Bestselling travel writer Richard Grant offers an entertaining and profound look at a city like no other. Natchez, Mississippi, once had more millionaires per capita than anywhere else in America, and its wealth was built on slavery and cotton. Today it has the greatest concentration of antebellum mansions in the South, and a culture full of unexpected contradictions. Prominent white families dress up in hoopskirts and Confederate uniforms for ritual celebrations of the Old South, yet Natchez is also progressive enough to elect a gay black man for mayor with 91% of the vote. Much as John Berendt did for Savannah in *Midnight in the Garden of Good and Evil* and the hit podcast *S-Town* did for Woodstock, Alabama, so Richard Grant does for Natchez in *The Deepest South of All*. With humor and insight, he depicts a strange, eccentric town with an unforgettable cast of characters. There’s Buzz Harper, a six-foot-five gay antique dealer famous for swanning around in a mink coat with a uniformed manservant and a very short German bodybuilder. There’s Ginger Hyland, “The Lioness,” who owns 500 antique eyewash cups and decorates 168 Christmas trees with her jewelry collection. And there’s Nellie Jackson, a Cadillac-driving brothel madam who became an FBI informant about the KKK before being burned alive by one of her customers. Interwoven through these stories is the more somber and largely forgotten account of Abd al Rahman Ibrahima, a West African prince who was enslaved in Natchez and became a cause célèbre in the 1820s, eventually gaining his freedom and returning to Africa. Part history and part travelogue, *The Deepest South of All* offers a gripping portrait of a complex American place, as it struggles to break free from the past and confront the legacy of slavery.

*The Road to San Donato* is an adventurous travel memoir of an American father and son tracing their Italian heritage by bicycle. With only the bare essentials on their backs, author Robert Cocuzzo and his sixty-four-year-old father, Stephen, embark on a torturous 425-mile ride from Florence, Italy, to San Donato Val di Comino, an ancient village hidden in the Apennine mountains from which their family emigrated a hundred years earlier. After getting lost, beaten down, and very nearly stranded, when they finally reach the village the Cocuzzos discover so much more than their own family story. For many Jews in the 1940s, the road to San Donato was one of exile; during World War II, dozens were interned in the village. When the Nazis came to ship them off to death camps, however, many of the villagers went to heroic lengths to save their lives. Walking and pedaling through this history, Robert Cocuzzo is determined to learn the role his family played at the time. *The Road to San Donato* is a story of fathers and sons, discovering lost "cousins," valorous history, and the challenge and exhilaration of traveling by bicycle.

An unsurpassable, visual tour of the greatest pilgrimage sites of Europe, from North to South; East to West. Pilgrimage in Europe is currently thriving on a scale that simply could not have been envisaged just a few decades ago. Not only are greater numbers of people now emulating the medieval pilgrims who made their way on foot across Europe to the shrines of martyred apostles in Rome (SS Peter and Paul), Santiago de Compostela (St James) and Trondheim (St Olav), but international religious tourism is also thriving and millions each year are now travelling by air, rail and road to Europe’s major pilgrimage churches and famous sites of Marian Apparition such as Lourdes (France) and Fatima (Portugal). This book covers those key pilgrimage sites as well as many lesser known ones such as the Marian Sanctuary of La Salette in the French Alps, the cave sanctuary of Covadonga in Northern Spain, the majestic twenty-first-century basilica of Our Lady of Licheń in Poland and the Chapel of Grace in Altötting, Bavaria. It comprises an atmospheric and colourful portrayal of the pilgrimage churches and cathedrals adorned with sculpture, art and

iconography associated not only with the Virgin Mary but also the national saints and Early Christian martyrs revered by both Catholic and Anglican faiths alike. En route the reader will see some of the world’s most impressive examples of medieval art and architecture set amidst historic townscapes or spectacular landscapes. This volume will serve as both an enticement to take to the road, a treasured aide memoire for those who have visited at least some of these iconic places and hopefully, a source of comfort and inspiration for those unable to travel abroad from wherever they live in the world.

