The Power of Thought / The Life of the Spirit Library of Alexandria

Beginning with his experiences as a prisoner of war, Moltmann anchors his reflections in a theology of life - and the Spirit as elemental renewer of life - which links biblical manifestations to contemporary ones, hope to holiness, creation to community, and politics to prayer. In the Spirit we embrace the presence of God, but we also embrace community with people and all living things.

Radical Spirit Servant Books

Moltmann, "the foremost Protestant theologian in the world" (Church Times), brings his characteristic audacity to this traditional topic and cuts to the heart of the matter with a simple identification: What we experience every day as the spirit of life is the spirit of God. Such considerations give Moltmann's treatment of the different aspects of life in Spirit a verve and vitality that are concrete and existential. Veteran readers will find here a rich and subtle extension of Moltmann's trinitarian and christological works, even as he makes bold use of key insights from feminist and ecological theologies, from recent attention to embodiment, and from charismatic movements. Newcomers will find a fascinating entree into the heart of his work: the transformative potential of the future. Moltmann develops a theology of the Holy Spirit that links the Christian community's experience of the Spirit to the sanctification and liberation of life. He brilliantly displays the ecological and political significance of Christian belief in the Trinity.

Often the most misunderstood, and therefore ignored, member of the Trinity, the Holy Spirit deserves our attention and understanding. God the Father and God the Son rightfully garner much explanation and exploration, and God the Holy Spirit ought to be given the same studiousness, curiosity, and

scholarship. In this addition to Crossway's Foundations of Evangelical Theology series, Dr. Graham Cole has written a work that offers a comprehensive theology of the Holy Spirit. This book shows the ultimate selflessness of the Holy Spirit as the member of the Trinity who always works for the glory of God the Father and God the Son and the good of the saints. Ideal for pastors, teachers, and students of theology, this book is a superb theology of the Holy Spirit. Part of the Foundations of Evangelical Theology series.

The Powerful Gifts Available to You Everybeliever has been given at least one supernatural gift of the Holy Spirit. Do you know which you have and how to operate in it? Internationally renowned Bible teacher Derek Prince explains that any believer who is not manifesting gifts of the Spirit is living far below the level of God's provision for his life. Prince reveals how to: Minister to others through the gifts Discern the counterfeit Witness through spiritual gifts Stir up the gift within you One of our greatest necessities in the church today is to demonstrate through the power of the Spirit that Jesus is alive and that His gospel is true. The world needs to see the manifestation of the presence of God. Believers need the ministry of the body of Christ through spiritual gifts. The Gifts of the Spirit reveals how we can fulfill both of these needs—practically and powerfully.

What if the Supernatural Became Normal and Natural in Your Life? How would your world change if you regularly experienced the miraculous? And what if this happened everywhere you went-in a way that attracted people to Jesus? It wouldn't just make a difference in your world; it would make the world different. It might sound too good to be true...but that's the Spirit Contemporary life. While working as a first responder in an ambulance, Leon Fontaine longed to see God's power at work outside the four walls of a church. He learned through many life-changing experiences that we can all unlock the miraculous in a way that works anywhere-at home, in a hospital, at work--with anyone! The Spirit Contemporary way of life involves communicating with others as Jesus would: using their language, stories, and settings. Leon draws on biblical truth and personal stories to reveal how this dynamic first-century faith can be yours when you live so in tune with God that you're guided in ways that are both natural and supernatural. "In a world seeking an authentic, transparent, and genuine touch of God, Leon equips us with a Christ-centered, Spirit-empowered, Bible-based, kingdom prescription." --Samuel Rodriguez, president, National Hispanic Christian Leadership Conference, author of *Be Light* "When 'Spirit' and 'Contemporary' are synergized, phenomenal outcomes will happen in the church...I believe this valuable resource will help the church go to higher levels of impact and influence

in the years ahead." -- Dr. Elmer L. Towns, co-Founder of Liberty University

the spirit. You will be greatly blessed by it. --Joseph Prince, senior pastor, New Creation Church
