Marvels DC

Welcome to the DC Universe in 1950s America -- a land of promise and paranoia, of glittering cities and segregated slums, of dizzying scientific progress and simmering Cold War conflict. A land without the Justice League--Superman, Batman and Wonder Woman. Or so it

seems. Celebrate the 15th anniversary of Darwyn Cooke's retro-styled masterpiece in a new Absolute format. The masked mystery men who fought for freedom in the Second World War have been outlawed. The soldiers and spies who conducted top-secret missions into the unknown now work in the shadows. And those icons who do still fight on -- Superman, Wonder Woman, Batman -- operate under hidden agendas and dueling ideologies. Yet this America needs its heroes more than ever. With darkness gathering on the horizon once more, only a bold new generation of adventurers -- young, daring, and dedicated to the better angels of our nature -- is equal to the challenge of the New Frontier. From Eisner

Award-winning writer-artist Darwyn Cooke and Eisner Award-winning colorist Dave Stewart comes DC: The New Frontier-- a timeless tale of idealism that has become one of the most acclaimed superhero comics of the 21st century. This edition collects the original 6-issue miniseries together with the Justice League: New Frontier Special, and features over 50 pages of designs, sketches and preliminary artwork from the author. Justice Society of America DC Wonder Comics

JSA Kingdom Come Special: Superman (2008-) #1 Marvel Entertainment

The second coming of Christ is a matter of sharp disagreement amongst Christians. Many hold to premillennialism: that Christ's return will be followed by 1,000 years before the final judgement.

However, premillennialism is not the only option for Christians. In this new book, Sam Storms provides a biblical rationale for amillennialism; the belief that 1,000 years mentioned in the book of Revelation is symbolic with the emphasis being the King and his Kingdom. --from publisher description.

Kingdom Come Macmillan

THINGS FALL APART tells two overlapping, intertwining stories, both of which center around Okonkwo, a "strong man" of an Ibo village in Nigeria. The first of these stories traces Okonkwo's fall from grace with the tribal world in which he lives, and in its classical purity of line and economical beauty it provides us with a powerful fable about the immemorial conflict between the individual and society. The second story, which is as modern as the first is

ancient, and which elevates the book to a tragic plane, concerns the clash of cultures and the destruction of Okonkwo's world through the arrival of aggressive, proselytizing European missionaries. These twin dramas are perfectly harmonized, and they are modulated by an awareness capable of encompassing at once the life of nature, human history, and the mysterious compulsions of the soul. THINGS FALL APART is the most illuminating and permanent monument we have to the modern African experience as seen from within.