**\*\*Winner of the 2016 Pulitzer Prize for Autobiography\*\*** Included in President Obama’s 2016 Summer Reading List “Without a doubt, the finest surf book I’ve ever read . . .” —The New York Times Magazine *Barbarian Days* is William Finnegan’s memoir of an obsession, a complex enchantment. Surfing only looks like a sport. To initiate, it is something else: a beautiful addiction, a demanding course of study, a morally dangerous pastime, a way of life. Raised in California and Hawaii, Finnegan started surfing as a child. He has chased waves all over the world, wandering for years through the South Pacific, Australia, Asia, Africa. A bookish boy, and then an excessively adventurous young man, he went on to become a distinguished writer and war reporter. *Barbarian Days* takes us deep into unfamiliar worlds, some of them right under our noses—off the coasts of New York and San Francisco. It immerses the reader in the edgy camaraderie of close male friendships forged in challenging waves. Finnegan shares stories of life in a whites-only gang in a tough school in Honolulu. He shows us a world turned upside down for kids and adults alike by the social upheavals of the 1960s. He details the intricacies of famous waves and his own apprenticeships to them. Youthful folly—he drops LSD while riding huge Honolua Bay, on Maui—is served up with rueful humor. As Finnegan’s travels take him ever farther afield, he discovers the picturesque simplicity of a Samoan fishing village, dissects the sexual politics of Tongan interactions with Americans and Japanese, and navigates the Indonesian black market while nearly succumbing to malaria. Throughout, he surfs, carrying readers with him on rides of harrowing, unprecedented lucidity. *Barbarian Days* is an old-school adventure story, an intellectual autobiography, a social history, a literary road movie, and an extraordinary exploration of the gradual mastering of an exacting, little-understood art.

From "the world's greatest tour guide," a deeply-researched, captivating journey through the rich history of Christianity and the winding paths of the French and Italian countryside that will feed mind, body, and soul (New York Times). "What a wondrous work! This beautifully written and totally clear-eyed account of his pilgrimage will have you wondering whether we should all embark on such a journey, either of the body, the soul or, as in Egan's case, both." --Cokie Roberts "Egan draws us in, making us feel frozen in the snow-covered Alps, joyful in valleys of trees with low-hanging fruit, skeptical of the relics of embalmed saints and hopeful for the healing of his encrusted toes, so worn and weathered from their walk."--The Washington Post Moved by his mother's death and his Irish Catholic family's complicated history with the church, Timothy Egan decided to follow in the footsteps of centuries of seekers to force a reckoning with his own beliefs. He embarked on a thousand-mile pilgrimage through the theological cradle of Christianity to explore the religion in the world that it created. Egan sets out along the Via Francigena, once the major medieval trail leading the devout to Rome, and travels overland via the alpine peaks and small mountain towns of France, Switzerland and Italy, accompanied by a quirky cast of fellow pilgrims and by some of the towering figures of the faith--Joan of Arc, Henry VIII, Martin Luther. The goal: walking to St. Peter's Square, in hopes of meeting the galvanizing pope who is struggling to hold together the church through the worst crisis in half a millennium. A thrilling journey, a family story, and a revealing history, *A Pilgrimage to Eternity* looks for our future in its search for God. *Pilgrim at Tinker Creek* Crown

Winner of the Pulitzer Prize “The book is a form of meditation, written with headlong urgency, about seeing. . . . There is an ambition about her book that I like. . . . It is the ambition to feel.” —Eudora Welty, *New York Times Book Review* *Pilgrim* at Tinker Creek is the story of a dramatic year in Virginia's Roanoke Valley, where Annie Dillard set out to chronicle incidents of "beauty tangled in a rapture with violence." Dillard's personal narrative highlights one year's exploration on foot in the Virginia region through which Tinker Creek runs. In the summer, she stalks muskrats in the creek and contemplates wave mechanics; in the fall, she watches a monarch butterfly migration and dreams of Arctic caribou. She tries to con a coot; she collects pond water and examines it under a microscope. She unties a snake skin, witnesses a flood, and plays King of the Meadow with a field of grasshoppers. The result is an exhilarating tale of nature and its seasons.

