Wholesale DigiCat Publishing presents to you this special edition of "Quilts" (Their Story and How to Make Them) by Marie D. Webster. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

A Quilting Life DigiCat This is a book for grownup quilters. It's a book for the many accomplished quilters who are not looking for yet another project

book with pages of detailed elementary instructions on how to make someone else's quilt. Rather, it's intended for quilters who are seeking ideas and inspiration for their own work. In my quilt related travels, I've had the pleasure of meeting many such veteran quilters. This book was also developed to help celebrate the 25th anniversary of my Beaver Island Quilt Retreats (BIQR). Quilters who come to these retreats come with the expectation that they will be provided with an abundance of ideas which will help them design their own original work. The new works in this book were made specifically to provide ideas and inspiration to support

the 2008 BIQR theme of making abstract quilts in solids.
