### **Raising a Rock-Star Reader**

HarperCollins  
This novel is concerned with twenty-four hours in the life of a Spanish inhabitant of the Algerian sector of Paris. Sharing the only food his neighbors can afford, he has bought himself a beautiful cabbage. In his quarter the very air has become "cabbaged," every sense impregnated with this food of human privation and despair. The cabbage has absorbed the totality of the Algerian ghetto; it is the bread of those not deemed human enough to merit bread. And now, bearing his cabbage home, the narrator becomes involved in a murderous police raid in his street. Arrested with many others, he is thrown into a

closed van and taken to a temporary concentration camp on the outskirts of Paris. There his entire reason, his every effort is bent on retrieving his cabbage from the hands of his tormentors. Finally in the dawn he emerges, still clutching his prize like the Grail--which like its owner has survived the night of torture and murder--to search out in triumph Adele, the Spanish mother, mistress, friend to all Spaniards in Paris, the whore forever reborn in purity and grace, life triumphant over the death of body and spirit.

Gryphon House, Inc.  
The classic collaboration from the internationally bestselling authors Neil Gaiman and Terry Pratchett, soon to be an original series starring Michael Sheen and David Tennant. ?Season 2 of Good Omens coming soon! "Good Omens . . . is something like what would have happened if Thomas Pynchon, Tom Robbins and Don DeLillo had collaborated. Lots of literary inventiveness in the plotting and chunks of very good writing and characterization. It's a wow. It would make one hell of a movie. Or a heavenly one. Take your pick." —Washington Post  
According to The Nice and

Accurate Prophecies of Agnes Nutter, Witch (the world's only completely accurate book of prophecies, written in 1655, before she exploded), the world will end on a Saturday. Next Saturday, in fact. Just before dinner. So the armies of Good and Evil are amassing, Atlantis is rising, frogs are falling, tempers are flaring. Everything appears to be going according to Divine Plan. Except a somewhat fussy angel and a fast-living demon—both of whom have lived amongst Earth's mortals since The Beginning and have grown rather fond of the lifestyle—are not actually looking forward to the coming Rapture. And someone seems to have misplaced the Antichrist . . .

*Hand Lettering and Modern Calligraphy for Kids* Dog Ear Publishing Set in the future when "firemen" burn books forbidden by the totalitarian "brave new world" regime.

*Modern Calligraphy Workshop* Nim Folb Discover everything you need to know about historic flourished hands and how to create elegant, modern artwork inspired by traditional calligraphy techniques in

this follow-up to the first and best-selling lettering book in Walter Foster's Creative...and Beyond series. Beginning with an introduction to pointed pen and how to get started with this timeless tool, you'll find a brief overview of the recommended tools and materials, as well as how to set up your work space. In addition, you will explore essential techniques used throughout the book, learn to hold the pen properly, and find tips for warming up. Talented artist and teacher Laura Lavender introduces you to a wide range of traditional, historic flourished hands and lettering styles, including Copperplate, Spencerian, Italian hand, Bickham script, Victorian embellished capitals, Art Nouveau capitals, Gothic capitals, and more. Each style includes an engaging introduction and history of the hand, an alphabet sampler, step-by-step instructions for creating the letters, and lots of inspirational examples and ideas for using the hand. Throughout the book, you will also find practice templates that can be copied and used time and again to perfect your

technique and style. *Creative Lettering and Beyond: Timeless Calligraphy* is the ideal guide for learning the techniques of traditional lettering styles. *Forgotten Letters* Scholastic Incorporated A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a groundbreaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du

Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Mastering Modern Calligraphy Teaching Resources

One game. Six students. Five survivors. It was only ever meant to be a game. A game of consequences, of silly forfeits, childish dares. A game to be played by six best friends in their first year at Oxford University. But then the game changed: the stakes grew higher and the dares more personal, more humiliating, finally evolving into a vicious struggle with unpredictable and tragic results. Now, fourteen years later, the remaining players must meet again for the final round.

The Complete Book of Chalk Lettering Gryphon House, Inc.

Chalk is based on the life story of a couple who gave birth to twenty-three children. It paints a powerful picture of the life of one black family living in the Southeastern United States of America during the Depression up through the 1960s. The book is divided into three parts of the couple's life together: life in Georgia where they found each other, life in Winston-Salem, North Carolina, where they reared their children, and finally, life during their maturing years where they begin receiving an anticipated

and long-awaited support check from the Social Security Administration to allow the couple to live a more comfortable life in retirement.

