Deliverance Kregel Ministry

Most people get hurt and suffer painful memories as a result of living in an imperfect world. But God's original plan for humanity included spiritual, emotional, physical, and relational wholeness. Through the example of Jesus, who heals from the inside out, readers will learn how to experience this wholeness and assist in the healing of others. *Let Jesus Heal Your Hidden Wounds* speaks to the individual who wants to be or already is involved in

healing ministry. This is not another technique for doing healing, but a description of how the prayer minister cooperates with the Holy Spirit to bring healing and deliverance to people with hidden wounds. Each chapter includes several questions for use in a Bible study setting or to provoke further personal reflection. Those called to healing ministries will be taken to a new level of understanding and greater effectiveness from reading and studying this book. And those with hidden wounds will find new hope for restoration and freedom.

Ian Cowie sheds new light on what the healing miracles of Jesus were. Re-translating the original Greek of the Gospels, he carefully dissects the actions and words of Jesus and draws

conclusions which are often at odds with current interpretations. He concludes that there is no justification for saying that 'miracles' break the laws of nature, but that such events are a natural result of using untapped human and divine resources in a universe that is totally consistent.

 Set the stage for unhindered healing. Rejection, depression, guilt, fear--evidence of spiritual bondage in today's world is rampant. The hurt is real, but so is the good news! In this groundbreaking, classic work, Chester and Betsy Kylstra show how you can trace pain and woundedness back to

four foundational sources. True, lasting restoration and healing take place by dealing with these four sources together in an integrated way, instead of as separate areas. In it, the Kylstras provide guiding Scriptures, step-by-step processes, self-inventories, visual aids, tables and real-life stories of people being restored through this integrated, fourfold approach. You can live free! Become who you are meant to be, and help others do the same. "I heartily recommend this book to all who would

Curses and how to deal with them 4. Breaking bondages 5. Casting out spirits 6. Healing the wounded heart 7. Ungodly beliefs 8. Ministering to people 9. House cleansing Appendix: Discerning of spirits Audio Transcripts: (not included - see above) Apostolic Anointing and Ministry (1 of 5) The apostolic anointing is a commissioning, sending, empowerment to impact lives for the kingdom of God. Jesus first sent 12, then 70, and finally all believers. We're all sent by God, we

all have a sphere of influence, and god wants us to be used in this ministry - not only of sharing the gospel, but of healing the sick, and delivering people from evil spirits. Evil Spirits and how they Operate (2 of 5) Examples of Jesus' ministry of deliverance, how He worked, how He operated, and then some of Jesus' teaching as to what evil spirits are and how they operate. How spirits get into people's lives and the ways they operate, leading into a closer examination of the scriptures around deliverance, and what they reveal about demons, and the spirit world. Some basics of the deliverance ministry, leading into a practice exercise (activation). Gateways for Demonic Spirits (3 of 5) Demons need a 'legal doorway' to enter a persons life. In this

session, a check-list of 9 common doorways are explained; and what kinds of things would happen inside a person, as a result of demonic bondage. Curses and How to Deal with Them (4 of 5) For people who have a spiritual world view, blessing and cursing are a great reality. Blessing means there's a flow of spiritual power that brings favour around my life; cursing means there is a flow of spiritual power that obstructs and frustrates and sets me back continually. This session will help you identify when a curse is operating, and how to go about addressing it. This includes a range of heart issues that give legal rights to demons. Jesus came to set us free! Casting out of Spirits (5 of 5) Simple dynamics of how to lead someone through deliverance, including dealing

with some issues of the heart where demons are attached. Beautiful examples of healing encounters. Messages delivered during healing meetings In 1915, Aimee Semple McPherson began traveling around the United States, holding tent revivals, with some crowds reaching well over thirty thousand people. The tent revivals of this vivacious and spirited speaker would last weeks in any given city across the country. She used a brass band, choirs, and props of all sorts in her sermons. During McPherson's ministry, tens of thousands of people were healed when she prayed for them, but she herself took no credit for the healings, instead giving full credit to God. She insisted that divine healing was not found in the emergency room, the world of entertainment, or the scientist's laboratory; it was a church sacrament,

accessible by faith and devotion alone. Divine Healing Sermons is a collection of the messages McPherson preached during her amazing ministry. They remain as powerful and accessible today as they were a century ago.

Is the Spirit of Man Eternal Harrison House

Our Lord Jesus Christ came to re-establish his kingdom on earth. His greatest mission was to establish the lost kingdom of God on earth. To that end, he taught and preached exclusively about the kingdom of God—more than about anything else—through his parables, sermons and miracles. The subject of the kingdom dominated Jesus' message from the first days of his ministry to the last. The book presents scriptural evidences to show that the

kingdom of God was on top agenda of Christ's mission to earth. Jesus never called us to be healed or delivered; he called us to first enter God's kingdom. He performed healing and deliverance only after preaching the Kingdom as those things manifest themselves normally after the Kingdom comes into our lives. When you have Jesus and his Kingdom in your life, you will have everything. God wants to give you his greatest gift first which is His Kingdom. How To Pass From Curse To Blessing

