Soul mate and twin flame love is an ancient concept. We see it in the dance between Shiva and Shakti, the union of the Horned God and Mother Goddess in old earth

religions, the passion of Osiris and Isis, and the mystical symbiosis of Jesus and Mary Magdalene. But while ancient and timeless, at no point in the history of civilization has there ever been as intense and passionate an interest in spiritual relationships as there is right now. In this breakthrough book, spiritual counselors and twin flames Aletheia Luna and Mateo Sol, dive deeper than ever before into the fiery world of twin flame and soul mate love. With notoriously down-to-

earth and crystal clear insight, Luna and Sol explore how to find, create, and sustain real awakened relationships in an increasingly fragmented world. Chapters in this book include: 1. Love and the Spiritual Awakening Process 2. What is a Soul Mate? 3. What is a Twin Flame? 4. The Story of Luna and Sol 5. How to Find Your Soul Mate and Twin Flame 6. Harmful Myths About Soul Mate and Twin Flame Relationships 7. The Five Levels of Relationships 8.

Are You in a Healthy Relationship? 9. What to Do When Your Relationship Falls Apart 10. The Shadow Side of Seeking Love 11. You'll also discover how to fulfill the ultimate purpose of twin flame and

soul mate relationships: to awaken yourself and the world around you to deep levels of love, joy, and interconnectedness. *Twin Flames and Soul Mates* is an eye-opening psychospiritual guide that will have an earth-shaking, life-changing effect on your relationships for years to come. Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless

wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: - How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet - Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much

more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience

and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers.

In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his

time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves

to the world. Shetty proves that everyone can—and should—think like a monk.

A complete guide to creating planetary yantras to access their healing and centering benefits • Provides easy-to-follow instructions to create the yantras • Serves as an

introduction to active meditation, which focuses the mind while the body is engaged in a meditative activity The tantric art of drawing or painting the nine designs known as yantras is an ancient practice of active meditation that releases positive healing and centering effects. Each of the nine designs corresponds to one of the nine qualities of body and mind essential to well-being: radiance, nourishment, passion, intellect, expansion, bliss, organization, uniqueness,

and spirituality. From the basic elements of the square, the circle, and the triangle, dynamic visual meditations unfold as the practitioner works clockwise from the outer elements inward toward the central point of stillness, or bindu, the source of happiness within. An accompanying mantra is recited while preparing each yantra to fully engage the senses in the meditative process. Creating the design that “speaks” most to the practitioner enables its unique healing quality to

be transmitted. For example, working on the yantra named “Radiance” cultivates optimism and the self-confidence to succeed in one’s endeavors, while “radiating,” or imparting, one’s inner light to others. This workbook provides an important resource for active meditation, a practice revered for its effectiveness in revealing the spiritual underpinnings of everyday life. The active participation of the body in meditation while creating the nine

planetary yantras raises to the level of spiritual ritual the practitioner’s intention toward wakefulness and gives access to profound states of healing integration.
