Twenty-seven years in the making (1940–67), this tapestry of nearly two hundred American popular and protest songs was created by three giants of performance and musical research: Alan Lomax, indefatigable collector and preserver; Woody Guthrie, performer and prolific balladeer; and Pete Seeger, entertainer and educator who has introduced three generations of Americans to their musical heritage. In his afterword, Pete Seeger recounts the long history of collecting and publishing this anthology of Depression-era, union-

hopeful, and New Deal melodies. With characteristic modesty, he tells us what's missing and what's wrong with the collection. But more important, he tells us what's right and why it still matters, noting songs that have become famous the world over: "Union Maid," "Which Side Are You On?," "Worried Man Blues," "Midnight Special," and "Tom Joad." "Now, at the turn of the century, the millennium, what's the future of these songs?" he asks. "Music is one of the things that will save us. Future songwriters can learn from the honesty, the courage, the simplicity, and the frankness of these hard-hitting songs. And not just songwriters. We can all learn." In addition to

123 photographs and 195 songs, this edition features an introductory note by Nora Guthrie, the daughter of Woody Guthrie and overseer of the Woody Guthrie Foundation.

### **The Fall And Rise Of Reginald Perrin**

Random House Books for Young Readers Double Heart, Marcel Schwob's first collection of short stories, here presented in English for the first time, in an expert translation by Brian Stableford, was originally published in 1891, all of the stories in it having previously appeared in the daily newspaper L'Écho de Paris while the author was part of a "stable" of writers attached to the newspaper, commissioned to supply stories at weekly or fortnightly intervals. Considered superficially, the project of writing a short story once a fortnight, or even once

a week, does not seem particularly daunting, but the reality was that few were able to keep up such a pace while maintaining diversity and originality. During the years when he was penning the stories assembled in Coeur double, Schwob was, however, one of those aristocrats, and the collection is remarkably heterogeneous, both thematically and in terms of its narrative strategies, perhaps more so than any other issued in the nineteenth century, and its variety offers an interesting example of disciplined randomness: not only a relentless quest for difference but a relentless quest for different kinds of difference. Marcel Schwob was a genius,

albeit one only appreciated by a limited cognoscenti, and the present book, with its idiosyncratic brand of black comedy, and its mastery of abbreviation and understatement, is a long overdue addition to the work of this wonderful author available in English.

A psycho turns fairy-tale endings into nightmares in this "vivid cat-and-mice game" from the New York Times–bestselling author (William Bayer, Edgar Award–winning author). Karen is a lonely middle-aged doctor with a house in

the woods. Sarah is a grief-stricken suburban widow who has turned to booze and barbiturates. Jordan is a directionless high school student and a child of divorce. They are three women with nothing in common but their red hair—until a stranger who calls himself the Big Bad Wolf sends each one the same chilling letter. Just like vulnerable Little Red Riding Hood, they are going to be stalked and killed—but in three distinct ways, in three different locations, all on the same fateful day. The one thing this devious madman didn't count on was the Reds discovering each other. When authorities refuse to help, Karen, Sarah, and Jordan band together. But as they discover their power in

numbers, how far are they're willing to go to beat the Wolf at his own game. From the New York Times–bestselling author of *Day of Reckoning* comes a “twisted riff” on a Grimm tale (Publishers Weekly). “Must read for thriller fans.”—Booklist, starred review “Few writers of crime fiction seem to understand the criminal mind as well as Katzenbach.” —People