"For the rest of the twelfth-century Europe, Spain was a far-off and exotic place, home to the holy site of Compostela, shrine of Saint James. The saint's tomb drew a perpetual wave of pilgrims, coming for adventure, or seeking a miracle from the saint. Pilgrimage is the story of one of those pilgrims. The last thing Gebirga of Flanders remembers seeing is the argument between her parents that ended in her mother's death. In the years since, she has learned to negotiate her family's castle of Gistel as a blind woman but everyone assumes that one day her home will be the convent founded in her mothers' honor. An accidental encounter offers another path, and Gebirga flees her callous family with a pack of pilgrims that includes a count's daughter bound for marriage, two clerics writing a guidebook, and a mysterious messenger with an unknown agenda, all headed along the pilgrimage road to Compostela. The journey takes Gebirga from her home on the edge of the North Sea across the kingdoms of France and into the Iberian Peninsula, where her mission to escort a young noblewoman becomes a dangerous adventure involving power-hungry kings and queens and even the Roman Pope. But can a blind woman navigate the shoals of international politics? To find a place where she can belong, Gebirga must learn there are other ways of seeing the truth than with her eyes."--Back cover.

"The book is like a dream you want to last forever" (Roberta Silman, *The New York Times Book Review*), now with a gorgeous new cover by the famed designer Peter Mendelsund *The Rings of Saturn*—with its curious archive of photographs—records a walking tour of the eastern coast of England. A few of the things which cross the path and mind of its narrator (who both is and is not Sebald) are lonely eccentrics, Sir Thomas Browne’s skull, a matchstick model of the Temple of Jerusalem, recession-hit seaside towns, wooded hills, Joseph Conrad, Rembrandt’s "Anatomy Lesson," the natural history of the herring, the massive bombings of WWII, the dowager Empress Tzu Hsi, and the silk industry in Norwich. W.G. Sebald’s *The Emigrants* (*New Directions*, 1996) was hailed by Susan Sontag as an "astonishing masterpiece perfect while being unlike any book one has ever read." It was "one of the great books of the last few years," noted Michael Ondaatje, who now acclaims *The Rings of Saturn* "an even more inventive work than its predecessor, *The Emigrants*."

A tragic family history told in a collection of imaginary letters to a famed collector, *Moise de Camondo Letters to Camondo* is a collection of imaginary letters from Edmund de Waal to Moise de Camondo, the banker and art collector who created a spectacular house in Paris, now the Musée Nissim de Camondo, and filled it with the greatest private collection of French eighteenth-century art. The Camondos were a Jewish family from Constantinople, “the Rothschilds of the East,” who made their home in Paris in the 1870s and became philanthropists, art collectors, and fixtures of Belle Époque high society, as well as being targets of antisemitism—much like de Waal's relations, the Ephrussi family, to whom they were connected. Moise de Camondo created a spectacular house and filled it with art for his son, Nissim; after Nissim was killed in the First World War, the

house was bequeathed to the French state. Eventually, the Camondos were murdered by the Nazis. After de Waal, one of the world's greatest ceramic artists, was invited to make an exhibition in the Camondo house, he began to write letters to Moise de Camondo. These fifty letters are deeply personal reflections on assimilation, melancholy, family, art, the vicissitudes of history, and the value of memory.

*The Ramsay Scallop* Harper Collins

Extraordinary new non-fiction, a gripping blend of history and memoir, by the author of the award-winning and bestselling international sensation, *The Hare with Amber Eyes*. In *The White Road*, bestselling author and artist Edmund de Waal gives us an intimate narrative history of his lifelong obsession with porcelain, or "white gold." A potter who has been working with porcelain for more than forty years, de Waal describes how he set out on five journeys to places where porcelain was dreamed about, refined, collected and coveted--and that would help him understand the clay's mysterious allure. From his studio in London, he starts by travelling to three "white hills"--sites in China, Germany and England that are key to porcelain's creation. But his search eventually takes him around the globe and reveals more than a history of cups and figurines; rather, he is forced to confront some of the darkest moments of twentieth-century history. Part memoir, part history, part detective story, *The White Road* chronicles a global obsession with alchemy, art, wealth, craft and purity. In a sweeping yet intimate style that recalls *The Hare with Amber Eyes*, de Waal gives us a singular understanding of "the spectrum of porcelain" and the mapping of desire.

