Country Music Stars Hal Leonard Corporation  
American country music began with a fiddle and the human voice. With the sophistication of recording technology and the techniques of modern merchandising, country

music has become a billion-dollar industry. This up-to-date history traces the development of the genre from the Carter Family to Dolly Parton and Garth Brooks. A treasure trove for every country music fan. Photos.  
*Greenback Dollar* Scarecrow Press  
Country music has come of age. It has a rich history in American culture, and its story is well told in this definitive encyclopedia, written with verve and insight by the editors of America's leading and most popular country music magazine. The background of all the major -- and minor -- performers in country music, their greatest hits, fascinating anecdotes about their childhoods, their rise to (or fall from) fame, the truth behind publicity releases and general rumor -- it's all here, from Roy Acuff and

Billy Ray Cyrus to Patsy Cline and Reba McEntire. The Comprehensive Country Music Encyclopedia offers a fresh, absorbing portrait of country music from its folkloric origins to its present status as the popular music of choice for 42 percent of the adult population, according to industry estimates. Indeed, in the past decade, the country music audience has tripled. Between 1988 and 1990, sales of country records jumped 56 percent as sales of rock-'n'-roll records slumped 5 percent. Combining more than six hundred short descriptive entries with longer evaluative articles, the encyclopedia is informative, engaging, and a pleasure to read. The critical events and individuals that have shaped country music are all here in one indispensable volume. More than a reference book to be consulted simply for the dates or details of a particular artist's hits or career, the encyclopedia offers a virtual social history of country music. It distinguishes itself not only by the unassailable authority of its contributors -- the most knowledgeable and gifted

writers in this field -- but by its in-depth portraits of country music's pioneers and contemporary stars. Individual entries are placed within a larger historical and musical context. Linking discrete facts, dates, and events through what amount to interpretive essays, The Comprehensive Country Music Encyclopedia presents the overarching themes and musical ideas that have animated the landscape of country music. An additional feature of the encyclopedia is the more than six hundred photographs, many rarely seen. These superb photographs convey the social and cultural spirit of the artists depicted. Together with the compelling text, the encyclopedia is certain to engage the curiosity, interests, and passions of every reader, and of every fan.

Woody Guthrie - American Radical Patriot Hal Leonard Corporation

Selling Folk Music: An Illustrated History highlights commercial sources that reveal how folk music has been packaged and sold to a broad, shifting audience in the United States. Folk music has a varied and complex scope and

lineage, including the blues, minstrel tunes, Victorian parlor songs, spirituals and gospel tunes, country and western songs, sea shanties, labor and political songs, calypsos, pop folk, folk-rock, ethnic, bluegrass, and more. The genre is of major importance in the broader spectrum of American music, and it is easy to understand why folk music has been marketed as America's music.

Selling Folk Music presents the public face of folk music in the United States via its commercial promotion and presentation throughout the twentieth century. Included are concert flyers; sheet music; book, songbook, magazine, and album covers; concert posters and flyers; and movie lobby cards and posters, all in their original colors. The 1964 hootenanny craze, for example, spawned such items as a candy bar, pinball machine, bath powder, paper dolls, Halloween costumes, and beach towels. The almost five hundred images in Selling Folk Music present a new way to catalog the history of folk music while highlighting the transformative nature of the genre. Following the

detailed introduction on the history of folk music, illustrations from commercial products make up the bulk of the work, presenting a colorful, complex history. Crisis Rounder Books  
 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform.  Nate's family has a secret, and it's wrapped up in a song. The problem is, his preacher father hates music, and when he catches Nate hanging around downtown Bristol with musicians like Jimmie Rodgers and the Carter Family, he comes down hard on him. So Nate sets out in search of himself and the song he thinks will heal his family. Set during the "big bang" of country music in the late 1920s, Nate's journey of self-discovery parallels that of a region finding its voice for the first time. Billboard Univ. Press of Mississippi  
 Contains articles on U.S. Army recruiting efforts, training of soldiers and other information directly related to recruitment efforts. A mother and daughter find the courage to go undercover after stumbling upon a Nazi cell in Los Angeles during the early days of World War II—a tantalizing novel from the New York Times bestselling author of the Maggie Hope series “A stirring standalone thriller . . . Susan Elia MacNeal’s page-turning prose is as entertaining as ever—I was riveted from beginning to end.”—Kate Quinn, author of *The Alice Network* June 1940. France has fallen to the Nazis, and Britain may be next—but to many Americans, the war is something happening “over there.” Veronica Grace has just graduated from college; she and her mother, Violet, are looking for a fresh start in sunny Los Angeles. After a

blunder cost her a prestigious career opportunity in New York, Veronica is relieved to take a typing job in L.A.—only to realize that she’s working for one of the area’s most vicious propagandists. Overnight, Veronica is exposed to the dark underbelly of her new home, where German Nazis are recruiting Americans for their devastating campaign. After the FBI dismisses the Graces’ concerns, Veronica and Violet decide to call on an old friend, who introduces them to L.A.’s anti-Nazi spymaster. At once, the women go undercover to gather enough information about the California Reich to take to the authorities. But as the news of Pearl Harbor ripples through the United States, and President Roosevelt declares war, the Grace women realize that the plots they’re investigating are far more sinister than they feared—and even a single misstep could cost them everything. Inspired by the real mother-daughter spy duo who foiled Nazi plots in Los Angeles during WWII, *Mother Daughter Traitor Spy* is a powerful portrait of family, duty, and deception that raises

timeless questions about America—and what it means to have courage in the face of terror.

[The Real Blues Book \(Songbook\)](#) Mel Bay Publications

Now for the first time, country music authority Charles K. Wolfe gathers together his profiles of 50 legends of country music, including Bill Monroe, Lefty Frizzell, and Kitty Wells.

*Lord of the Mountain* Bantam

A wonderful selection of easy-to-medium piano solos, in both blues and boogie styles, including “Cotton Mill Blues” and “Whistling the Blues.” These pieces have been arranged and edited by Denes Agay and Gerald Martin.

**Songwriter's Market**

Yorktown Press (Fake Book). Since the 1970s, *The Real Book* has been the most popular book for gigging jazz musicians. Hal Leonard is proud to publish completely legal and legitimate editions of the original volumes as well as exciting new volumes to carry on the tradition to new generations of players in all styles of music! Love You Baby \* Look on Yonder's Wall \* Mama Talk to Your Daughter \* Master Charge \* Messin' with the Kid \* My Babe \* Phone Booth \* Pride and Joy \* Reconsider Baby \* Rock Me Baby \* Rock Me Right \* Smokestack Lightning \* Somebody Loan Me a Dime \* Statesboro Blues \* (They Call It) Stormy Monday (Stormy Monday Blues) \* Sweet Home Chicago \* Texas Flood \* The Things That I Used to Do \* The Thrill Is Gone \* Wang Dang Doodle \* and more. **Katzmarek's Encyclopedia of Public Domain Music** Richard Hewlett Don't miss this tribute to the writer and composer of the greatest love song ever written, This Land is Your Land. Woody Guthrie's voice takes us back to the America that created a movement of

such voices; you listen to Woody at the risk of being won over to the cause of working class Americans and the understanding that their cause is yours as well. --Norman Lear This book was written to accompany the Rounder Records release of the same title, which encompasses six compact discs and one DVD. It includes a complete transcription of all the words to all the songs and stories which Woody Guthrie recorded for the Library of Congress, the recordings he made for the Bonneville Power Administration, the radio dramas recorded for the Office of War Information during World War II and to help with public health efforts in the years after the war. There is also an essay on the SS Reuben James (including a recent interview with the last-known survivor).
