The Cult of Smart Library of Alexandria

Named one of Vulture's Top 10 Best Books of 2020! Leftist firebrand Fredrik deBoer exposes the lie at the heart of our educational system and demands top-to-bottom reform.

Everyone agrees that education is the key to creating a more just and equal world, and that our schools are broken and failing. Proposed reforms variously target incompetent teachers, corrupt union practices, or outdated curricula, but no one acknowledges a scientifically-proven fact that we all understand intuitively: Academic potential varies between individuals, and cannot be dramatically improved. In *The Cult of Smart*, educator and outspoken leftist Fredrik deBoer exposes this omission as the central flaw of our entire society, which has created and perpetuated an unjust class structure based on intellectual

ability. Since cognitive talent varies from person to person, our education system can never create equal opportunity for all. Instead, it teaches our children that hierarchy and competition are natural, and that human value should be based on intelligence. These ideas are counter to everything that the left believes, but until they acknowledge the existence of individual cognitive differences, progressives remain complicit in keeping the status quo in place. This passionate, voice-driven manifesto demands that we embrace a new goal for education: equality of outcomes. We must create a world that has a place for everyone, not just the academically talented. But we'll never achieve this dream until the *Cult of Smart* is destroyed.

The Once and Future King MANGA PANGAEA

David Henry Hwang's beautiful, heartrending play featuring an afterword by the author - winner of a 1988 Tony Award for Best

Play and nominated for the 1989 Pulitzer Prize Based on a true story that stunned the world, *M. Butterfly* opens in the cramped prison cell where diplomat Rene Gallimard is being held captive by the French government—and by his own illusions. In the darkness of his cell he recalls a time when desire seemed to give him wings. A time when Song Liling, the beautiful Chinese diva, touched him with a love as vivid, as seductive—and as elusive—as a butterfly. How could he have known, then, that his ideal woman was, in fact, a spy for the Chinese government—and a man disguised as a woman? In a series of flashbacks, the diplomat relives the twenty-year affair from the temptation to the seduction, from its consummation to the scandal that ultimately consumed them both. But in the end, there remains only one truth: Whether or not Gallimard's passion was a flight of fancy, it sparked the most vigorous emotions of his life. Only in real life could love become so unreal. And only in such a dramatic tour de force do we learn how a fantasy can become a man's mistress—as well as his jailer. *M. Butterfly* is one of the most compelling, explosive, and slyly humorous dramas ever to light the Broadway stage, a work of unrivaled brilliance, illuminating the conflict between men and women, the differences between East and West, racial stereotypes—and the shadows we cast around our most cherished illusions. *M. Butterfly* remains one of the most influential romantic plays of contemporary literature, and in 1993 was made into a film by David Cronenberg starring Jeremy Irons and John Lone.

This is Alabaster Penitentiary? Where they send you when the world thinks you're dead. And trust me, you'll wish you were. We're the stain on society. The freaks, the creeps, your favorite Netflix documentaries come to life. They lock us up and throw away the key, because we deserve it. But not me. I'm just a lowly bank robber. I don't belong here, surrounded by psychopaths and killers with no remorse? At least, I don't think I do. Getting by unscathed is my top priority. Unfortunately for me and my fellow prisoners, those in charge are more dangerous than we are. You see, the guards run the show, and I seem to have caught the attention of the most twisted one. He has a name, but it might as well be Officer. We move around one another like a sun and a moon, revolving in an axis of confused lust and torment until the truth is distorted, and the thing I once feared becomes that which I crave; my vile addiction, somehow so exquisite. Reality warps in the dungeon, and I'm left wondering which prison is worse? the one holding my body, or my mind.

Finger Techniques of the Sexy Beast Vol.1 (TL Manga) Tor Books
Based around the pivotal WWII battle of Stalingrad (1942-3), where the German advance into Russia was eventually halted by the Red Army, and around an extended family, the Shaposhnikovs, and their many friends and acquaintances, Life and Fate recounts the experience of characters caught up in an immense struggle between opposing armies and ideologies. Nazism and Communism are appallingly similar, 'two poles of one magnet', as a German camp commander tells a shocked old Bolshevik prisoner. At the height of the battle Russian soldiers and citizens alike are at last able to speak out as they choose, and without reprisal - an unexpected and short-lived moment of freedom. Grossman himself was on the front line as a war

correspondent at Stalingrad - hence his gripping battle scenes, though these are more than matched by the drama of the individual conscience struggling against massive pressure to submit to the State. He knew all about this from experience too. His central character, Viktor Shtrum, eventually succumbs, but each delay and act of resistance is a moral victory. Though he writes unsparingly of war, terror and totalitarianism, Grossman also tells of the acts of 'senseless kindness' that redeem humanity, and his message remains one of hope. He dedicates his book, the labour of ten years, and which he did not live to see published, to his mother, who, like Viktor Shtrum's, was killed in the holocaust at Berdichev in Ukraine in September 1941.

From the fall of 1918 to summer 1919, six YWCA women are attached to the North Russia Expeditionary Forces, an international military mission posted in the city of Arkhangelsk, North Russia. With this change, Clara Taylor's second year working for the YWCA in Russia turns out to be vastly different from her previous year in Moscow. No longer teaching home economics or surveying factory conditions, Clara now finds herself dancing with soldiers at parties, then learning of their deaths in action the next day; reading to ill soldiers in the hospital; and serving hot coffee to ragtag men on the front lines of the Vologda railroad front in the bitter Russian winter. Throughout, she remains strong, courageous, and dedicated to her ideals of service. Even her own hospitalization for appendicitis does not stop her from supporting others in an untenable situation. Able to let loose about her own political views in these letters, Clara writes scathing commentary about the ineptitude of the military command. She also writes of the

frozen landscape, the astounding beauty of the northern lights, homesickness, the strength of the Russian people, and, finally, the overwhelming joy of returning home to her family.

On the 24th of February, 1815, the look-out at Notre-Dame de la Garde signalled the three-master, the Pharaon from Smyrna, Trieste, and Naples. As usual, a pilot put off immediately, and rounding the Chateau d'If, got on board the vessel between Cape Morgion and Rion island. Immediately, and according to custom, the ramparts of Fort Saint-Jean were covered with spectators; it is always an event at Marseilles for a ship to come into port, especially when this ship, like the Pharaon, has been built, rigged, and laden at the old Phocée docks, and belongs to an owner of the city. The ship drew on and had safely passed the strait, which some volcanic shock has made between the

Calasareigne and Jaros islands; had doubled Pomegue, and approached the harbor under topsails, jib, and spanker, but so slowly and sedately that the idlers, with that instinct which is the forerunner of evil, asked one another what misfortune could have happened on board. However, those experienced in navigation saw plainly that if any accident had occurred, it was not to the vessel herself, for she bore down with all the evidence of being skilfully handled, the anchor a-cockbill, the jib-boom guys already eased off, and standing by the side of the pilot, who was steering the Pharaon towards the narrow entrance of the inner port, was a young man, who, with activity and vigilant eye, watched every motion of the ship, and repeated each direction of the pilot. The vague disquietude which prevailed among the spectators had so much affected one of the crowd that he did not await the arrival of the vessel in harbor, but jumping into a small skiff, desired to be pulled alongside the Pharaon, which he reached as she rounded into La Reserve basin. When the young man on board

saw this person approach, he left his station by the pilot, and, hat in hand, leaned over the ship's bulwarks. He was a fine, tall, slim young fellow of eighteen or twenty, with black eyes, and hair as dark as a raven's wing; and his whole appearance bespoke that calmness and resolution peculiar to men accustomed from their cradle to contend with danger.
