I'm not

looking for a date. I'm definitely not looking for a husband—just one night of passion. I'm in Vegas, after

all. And what happens in Vegas stays in Vegas. So how did I end up with a giant rock on that finger, you

ask? Your guess is as good as mine. Now I'm stuck fake married to the biggest self-centered jerk I've ever met. We agree to keep the charade going for six months to protect our pride and dignity. We have six months to convince everyone we aren't meant to be. Should be easy. I'm sweet, kind, fun Millie. He's cynical, self-absorbed, loner Sebastian. We don't belong together. Convincing everyone

we're married is the easy part. Convincing everyone we're over—that's proving more difficult. Convincing myself that we're over is proving hardest yet. I just have to remember that it was all pretend from the start. We were never together. Pretending we're over is just going back to my life before. But what if I don't want to keep pretending? Pretend We're Over is a standalone

fake marriage spinoff featuring Sebastian from Pretend I'm Yours.  
**Lead: Stage Dive 3** Kylie Scott LLC From the #1 New York Times Bestselling Author Lauren Blakely comes a HOT new standalone romance... Here's what you need to know about me -- I'm well-off, well-hung and quick with a joke. Women like a guy who makes them laugh. Even better if he's loyal and hard-working.

That's me. Enter Natalie. Hot, sexy, smart, and my new assistant. Which makes her totally off limits... Hey, I'm a good guy. Really. I do my best to stay far away from the kind of temptation she brings to work. Until one night in Vegas... Yeah, you've heard this one before. Bad news on the business front, drowning our sorrows in a few too many Harvey Wallbangers, and then I'm banging her. In my hotel room. In her	hotel room. Behind the Titanic slot machine at the Flamingo (don't ask). And before I can make her say "Oh God right there YES!" one more time, we're both saying yes-- the big yes--at a roadside chapel in front of a guy in press-on sideburns and a shiny gold leisure suit. We'll just untie the knot in the morning, right? The trouble is . . . I don't know how to keep my hands off my soon-to-be	ex-wife. <u>Lead</u> 1001 Dark Nights Press He's controlled. Meticulous. Immaculate. No one would expect the proper Duke of Westmead to be a member of London's most illicit secret club. Least of all: his future wife. Having overcome financial ruin and redeemed his family name to become the most legendary investor in London, the Duke of Westmead needs to
---	---	--

secure his holdings by producing an heir. Which means he must find a wife who won't discover his secret craving to spend his nights on his knees - or make demands on his long scarred-over heart. Poppy Cavendish is not that type of woman. An ambitious self-taught botanist designing the garden ballroom in which Westmead plans to woo a bride, Poppy has struggled

against convention all her life to secure her hard-won independence. She wants the capital to expand her exotic nursery business - not a husband. But there is something so compelling about Westmead, with his starchy bearing and impossibly kind eyes -- that when an accidental scandal makes marriage to the duke the only means to save her nursery, Poppy worries

she wants more than the title he is offering. The arrangement is meant to be just business. A greenhouse for an heir. But Poppy yearns to unravel her husband's secrets - and to tempt the duke to risk his heart. "An astonishingly good debut...The whole book is a breath of fresh air, both a complex, layered story and a soaring romance with two very real people at its heart." -- The New York Times Book