Kevin O'Hara's journey of self-discovery begins as a mad lark: who in their right mind would try to circle the entire coastline of Ireland on foot—and with a donkey and cart no less? But Kevin had promised his homesick Irish mother that he would explore the whole of the Old Country and bring back the sights and the stories to their home in Massachusetts. Determined to reach his grandmother's village by Christmas Eve, Kevin and his stubborn but endearing donkey, Missie, set off on 1800-mile trek along the entire jagged coast of a divided Ireland. Their rollicking adventure takes them over mountains and dales, through smoky cities and sleepy villages, and into the farmhouses and hearts of Ireland's greatest resource—its people. Along the way, Kevin would meet incredible characters, experience Ireland in all of its glory, and explore not only his Irish past, but find his future self. “One of the finest books about contemporary Ireland ever written...In a style evocative of Steinbeck's *Travels with Charley*, O'Hara writes memorably of his most unusual way of touring his ancestral home of Ireland.” —Library Journal At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

In medieval times, a pilgrimage gave the average Joe his only break from the daily grind. For Gideon Lewis-Kraus, it promises a different kind of escape. Determined to avoid the fear and self-sacrifice that kept his father, a gay rabbi, closeted until midlife, he has moved to anything-goes Berlin. But the surfeit of freedom there has begun to paralyze him, and when a friend extends a drunken invitation to join him on an ancient pilgrimage route across Spain, Lewis-Kraus packs his bag, grateful for the chance to wake each morning with a sense of direction. Irreverent, moving, hilarious, and thought-provoking, *A Sense of Direction* is Lewis-Kraus's dazzling riff on the perpetual war between discipline and desire, and its attendant casualties. Across three pilgrimages

and many hundreds of miles, he completes an idiosyncratic odyssey to the heart of a family mystery and a human dilemma: How do we come to terms with what has been and what is—and find a way forward, with purpose?

In the Christian Church and the world at large today, addiction to pornography is not just a crisis, it is the crisis. The approach for many has been to label this a war, and scores of books and teachers have tried to show that using various control methods and tools in order to deal with the problem leads to freedom. But the crisis continues to grow, and true freedom, the kind that Jesus seems to be pointing to in the Gospels, seems forever out of reach. This powerless approach has left millions asking some very hard questions about themselves, their sexuality, and the nature of God. In this companion to the groundbreaking *Feels Like Redemption: The Pilgrimage to Health and Healing*, author Seth Taylor has created a Guide for every person on this movement out of addiction, depression, and anxiety. Equal parts teaching, therapeutic work, meditative journal, and art, this unique book will lead readers into an entirely new way of living. Rather than giving readers a few unrealistic practices that leave them discouraged, this grace-filled adventure into the depths of the human soul will leave readers in awe of the Spirit that dwells all around and within every person. Walking this journey will show readers that this life was never a war to be fought, but rather a Sacred Journey to be walked. And in this experience, we will be changed forever.

This guidebook details the Pilgrims' Way, an historic pilgrimage route to Canterbury Cathedral in Kent, home of the shrine of the martyred archbishop, St Thomas Becket. The route is described both from Winchester in Hampshire (138 miles) and London's Southwark Cathedral (90 1/4 miles), with an optional spur to Rochester Cathedral. With relatively easy walking on ancient byways, the route from Winchester is presented in 15 stages of 5-14 miles: it can be comfortably completed in under a fortnight. It follows a major chalk ridge through scenic countryside, taking in characterful towns and villages and historic churches. The route from Southwark is described in 10 stages and includes a visit to the ruined Lesnes Abbey. Detailed route description is accompanied by 1:50,000 OS mapping, advice on making the most of a trip and information on the historical background to the pilgrimage, key historical figures and local points of interest. Accommodation listings and details of facilities and transport links can be found in the appendices. Pilgrimages to Becket's shrine began within a few years of the his death in 1170, although Canterbury was a popular destination even before this time due to the nearby shrine of St Augustine. The route has featured in literature, drama and film, and forms the setting for Geoffrey Chaucer's famous Middle English work, *The Canterbury Tales*.

*Last of the Donkey Pilgrims* Iowa State Press

The modern pilgrimage—to sites ranging from Graceland to the veterans' annual ride to to the Vietnam Veterans Memorial to Jim Morrison's Paris grave—is intertwined with man's existential uncertainties in the face of a rapidly changing world. In a climate that reproduces the religious quest in seemingly secular places, it's no longer clear exactly what the term pilgrimage infers—and *Shrines and Pilgrimage in the Modern World* critiques our notions of the secular and the sacred, while commenting on the modern media's multiplication of images that renders the modern pilgrimage a quest without an object. Using new ethnographical and theoretical approaches, this volume offers a surprising new vision on the non-secularity of the "secular" pilgrimage. "This book will be sure to stoke our intellectual fire and heat up the discussion over the highly charged topic of secular pilgrimage."—Simon Bronner, Penn State University
