Against Heresies Revised HarperCollins

The author of the #1 New York Times bestseller The FairTax Book offers a new look at the fast-growing populist tax reform movement that’s poised to become a key campaign issue for 2008 In 2005, firebrand radio talk show host Neal Boortz and Georgia congressman John Linder teamed up to create The FairTax Book, the first book devoted to the FairTax movement they had been promoting for years. Riding the growing groundswell of popular support for the tax reform measure, The FairTax Book became an overnight sensation. As the election season heats up, Boortz and Linder return to add fuel to the fire with this radical follow-up. Talking back to the critics who have grossly misrepresented the simple principles behind the tax reform measure—which would abolish the IRS and replace it with a 23 percent retail sales tax on all new goods and services—Boortz and Linder:
• Debunk myths about the tax and answer critical charges—that it would bankrupt the economy, that it would leave poor people in the lurch, that the math doesn’t work
• Offer new insights into aspects of the plan not originally covered
• Show the American voter that there’s still hope of replacing our currently outdated, corrupt,and punitive income tax system with a simple plan that will revolutionize the way American pays for itself.

Nicholas Frankel presents a revisionary account of Oscar Wilde’s final years, spent in poverty and exile in Europe following his release from an English prison for the crime of gross indecency between men. Despite repeated setbacks and open hostility, Wilde—unapologetic and even defiant—attempted to rebuild himself as a man, and a man of letters.

Award-winning psychologist and educator Thomas Lickona offers more than one hundred practical strategies that parents and schools have used to help kids build strong personal character as the foundation for a purposeful, productive, and fulfilling life. Succeeding in life takes character, and Lickona shows how irresponsible and destructive behavior can invariably be traced to the absence of good character and its ten essential qualities: wisdom, justice, fortitude, self-control, love, a positive attitude, hard work, integrity, gratitude, and humility. The culmination of a lifetime’s work in character education from one the preeminent psychologists of our time, this landmark book gives us the tools we need to raise respectful and responsible children, create safe and effective schools, and build the caring and decent society in which we all want to live.

I Am Malala Bantam

Menceritakan pasangan muda-mudi berbeda keyakinan yang tidak bisa melaksanakan perkawinan karena membentur hukum yang berlaku, sebagaimana ketentuan dalam Alqur’an, Fiqhul Islam, Kompilasi Hukum Islam (Instruksi Presiden No.1 Tahun 1991) dan (juga seringkali) tradisi yang berlaku di tengah masyarakat. Demi aqidah, peraturan agama dan peraturan negara (Kompilasi Hukum Islam) mereka harus berpisah yang pada akhirnya kembali kepada keyakinan masing-masing. Tema tulisan ini sekaligus sebagai i’tibar kepada masyarakat Indonesia yang belakangan nyaris mengabaikan persatuan, kesatuan, iman dan taqwa (Imtaq). Penulis menyadari bacaan cerita fiksi ini masih jauh dari sempurna, dan banyak kekurangan di sana-sini. Dengan tidak menutup telinga untuk mendengar kritik dan saran, dan membuka mata lebar-lebar untuk melihat kenyataan di lapangan, penulis berharap kepada pembaca budiman. Sebab editor yang nyaris mendekati sempurna adalah pembaca.

Sebagai jurnalis yang sering bepergian dan pelancong seumur hidup, Desi Anwar sudah mengunjungi banyak tempat di seluruh dunia, bertemu dan mewawancarai tokoh-tokoh internasional serta sosok-sosok penting selama tahun-tahunnya sebagai pembawa acara bincang-bincang dan pembaca berita televisi papan atas Indonesia. Di Faces & Places Desi mengompilasi sejumlah catatan perjalanannya selama beberapa tahun terakhir, yang awalnya diterbitkan di kolom mingguan dalam harian berbahasa Inggris The Jakarta Globe. Artikel-artikel itu berisi kesan dan kekaguman pribadi, serta sketsa verbal yang ditangkap saat Desi berusaha memahami dan terhubung dengan lingkungan barunya, entah itu Lingkaran Artik yang dingin bersalju, Turki yang memukau, jalanan kota Paris yang romantis, atau pantai-pantai Belitung yang memesona. Tulisan-tulisan itu juga mere– eksikan

