The Order of Melchizedek: Rediscovering the Eternal Royal Priesthood of Jesus Christ & How it Impacts the Church and Marketplace Autonomedia

"This book began in what seemed like a counterfactual intuition . . . that what had been happening in Nicaraguan poetry was essential to the victory of the Nicaraguan Revolution," write John Beverley and Marc Zimmerman. "In our own postmodern North American culture, we are long past thinking of literature as mattering much at all in the 'real' world, so how could this be?" This study sets out to answer that question by showing how literature has been an agent of the revolutionary process in Nicaragua, El Salvador, and Guatemala. The book begins by discussing theory about the relationship between literature, ideology, and politics, and charts the development of a regional system of political poetry beginning in the late nineteenth century and culminating in late twentieth-century writers. In this context, Ernesto Cardenal of Nicaragua, Roque Dalton of El Salvador, and Otto René Castillo of

Guatemala are among the poets who receive detailed attention.

In this life-changing message Dr. Francis Myles wants to take this opportunity to "Introduce You" to one of the most powerful "Spiritual Orders" that God has ever instituted to service the spiritual needs of "Kingdom citizens" during their "Pilgrimage" here on earth. The "ORDER" of "MELCHIZEDEK." In this explosive teaching Dr. Francis Myles will show you: God's enduring agenda to station on earth a functional body of Kings and Priests who can represent the Kingdom of God accurately. How the Order of Melchizedek will Unleash a "Fathering spirit" in the church and the marketplace, for community transformation. How the Order of Melchizedek saved Abraham's life and gave him an everlasting inheritance in the Kingdom of God. How Jesus Christ's eternal priesthood affects us today and beyond. How you can enter into the dimension of real Kingdom wealth by understanding the Order of Melchizedek. How to grow your spiritual influence beyond the four walls of your Church. How to combat the growing seductive influence of the King of Sodom (the devil) in corporate "board rooms" and in the "corridors" of government. How the Order of Melchizedek can help you "Break Free" of "Generation curses" once and for all. Why the devil and religious institutions do not want you to discover the Order of Melchizedek.... And he will also answer questions such as: Are New Testament Kingdom citizens expected to give "Tithes and Offerings?" Why do so

many Kingdom citizens live below their God given "Kingdom rights and privileges?" How can present day Kingdom business men and women walk in a true "Joseph type of anointing and mandate?" Can the Kingdom of God be advanced through a Political process? How can the Church become a breeding ground of Daniel-type Politicians, who can represent the Kingdom of God faithfully in the corridors of human government?

Destroying the Works of Witchcraft Through Fasting and Prayer Baker Books
 In *Strange Fire*, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? The charismatic movement has always been a breeding-ground for scandal, greed, bad doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of the prosperity gospel. Too many charismatic celebrities promote a “Christianity” without Christ, a Holy Spirit without holiness. And their teaching is having a disastrous influence on a grand scale, as large television networks broadcast their heresies to every part of the world. In *Strange Fire*, MacArthur lays out a chilling case against the modern Charismatic movement that includes: Rejecting its

false prophets. Speaking out against their errors. Showing true reverence to the Holy Spirit. Clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.

Fasting for Breakthrough and Deliverance Whitaker House

Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God’s wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the

most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon's conclusion. Edwards puts it this way, "And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners." While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, "Before the sermon was done there was a great moaning and crying through the whole House, 'what shall I do to be saved; oh, I am going to hell, etc.'" The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, "the amazing and astonishing power of God" was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

Breaking Generational Curses Under the Order of Melchizedek Spiritual Warfare

Walking By Faith is a compilation of my own ideas, of the way I live, of the testimony of my existence, of the things that I believe. I believe in a life full of possibilities, in a life full of infinite possibilities, because I believe that in this life with God hand in hand everything is possible. Walking for Faith is about being happy, living in abundance, working hard and achieving your goals, putting work clothes on your dreams and seeing them become reality, and becoming the person you dreamed of being when you were a boy. This book was written by divine command, it was written by heavenly instructions. Through many years, God Himself prepared me, filled me with faith, allowed me to live circumstances where

the only thing that sustained me was to believe fervently in Christ, and where a divine miracle was essential, because reason no longer made sense. From there, I bring for you many of these

experiences and truths that I will share with you below. Normal words, spoken by normal men, but carrying with them a divine message.
