The Travis Family, The Complete Series  
Macmillan

In "Valiant Thor's Book of Ancient Aliens," the illustrious cosmic thinker, Valiant Thor (also known as "The Stranger at the Pentagon"), presents several of his favorite articles from Saucerian publications over the years, throwing interesting new light on the Ancient Aliens meme. Initially edited by the master of the ufological genre himself, Gray Barker, this updated volume will keep any paranormal reader up late at night, wondering at the vastness of space and the immensity of the UFO problem. This special reprint features introductions by Thor and Barker, as well as groundbreaking research from Fortean luminaries like Ingo Swann (on Astrology and Megaliths), Ivan T. Sanderson (on various Forteana), NASA scientist Maurice Chatelain (on Ancient Aliens), Erich Von Daniken (on the ideal spacecraft), John A. Keel (on the Sky Gods), M.K. Jessup (on Ancient Astronauts), W. Raymond Drake (on Spacemen in Ancient History), Jacques

Bergier (on Space Gods and the Birth of Man), and several others. Quality research such as this does not go out of style, and is still applicable - even vital - to our understanding of the UFO riddle today. "The ancient sky gods have perhaps spoken through the very writers of this book..." -Erich Von Daniken "An intelligent look at the intelligences behind our intelligence..." -Ingo Swann "Chances are astronomical that readers will be uplifted..." -Maurice Chatelain

The secrets of coaching excellence are already inside you Successful coaching has long been seen as a mental exercise—in order to do right by the teachers you serve, you put theory into practice, establish orderly processes, analyze data effectively, and implement externally mandated reforms. The truth, though, is that truly great coaches derive their success not just from what they do, but also from who they are. This groundbreaking book, based on research from an innovative mixed-methods study, provides a holistic approach to coaching that honors both mind and heart. As you explore the most important characteristics of the best

instructional coaches—caring, authenticity, trustworthiness, flexibility, and more—you'll develop and hone those same characteristics in yourself. Features include: · A framework and structure for developing the characteristics of effective instructional coaches · Comprehensive analysis of each characteristic · Examples and stories of effective coaching in action · Activities, exercises, and action points · Resources for encouragement and renewal School coaches have the power to make a real difference in the lives and futures of teachers and students. By balancing your outward competencies with the inspirational application of your own inward growth, you'll bring new joy—and success—into your coaching relationships.

Hugo award-nominated author Stina Leicht has created a take on space opera for fans of *The Mandalorian* and *Cowboy Bebop* in this high-stakes adventure. *Persephone Station*, a seemingly backwater planet that has largely been ignored by the United Republic of Worlds becomes the focus for the Serrao-Orlov Corporation as the planet has a few secrets the corporation tenaciously wants to exploit. Rosie—owner of Monk's Bar, in the corporate town of West Brynner, caters to wannabe criminals and rich Earther tourists, of a sort, at the front bar. However, exactly two types of people drank at Monk's back bar: members of a rather exclusive criminal class and those who sought to employ them. Angel—ex-marine and head of a semi-organized band of beneficent criminals, wayward assassins, and washed up mercenaries with a penchant for doing the honorable thing is asked to perform a job for Rosie. What this job reveals will effect *Persephone* and put Angel and her squad up against an army. Despite the odds, they are rearing for a fight with the Serrao-Orlov Corporation. For Angel, she knows that once honor is lost, there is no regaining it. That doesn't mean she can't damned well try.

Dad's Tweed Coat Chris Hart Books  
Written by one of the world's leading baby loss support experts, *The Baby Loss Guide* is designed to help you navigate this complex issue. Whether you have personally encountered loss, or are supporting people through this harrowing time, this book provides practical and compassionate advice. Zoe and her husband Andy have personally faced the loss of five babies. Out of their experiences came the charity *The Mariposa Trust* (more often known by its primary division *Saying Goodbye*),

offering support to thousands of grieving parents and relatives around the world each week. In her first bestselling book *Saying Goodbye* Zoe wrote a moving account of their experiences and how they found a way through loss. In *The Baby Loss Guide* Zoe provides a supportive and practical guide to walk people through their darkest days of suffering and gives them hope for the future. The first half of the book answers the many questions those who encounter loss ask themselves and others, and until now have resulted in people spending hours exploring the internet to gain answers and insight. It is interlaced with personal stories from both men and women who have been there, and tackles the many myths, taboos and assumptions around loss. It also provides clear guidance and advice on how to navigate life following your world imploding, such as: How do I return to work? How do I know if or when I should try again for more children? How do I communicate with my partner about loss? The second half of the book offers 60-days of practical and compassionate support. Whether someone's loss be recent or historic, this support will be a wonderful gift, and will help the person walk the scary path of grief. Zoe's friendly and down to earth approach means she removes the often over used medical terminology, and this makes *The Baby Loss Guide* readable, easy to absorb and a vital source of information and help.

An ode to the girl with scrapes on her knees and flowers in her hair, and every girl in between, this exquisite treasury will appeal to readers of *Dear Girl* and *I Am Enough* and have kids poring over it to find a poem that's just for them. I am a canvas Being painted on By the words of my family Friends And community From Vanessa Brantley-Newton, the author of *Grandma's Purse*, comes a collection of poetry filled with engaging mini-stories about girls of all kinds: girls who feel happy, sad, scared, powerful; girls who love their bodies and girls who don't; country girls, city girls; girls who love their mother and girls who wish they had a father. With bright portraits in Vanessa's signature style of vibrant colors and unique patterns and fabrics, this book invites readers to find themselves and each other within its pages. "A dynamic, uplifting, and welcoming world of girls."--Kirkus "Thoughtful, inclusive, and celebratory"--Publishers Weekly "Bursting with positivity, this would be a great book to use in primary school classrooms when discussing issues of friendship, diversity, and self-esteem."--Booklist *Elvis in His Own Words* Odyssey Editions In these powerful and stylishly written essays, Maria Manuel Lisboa dissects the work of Paula Rego, the Portuguese-born artist considered one of the greatest artists of modern times. Focusing primarily on Rego's work since the 1980s, Lisboa explores the complex relationships between violence and nurturing, power and impotence, politics and the family that run through Rego's art. Taking a historicist approach to the evolution of the artist's work, Lisboa embeds the works within Rego's

personal history as well as Portugal's (and indeed other nations') stories, and reveals the interrelationship between political significance and the raw emotion that lies at the heart of Rego's uncompromising iconographic style. Fundamental to Lisboa's analysis is an understanding that apparent opposites – male and female, sacred and profane, aggression and submissiveness – often co-exist in Rego's work in a way that is both disturbing and destabilising. This collection of essays brings together both unpublished and previously published work to make a significant contribution to scholarship about Paula Rego. It will also be of interest to scholars and students of contemporary painting, Portuguese and British feminist art, and the political and ideological aspects of the visual arts.

"Lake Wobegon Days is about the way our beliefs, desires and fears tail off into abstractions--and get renewed from time to time. . . this book, unfolding Mr. Keillor's full design, is a genuine work of American history." —The New York Times "A comic anatomy of what is small and ordinary and therefore potentially profound and universal in American life...Keillor's strength as a writer is to make the ordinary extraordinary." —Chicago Tribune "Keillor's laughs come dear, not cheap, emerging from shared virtue and good character, from reassuring us of our neighborliness and strength....His true subject is how daily life is shot with grace. Keillor writes a prose that can be turned to laughter, to tears...to compassion or satire, to a hundred effects. He is a brilliant parodist." —San Francisco Chronicle *The Rancher's Wedding* Houghton Mifflin Harcourt From New York Times bestselling author