pribadi-pribadi yang ditemuinya. Sosok seperti Yang Mulia Dalai Lama, pengusaha terkaya di dunia Bill Gates, pemerhati lingkungan yang mencintai orangutan, politisi, kepala negara, dan banyak lagi. Sejumlah wawancara dan catatan perjalanan di buku ini juga bisa dilihat di acaranya, Face 2 Face with Desi Anwar, yang bisa ditemukan di YouTube.

Calls for renewed moral education in America's schools, offering dozens of programs schools can adopt to teach students respect, responsibility, hard work, and other values that should not be left to parents to teach.

Faces & Places - 35 Tokoh & 50 Tempat Yang Menginspirasiku Gramedia Pustaka Utama

When the Christian church was first forming in the time of the apostles, a heresy that still threatens the church today called Gnosticism started to form. This heresy was battled by the writings of Iren➊us to correct theological thinking about God, Jesus and the Bible at large. This early church father was instrumental in fighting false teaching in the early centuries when there were a lot of questions about the legitimacy of Christianity in the face of the persecutions of the Roman Empire. Now in larger print!

Dalam buku ini, Alexander Arie menarasikan pengalaman hidup seorang Katolik dalam semesta keindonesiaan yang begitu luas. Ia lahir dan tumbuh hingga remaja di Bukittinggi, Sumatera Barat. Kota yang penganut Katolik-nya sangat sedikit. Tumbuh sebagai minoritas, nyatanya memberi pengalaman penting, baik tentang bagaimana ia menghayati kepercayaannya maupun mengaplikasikannya dalam kondisi hidup yang sangat beragam.

Through his third century BCE quest to govern the Indian subcontinent by moral force alone, Ashoka transformed Buddhism from a minor sect into a major world religion. His bold experiment ended in tragedy, and in the tumult that followed the historical record was cleansed so effectively that his name was largely forgotten for almost two thousand years. Yet, a few mysterious stone monuments and inscriptions miraculously survived the purge. In Ashoka: The Search for India's Lost Emperor, historian Charles Allen tells the incredible story of how a few enterprising archaeologists deciphered the mysterious lettering on keystones and recovered India's ancient past. Drawing from rich sources, Allen crafts a clearer picture of this enigmatic figure than ever before.

The 7 Habits of Highly Effective Teens: Workbook Macmillan

A new publication of the definitive translation of Homer’s epic brings the ancient poem to life, chronicling the Greek siege of the Trojan city state and the war that ensued.

Strategi Menulis Buku Dalam Sehari Basic Books

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

On alleged involvement of TNI, the Indonesian Armed Forces in the murder of Ondofolo Dorthays Hiyo Eluay, pro-independence leader in Papua Province.

Science and Health with Key to the Scriptures Media Pressindo

With her virtuoso translation, classicist and bestselling author Caroline Alexander brings to life Homer's timeless epic of the Trojan War Composed around 730 B.C., Homer's *Iliad* recounts the events of a few momentous weeks in the protracted ten-year war between the invading Achaeans, or Greeks, and the Trojans in their besieged city of Ilium. From the explosive confrontation between Achilles, the greatest warrior at Troy, and Agamemnon, the inept leader of the Greeks, through to its tragic conclusion, *The Iliad* explores the abiding, blighting facts of war. Soldier and civilian, victor and vanquished, hero and coward, men, women, young, old—*The Iliad* evokes in poignant, searing detail the fate of every life ravaged by the Trojan War. And, as told by Homer, this ancient tale of a particular Bronze Age conflict becomes a sublime and sweeping evocation of the destruction of war throughout the ages. Carved close to the original Greek, acclaimed classicist Caroline Alexander's new translation is swift and lean, with the driving cadence of its source—a translation epic in scale and yet devastating in its precision and power.
