether as a tourist or businessman.4) Learning several languages simultaneously or one by one will train and strengthen your memory and can help stave off such terrible diseases as Alzheimer's.5) If you have never studied several languages at once before and you like challenges, then you should definitely try it. Because it is a really entertaining and challenging task to do. In conclusion, I would like to sincerely thank you for preordering the book and your interest in it. I hope it will help you improve your languages and become multilingual.

This oral history of ex-combatants of the Portuguese colonial war places the reader face-to-face with the men who were conscripted to fight the last and bloodiest of the West's colonial wars in Africa, namely in Angola, Mozambique and Guinea-Bissau (then Portuguese Guinea), between 1961 and 1974. At the forefront of this work are the lived experiences of a wide range of Portuguese veterans, framed by broader insights about the post-war public memory of this event in Portugal. Moving away from stereotypical and polarized images of these ex-combatants, *An Oral History of the Portuguese Colonial War: Conscripted Generation* explores the memories and

consequences of this war for these veterans and their society. Seeking to understand why Portuguese ex-combatants often feel neglected and historically unrecognised, this book presents a thorough portrait of a continually shifting – and at times paradoxical – individual and collective remembrance process.