Lake* iUniverse Pentecostal and Charismatic Christianity is a global phenomenon that comprises a quarter of the world's two billion Christians and is growing rapidly. This

volume reveals that the primary appeal of pentecostalism worldwide is as a religion of healing. Contrary to popular stereotypes of flamboyant, fraudulent, anti-medical "faith healing" televangelists who preach a materialistic, "health and wealth" gospel, handle serpents, or sensationally "exorcize" demons, this book offers a more nuanced portrait. The collected essays illumine local variations, hybridities, and tensions in practices on six continents, and depict the extent of human suffering and powerlessness experienced by people everywhere and the attractiveness to many of a global religious movement that promises material relief by invoking spiritual resources. This is the first book of its kind. Achieving the twin goals of thick

description and comparative analysis of global practices is best achieved by bringing area experts into conversation. This volume's distinguished, international team of contributors includes sociologists, anthropologists, historians, political scientists, theologians, and religious studies scholars from North America, Europe, and Africa. Read together, these essays set the agenda for a new program of scholarly inquiry into some of the largest forces of change at work in the world today-globalization, pentecostalism, and healing-each of which is extremely powerful in itself and which together are reshaping our world in vastly significant ways.

Oral Roberts was one of the two giants of the American Charismatic movement—also known as the Healing Revival—the Christian revival movement that began in 1946 and last throughout the 1950s. One of the most recognized preachers worldwide, Oral Roberts' preaching and healing ministries reached masses, and the common people loved his passion and compassion and his outstanding ability to make clear the gospel of Jesus Christ. The 4th Man was Oral Roberts' most loved and requested sermon from the tent crusade days. Through this sermon, Roberts shares how Jesus—revealed in every book of the Bible—will stand by you in the fiery furnaces of life. The 4th Man, and Other Famous Sermons, which was first published in 1951, contains five

of Roberts' best-known sermons preached from the Revival Platform: The 4th Man; Samson and Delilah—Battle of Champions; Why I believe Jesus is Coming Soon and What His Coming Will Mean to You and Me, A Reed or a Rock—Which?; and Demon Possession. Adam heard God speaking to him when he was in the Garden, even though he'd sinned and walked away from God. People can hear the voice of God. We need to learn what it's like and how to

recognise it. Once you become a believer Jesus expects not only would you hear His voice clearly, but you would actually respond and follow Him. So for a believer the number one thing that I would say if you have to learn anything in your life, this is the thing you'd want to learn; how can I build a relationship with Jesus and hear His voice consistently? Grace for Your Journey Baker Books
 23 Sermons Transcripts The Blood of Jesus (4 sermons) The seven different

ways that Jesus bled on the cross represent seven different things that Jesus came to redeem us from, seven things that the blood of Jesus Christ addresses. This series discusses the first use of blood during the passover in Egypt, and then onto the Day of Atonement, where the blood was applied to the mercy seat seven times, and the symbolism of the scapegoat. Sins, Transgressions, and Inequity are compared, and related to exactly how and why Jesus blood was shed for us. First Principles (7 sermons) The Foundational Principles of Christianity, according to Hebrews 6:1-3. Jesus is saying we need to get off foundations and move into maturity, not laying again the foundation. Then he begins to describe the foundations, which are

explained in depth through this seven-part teaching. "Therefore leaving the principles of the doctrine of Christ, let us go on unto perfection, not laying again the foundation of: repentance from dead works; and of faith toward God; of the doctrine of baptisms; and of laying on of hands; and of resurrection of the dead; and of eternal judgment. And this will we do, if God permit." Freedom Conference (4 sermons) Powerful demonstration of the Deliverance Ministry at a 4-day conference in San Diego, based around a detailed explanation the Biblical foundations. This is an important commission for all believers to understand and experience. Mike Connell has a wealth of experience and understanding in this area, and provides exciting teaching and demonstrations.

Let the Kings Arise (4 sermons) Kings dream. Kings declare. Kings prepare and then kings are generous. You're called to be a King! Will you live like a servant who's not enough and always complains and has no dream? Or will you live as a king, begin to dream, begin to declare, begin to prepare and begin to generously give? You have to choose. Breaking Free from Victim Mentality (2 sermons) Victim Mentality is a mentality where the person will not take responsibility. They choose rather to make excuses for why life is like it is, and to find someone or something to blame. When you blame someone, you put responsibility on them, you remove it from yourself, and leave yourself powerless and resentful at how life sucks. This is a way of thinking, it's an

internal choice in your heart. The Prayer of Kings (2 sermons) How many know you're royalty, you're born into a royal family? When you and I give our lives to Jesus Christ, God puts His own spirit and DNA into us. We become changed on the inside through experiencing Christ. We become royalty, part of a kingly family, and of course we need to keep remembering who we are. That's why he keeps saying: here you are, you are chosen, you're a generation chosen by God. You're not a nobody - a nothing. No matter what happened last year, no matter what struggles you had, what pressures, what difficulties, what challenges, today is a new day for God's chosen people. God has great things ahead for you. He has great things ahead for us. Whether they come about,

of course, relies on us making good decisions, and connecting with Him.