Five Days in October is the story of thirteen-year-old Abigail Morgan, who has finally reached the point in her life where she will no longer tolerate her father's sexual abuse. Her decision to leave home results in a journey fraught with unexpected twists and turns, most of which result from her father's power and influence as the county's circuit court judge. Judge Jonathan Morgan, a third-generation politician, has high political aspirations

and wants Abi back home in his control before this becomes public knowledge and ruins his political future. Abi's mother, Rebecca, has been a lush for years. Shaken from her alcoholic doldrums by Abi's revelation, Rebecca embarks on her own journey in an attempt to become the mother Abi needs. Abi and her mother travel their journeys simultaneously in hopes of being reunited and for the justice that always seems to elude them. Judson B. Emens was born and raised in Tusculum, Alabama. He graduated from the University of North Alabama in 1971, majoring in History and Sociology. Shortly thereafter, Judson began his career at the Alabama Department of Human Resources where he spent the next thirty-three years. For twenty-nine of those years, he was the Child Welfare Supervisor, concentrating his efforts in the areas of Child Abuse/Neglect, Foster Care, Protective Services and Adoption. Throughout his life, Judson has seen, first-hand, how tough life can be for a child growing up in a dysfunctional family. In *Five Days in October*, his first novel,

Judson has relied on his personal experience to create this fascinating and overwhelming story. This novel quickly captures the reader in a compelling drama of a teenaged girl trapped in a web of political ambition, power, corruption and abuse. [Keeping Score](#) Walter Foster Publishing  
The perfect companion for pointed pen and digital calligraphers alike, with more than 2,700 letterforms and ligatures, stroke drills, warm-up exercises, flourishes, and simple words and phrases. This beautiful, in-depth guide to modern calligraphy emphasizes experimentation and fun, rather than rigid uniformity. With targeted exercises and lessons aimed at pushing you out of your calligraphy comfort zone, *Mastering Modern Calligraphy* will not only help you master tricks of the trade, but develop your very own modern calligraphy style, too.

**Black Paper Sketchbook** Simon and Schuster  
Reenergize winter classrooms with these fun-filled activities for December, January, and February. [Signs and Symbols](#) Ellen Hill

New York Times bestseller  
In their first book, the Junk Gypsies—sisters and stars of the popular Texas-born brand and HGTV show—combine big dreams, stories of roadside treasures found, and down-home design projects inspired by epic makeovers for friends like Miranda Lambert, Billie Joe Armstrong, and Sadie Robertson. Amie and Jolie Sikes, the Thelma and Louise of the design world, are the Junk Gypsies: a family with an addiction to flea markets, wanderlust, and Americana inspired design. In their world, cowgirls are heroes, road trips last forever, and junk is treasured. Beginning with a little bit of faith and a whole lot of heart and soul, the sisters travelled the back roads of America like gypsies, collecting roadside trinkets and tattered treasures while meeting kindred spirits and lively characters along the way. With a mix of hippie, rock n' roll, southern charm, and big dreams, these small-town Texas girls became restless wanderers and owners and operators of their dream business and bohemian brand, Junk Gypsy. Filled with stories from their unique journey as well as DIY projects

and bohemian inspired designs, Junk Gypsy is a tribute to all the rowdy gypsies, crafty junkers, free-spirited romantics, and true-blue rebels who have ever dared to dream big.

Neon Chalk Lettering Tule Publishing

A perfect gift for anyone who wants to learn the "write" way to craft calligraphy. Calligraphy is about creating something uniquely beautiful, whether to celebrate a special occasion like marriage or to use every day in the form of stationery. Author Molly Suber Thorpe, an award-winning wedding invitation designer and calligrapher based in Los Angeles, works closely with her international clients to give them the distinctive products they're looking for. In *Modern Calligraphy*, you can learn from this experienced expert how to master this fresh modern lettering style. The first book to teach this bold new style breaks the calligraphy process down into simple steps so anyone can learn to create their own stunning wedding invitations, thank you cards, gift tags, and

more. Starting with an overview of the supplies—from paper to ink to pens—you will learn how to form letters, words, and then phrases by following Molly's clear step-by-step instructions, and by practicing with the provided templates. After mastering letter forms using a pointed pen and ink you can take it to the next level by learning how to use watercolor and gouache, or how to digitize your calligraphy. The twenty projects in the book provide lots of inspiration for making your own and are grouped into three sections: weddings, entertainment, and personal stationery. With loads of ideas, practice exercises, and helpful tips, soon you will be turning out gorgeous script calligraphy pieces like the ones featured in wedding magazines and popular websites like Pinterest.

Neon Books: My First Book of the Alphabet Workman Publishing

What if you remembered being born? Imagine your awakening...Tanner Blue is an African-American woman named after the black painter, Henry Tanner. Her memory of being born inspires Tanner Blue to explore her own potential as an

artist. Nurtured by her father and discouraged by her mother, Tanner Blue resorts to the artist's weapon of choice- imagination-in order to pursue her dream. Destiny leads Tanner Blue to a magical world that tests her creative abilities and alters her relationship to reality forever. Tanner Blue is set on the dreamy North Coast of California and in the enticing territory of Blackton. This novel embodies universal

themes of duty, alienation, and self-fulfillment. In the traditions of *The Alchemist* by Paulo Coelho and Richard Bach's *Illusions*, the lessons in Tanner Blue are familiar yet profound. Preview Tanner Blue.
