A football star goes
from playmaking to
matchmaking in this
heartwarming novel
from the #1 New York
Times bestselling

author. Confined to a wheelchair after a devastating injury, former NFL star Jake Masters has exiled himself behind the imposing gates of his lavish home. But his twin sister, Beth, has no intention of letting him languish there forever. After years of failing one business after another, all bankrolled by Jake's generosity, she now owns a highly lucrative matchmaking service. And she's gifting the business to Jake—whether he likes it or not—while she follows her dream of becoming a singer in Nashville. But Jake knows next to nothing about matchmaking, and it's soon clear that he needs an assistant. Enter Gracie Sweet, whose slender frame belies a take-no-charge

toughness that would put any linebacker to shame. Gracie begins by revamping the business and soon she's overhauling Jake's entire life. But when their clients become victims of theft, Gracie and Jake must reconcile their very different outlooks if they're to have any chance of saving the business . . . Amplified Weapon: A

Cozy Mini-Mystery

Carson-Dellosa Publishing
Originally known as a brand for greeting cards, Hallmark has seen a surge in popularity since the early 2010s for its made-for-TV movies and television channels: the Hallmark Channel and its spinoffs, Hallmark Movie Channel (now Hallmark Movies & Mysteries) and Hallmark Drama. Hallmark's brand of comforting, often sentimental content includes standalone movies, period and contemporary television series, and mystery film series that center on strong, intuitive female leads. By creating reliable and consistent content, Hallmark offers people a calming retreat from

the real world. This collection of new essays strives to fill the void in academic attention surrounding Hallmark. From the plethora of Christmas movies that are released each year to the successful faith-based scripted programming and popular cozy mysteries that air every week, there is a wealth of material to be explored. Specifically, this book explores the network's problematic relationship with race, the dominance of Christianity and heteronormativity, the significance placed on nostalgia, and the hiring and re-hiring of a group of women who thrived as child stars. *Catalog of Copyright Entries* Scholastic Inc. Christmas comes to Zinnia,

Mississippi—Sarah Booth Delaney must solve a case as the holiday approaches, in this new cozy mystery from Carolyn Haines. Christmas is just around the corner and Sarah Booth and Tinkie are preparing for a festive holiday season. After a turbulent season of solving cases, they're ready for some holiday cheer. Sarah Booth and Sheriff Coleman Peters have finally gotten together, and this is the first holiday they're celebrating as a couple. Sarah Booth busies herself with decking the halls and daydreaming about romantic Christmas nights with Coleman. Then her friend Cece Dee Falcon shows up needing Sarah Booth's help—right now. She shows Sarah Booth a

box that was delivered by courier and left at Cece's front porch. It contains a lock of hair, a photograph of a pretty young woman, very pregnant, and a note demanding ransom for the return of the teen. Cece reveals that this is her cousin's daughter, Eve Falcon, and that she'd lost touch with this part of her family years ago. Eve and Cece had been close, until the family had a terrible falling out, and banished Cece from their lives. The countdown begins as the kidnapper pushes for payment—or else, he threatens, Eve will meet her maker. It's up to Sarah Booth and her friends to find the girl before something terrible happens on what should be the merriest day of the

year. Carolyn Haines's trademark humor and lovable characters are back, in a heartwarming Christmas story that will enchant and delight readers looking for a suspenseful mystery wrapped in joyful holiday merriment.

Love is in the Salt Sea Air--and So is Murder! Ellery Page, aspiring screenwriter, reigning Scrabble champion, and occasionally clueless owner of the village's only mystery

bookstore, the Crow's Nest, is both flattered and bemused when he's invited to the annual Marauder's Masquerade, the best and biggest social event of the season in the quaint seaside village of Pirate's Cove, Rhode Island. The event is hosted by the wealthy Marguerite Bloodworth-Ainsley—a descendant of the famed pirate Tom Blood. Ellery doesn't even know Mrs. Bloodworth-Ainsley—nor, it turns out—does Mrs. Bloodworth-Ainsley know him. But Marguerite's son, Julian wants to know Ellery. Julian, handsome, rich and engaging, is a huge mystery buff. In fact, he's bought quite a few books at the Crow's Nest bookstore, but never quite worked

up the nerve to ask Ellery out. As his relationship with Police Chief Carson seems to be dead in the water, Ellery is grateful for a little flattering attention from the village's most eligible bachelor, but any hopes of romance hit the shoals when Julian is accused of murdering his mother's unlikable second husband during the Masquerade's annual ghost hunt in the family's spooky cemetery.
