An extraordinary story of love and vengeance in the international art world... A fast-paced and gripping tale... An extraordinary story of love and vengeance in the international art world... A fast-paced and gripping tale... Jonathan and Anna are in the final stages of planning their Bostonian high-society wedding, when Peter, an auctioneer for Christie's and Jonathan's best friend, calls with news that will change all of their lives. He has just been informed that a small London art gallery has come in to possession of five canvases by the 19th century artist, Vladimir Radskin. Jonathan, the world's foremost expert on Radskin, immediately understands the significance of the information. If the gallery indeed has five paintings, then the collection could very well include Radskin's final canvas - a painting that has become legendary ever since it went missing in mysterious circumstances before its public unveiling in 1868. For Jonathan, who has spent the last twenty years of his career searching for this painting, its discovery and authentication would finally establish the under-appreciated Radskin as a true master. For Peter, whose recent auctions have come under fire from the critics, an ensuing high-profile sale would represent an opportunity to salvage his career. When Jonathan meets Clara, the owner of the London gallery, he is overwhelmed by a dizzying sense of déjà-vu. But in the desperate rush to authenticate the

fifth painting, he simply puts this strange feeling down to their shared passion for the late Russian painter. He and Clara are both convinced that this breath-taking painting is Radskin's mythical last work, but they need proof: for *The Young Girl in the Red Dress* is unsigned. Their quest takes them from a gallery in Piccadilly to a paint workshop in Florence, from a laboratory in the Louvre to a mysterious manor in the English countryside. The more Jonathan and Clara uncover about Radskin's last painting, the more they discover about themselves: three very different lives, three inextricably intertwined destinies, caught in a race against time. "His writing flows, it is elegant and fast paced... In *Another Life is Romeo and Juliet*, set in today's modern world . It's dense, beautiful, and just as tragic." - Paris Match "His stories make us dream, his writing fills us with emotion." - Elle

Understanding Mobilities for Designing Contemporary Cities Open  
Road + Grove/Atlantic

This book explores mobilities as a key to understanding the practices that both frame and generate contemporary everyday life in the urban context. At the same time, it investigates the challenges arising from the interpretation of mobility as a socio-spatial phenomenon both in the social sciences and in urban studies. Leading sociologists, economists, urban planners and architects address the ways in which spatial mobilities contribute to producing diversified uses of the city and describe forms and rhythms of different life practices, including unexpected uses and conflicts. The individual sections of the book focus on the role of mobility in transforming contemporary cities; the consequences of interpreting mobility as a socio-spatial phenomenon for urban projects and policies; the conflicts and inequalities generated by the co-presence of different populations due to mobility and by the interests gathered around major mobility projects; and the use of new data and mapping of mobilities to enhance comprehension of cities. The theoretical discussion is complemented by references to practical experiences, helping readers gain a broader understanding of mobilities in relation to the capacity to analyze, plan and design contemporary cities.

The New York Times–bestselling author of *Unto Us a Son Is Given* continues “one of the most exquisite and subtle detective series ever” (The Washington Post). When a dying hospice patient gasps that her husband was murdered over “bad money,” Commissario Brunetti softly promises he and his colleague, Claudia Griffoni, will look into what initially appears to be a private family tragedy. They discover that the man had worked in the field, collecting

samples of contamination for a company that measures the cleanliness of Venice's water supply, and that he had recently died in a mysterious motorcycle accident. Piecing together the tangled threads, Brunetti comes to realize the perilous meaning in the woman's accusation and the threat it reveals to the health of the entire region. But justice in this case proves to be ambiguous, as Brunetti is reminded it can be when he reads Aeschylus's classic play *The Eumenides*. Praise for Donna Leon's *Commissario Brunetti Mysteries* “[Leon] has never become perfunctory, never failed to give us vivid portraits of people and of Venice, never lost her fine, disillusioned indignation.” —Ursula K. Each one is better than the last.” —Louise Erdrich, winner of the National Book Award for Fiction “Leon's Venetian mysteries never disappoint, calling up the romantic sights and sounds of *La Serenissima* even as they acquaint us with the practical matters that concern the city's residents.” —The New York Times Book Review “The sophisticated but still moral Brunetti, with his love of food and his loving family, proves a worthy custodian of timeless values and verities.” —The Wall Street Journal

This is the first complete edition and the first English translation of one of the most fascinating poems of the late Middle Ages. Machaut's narrative tells "the true story" of the aged poet's romance with a young admirer, constructed around the letters and lyric poems they exchanged, and offers unique insights into the making of poetry, music and manuscripts. Introductory essays survey Machaut's biography, reevaluate the autobiographical content of the poem, explore the literary context, and discuss the miniatures, which are reproduced within the text. Also included is a full listing of variant readings, a commentary on references to contemporary events and the writing of the poem, an outline chronology, indices of lyrics, and a

table to convert line numbers between this edition and the incomplete 1875 edition of P. Paris.
